Thank you to our other volunteers who head up bingo, shuffling , bocce, card games, dominos, collecting and dispersing food to the Food Bank and gifts to Suncoast at Christmas time, Bible study, Northeast Club, Craft Club, Red Hats, etc., etc., and so forth! We cannot forget our Board of Directors who spend hours and hours at meetings and working to make our park a better place to live. Last, but not least, our Park has an office staff, volunteer receptionists, and maintenance people who are the "heart" of our Park. Social Club sends "accolades" to these dedicated people!

The words “It takes a village” take on real meaning. Thank you, thank you, and thank you to all who have helped in the past and will help in the future. You are the people who make Forest Park a special place to live!

## TELL ME WHERE TO GO

By Lisa Noel

If you are looking for a fun time on the water, check out Salty Sam's Boat Rentals. You can rent boats for a half-day, full-day or week long rentals. The boats are equipped with everything you need. They have a variety of boats and sizes.

Every year we get a group of people together and rent a boat and spend the entire day cruising and at the beach. Everyone brings beach chairs, towels, drinks, food and music and we just enjoy a beautiful day together. We walk along the beach and look for shells, cool off in the beautiful water and we have seen dolphins every time we have gone out.

If you reserve a boat, you just need to arrive about an hour early to watch the safety video. It's best if someone has some experience driving a boat in water like that.

The rentals can be anywhere from 4.5 to 7 hours (some have restrooms):

7 passenger Center Console starting at 4.5 hours for \$229

8-20 passenger Power Catamarans starting at 4.5 hours for \$209

8 passenger Bowriders starting at 4.5 hours for \$350

10-14 passenger Trimaran starting at 4.5 hours for \$239

If you were born on or after January 1, 1988, you do need a Boating Safety Education Identification Card. Anyone born before that date does not need anything.

## HELPING HANDS

By Ellen Heigham

Every day in Forest Park you will find unsung "heroes" helping neighbors. It's one of the reasons Forest Park is so special. It was suggested couple of years ago, by our President, Mary, that there might be a need for a group who could help match up people in the park who needed a little extra help with people who were willing and able to offer that assistance. Helping Hands of Forest Park was created.

Up to now, we have provided rides to doctors and hospitals, done grocery shopping, some weeding and yard pick, up. Handy people have built steps, railings, replaced locks and done some minor plumbing work.

Thanks to some generous donations from the Social club and individuals we have a kitty that we can tap into for materials especially those that are used for safety issues i.e. safety bars, locks, railings, grips.

Please call me if you know of someone in need who might not reach out themselves or if you would like to be added to our list of helpers.

## NOTES OF CHEER

*By Robyn Johnson*

Did you know that Social Club has a Cheer person?

JoAnne Monti is our Lady that sends out cards to residents that have been ill, had surgery or has had a loved one pass away.

Social Club pays for the stamps, and they rely on people to donate Sympathy and Get Well cards for JoAnne to send out.

If anyone has any of these cards you would like to donate, you may drop them off at her home. She resides at 557 Peace Lake Court.

Joanne, myself and the office rely on people to let us know about residents needing cheer. So if you hear of anyone, please reach out to any of us so she can send out a card. And if you have an address, that helps us out even more.

Thank you!

## FROM THE DESK OF THE NIGHT PATROL COORDINATOR

*By Ron Croteau*

Again, the residents of Forest Park would like to thank those that have stepped up for the summer patrols. Especially those that have volunteered to take more than one evening per month. We are still 12 spaces shy of a full month of evening patrols.

I have picked up 3 nights, Ken Parsels 2 nights, Brian Hafer 2 nights, new addition Wayne Hall 2 nights. When you see these people out and about, please be sure to thank them.

The Night Patrol consists of driving the entire Community in the evening anywhere from 11 pm on at your leisure or choice. The doors should all be checked to ensure locked around each building. The only door unlocked would be the Sauna. The doors on the Vehicles

parked by the Maintenance shed should also be checked unless the truck is checked out by someone to do the patrol. Each street should be checked with the yellow flashing light atop your vehicle or golf cart. Any light post lights out should be noted in the notebook in the bag and the office notified in the workday morning so it can be called in. The poles have a series of yellow numbers on a tag that should be documented along with the street and nearest home address. A slow full run of the Community takes about an hour and a half to 2 hours. Several of us will sit at the entrance with the light flashing for approx. 5-10 minutes as a deterrent. I can gladly take anyone that's willing to take a night around during the day or ride with me on my scheduled night to see what this entails.

Again, THANK YOU all that have stepped up for the summer. Be safe! Gratefully, Ron C.

## FOREST PARK EVENT CALENDAR

By: Jan Harmon

With the "season" coming to an end, many of the activities listed on the calendar will be discontinued for the summer. Please look over the calendar and inform me of changes. Send me new and changed events with date, time, and place. I need to know the date the event ends and information on when it returns in the fall? I will update the calendar so that it is correct and events will not appear that are not scheduled during the summer.

You can access the calendar at any time on our website. Send information to me at [fpeventcalendar@gmail.com](mailto:fpeventcalendar@gmail.com). Thanks for your cooperation.

## FOREST PARK BOD

Working  
for OUR  
community

### COMMUNICATION

We have listed below our committee updates for you to see. If you have any questions on any topics, please reach out to Forest Park or any of your BOD members and we will be happy to answer or find out the correct information for you.

### COMMITTEE UPDATES:

#### The Camera Committee

We have heard from Epic Communication regarding the contract to upgrade our Surveillance system cameras. The paperwork has been signed by them and will be hand delivered the afternoon of Monday May 9th. Once the contracts are reviewed and signed by Ken the Park president we'll be put on a schedule approx. 3 weeks from then. The install of new cameras with system upgrades should take 4-7 days. There WILL NOT be any interruption in internet or WiFi during this process. Thank you all for your patience, we'll keep you posted as we move forward and the system is up and running.

Ron C.

#### Streets and Drains

As the liaison for the BOD and the S & D committee I'd like to let you all know that Dave Paquette and Mike Noel have been diligent in getting contractor surveyors to the Community for Bids to survey the drains and ditches. Once we have them, a company will be chosen and the County will be notified along with LIS engineering so we can be informed of our next move. As we progress through this phase, with County help, we'll have a better understanding of what we need to get bids on and how long the process will take. Thank you Mike and Dave for your diligence.

Ron C.

#### Maintenance Shed Roof - Update only

Our maintenance shed roof needed to be replaced.

The roof went under contract today, it is getting permitted and replaced before months end.

### Document Review Committee

We wish to thank the Committee for continuing to work together to provide updates for our Deed of Restrictions and By-Laws. The updates were presented to the Board a few weeks ago and specific areas were reviewed by our lawyer for legal requirements.

The documents have been updated to reflect the format which was recommended as a best practice (words to be deleted will be shown with a strikethrough and words to be added will be underlined). Updates from our lawyer regarding wording or legal concerns have also been amended.

The final version will be presented to the Board at the end of May. The intent will then be to send it out to our members for review over the summer. The two documents will be sent out via email, FPPOA members only page and regular mail (depending on the communication method that has been set-up for you personally).

To ensure that our members are provided an opportunity not only to review the documents, but have a method to provide feedback and/or ask questions, the Document Review Committee telephone numbers will be included, so they may be contacted. All calls or correspondence

from our members will be documented, including the question and the answer provided.

### 2023 Budget

Information was shared at the April Membership Meeting that the Board wanted to spend a little more time reviewing the budget in more detail. The committees have been provided an opportunity to have some additional input into the planning for 2023.

The intent is for the Board to review the updated budget at the end of May and then it will be issued to our members so they have an opportunity to review it over the summer. You will be provided an opportunity to respond with any questions or concerns. In October there will be a Question & Answer Meeting to share the overall direction and reasons for the budget allocations and to answer any additional questions anyone may have. We welcome any input from our members – this is an important piece of the day-to-day running and future development of Forest Park.

Transparency and communication will be key as we share our plans and costs for 2023 and the next few years.

## DEAR FRIENDS.....

George Sullivan, Age 97

George passed away March 17th, 2022.

George (an ex-resident) & his late wife Mary spent many years enjoying the winters here in Forest Park. Neighbors have commented how they loved listening to George's music as he sat out back in the early evenings listening to his radio.

George was a WWII veteran in the Army Air Corp. He was also Commander of American Legion for over 10 years at Taylor Post 200. Member of VFW and different military and civic organizations. George made a lifetime career with State Farm Insurance having over 30 years with their firm.

Our condolences to his family and friends.

Another Poem found by a resident. This is particularly meaningful to recognize all of our Fathers out there on Father's Day.

What is a Father?

Most men can be a Father  
But it takes someone special to be a Dad  
Some make their children happy  
Others make their children sad

Some work very hard  
So the wife and kids have a home  
While others just walk away  
And leave their kids to roam

I hope when my life is over  
Our children will look back and say  
We had a Dad and Mom who  
Tried each day to teach us the right way

And somewhere beyond the grave  
We hope to see them again some day  
Then we can have a big celebration  
In the land so far away

## FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.).

The wristbands are normally available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations.

## HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

## FOREST PARK LADIES BIBLE FELLOWSHIP

"Sisters in Christ" meet every Thursday morning at 10am at the Home Church on 457 Jacaramba Court. We are an inter-denominational group of women who come together to fellowship and study the word of God. Come and experience the joy of the Lord with us!

For further information, please call Laura Esters at 239-210-8010, or Roberta Rizas, group hostess at 732-604-2044.

## RECYCLE BLUE BIN

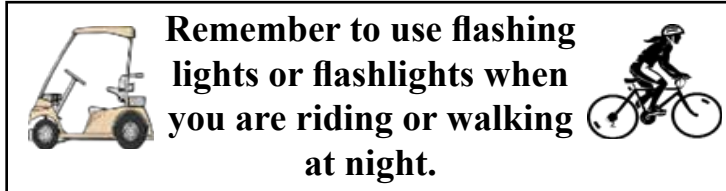

The blue bin is used for all other types of recycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesday only. The recycle truck comes on Fridays.

## ALUMINUM CAN RECYCLE

*By Social Club*

## HOME CHURCH “THE LIGHT”

By Roberta Rizas

Hello Forest Park friends. Welcome to the month of June. Wow lot's to celebrate this month according to my calendar. We have World Oceans Day, Flag Day, Father's Day, First Day of Summer and our daughter's birthday.

So nice to honor our Fathers as we did our Mothers last month. Flag Day is important too. It is a day set aside to designate the flying of our American flag!

We, at our home church, called “The Light” at 457 Jacaramba Court, meet every Sunday at 6pm and welcome all of you to join us as we pray over our flag and our Nation. We ask God to forgive us all our sins and to help us bring love and peace to our Nation.

We would love to meet some of you prayer warriors in our park and invite you with open arms to join us any Sunday night at 6pm. We have been praying for safety and protection for all whom have left the park to head home for the summer. May God bless each of you with a delightful summer and know we look forward to seeing

you again in the fall/winter. Until then, Happy, Happy, all of these holidays in the month of June.

## GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, them scotch tape it there while you are here.

## CRAFT CLUB

By JoEllen Gallant

Happy June!

The ladies have been busy, busy crafting and creating! Most members have left to go home, but Dawn is still leading the group in some creative projects. Some beautiful wreaths, natural arrangements and kitchen angels were all part of the May meetings.

June's classes are going to be exciting! Dawn will be instructing acrylic pouring on glass vases! Each member attending will be able to create their own unique vase. Time permitting some other painting options will be explored. Please follow our Facebook page @Forest Park Craft Club to see the results this new technique!

As always please feel free to drop into the Clubhouse any Wednesday morning from 9am to 11am to see what's going on, we have room for you and would love for you to join us.

Happy Summer Everyone!

JoEllen
