

Membership Survey of the FPPOA

Dear member, your input is vital to help us make decisions that reflect the things that you feel are important to you and your continued enjoyment of our beautiful park.

Please take a few minutes to answer some questions so we can plan for our future.

All returned surveys will be entered in a draw for a \$50 visa gift card. The draw will be made at the February members meeting.

Membership

1. Do you attend membership meetings

Sometimes

Always

Never Why? _____

2. Do you attend the Annual General Meeting (AGM) in January

Sometimes

Always

Never Why? _____

3. Would you attend meetings more often if they were (please check all that apply)

Less frequent

Shorter

Included a social component like a dinner/lunch

Were held at a different time of day

a.m.

p.m.

4. Would you consider being a volunteer and serve on a committee or become a director at some time in the future

Yes call me Name: _____ Number _____

Yes but only if there were not too many meetings Name: _____ Number _____

No not interested

Not at this time, but maybe in the future

Improvement Projects

In the past we have asked the membership to generate a list of projects that will improve our park. These items are then prioritized and researched with the intent to implement if they are viable.

The following items have previously ranked high on the list but have yet to be implemented. They are presented to you with our rationale for inclusion to help you understand your directors thought process.

Please rank them from 1 to 4 with most important being 1 and the least important being 4. This is to help us focus of the budgeting and action priorities for 2019/2020

NOTE: these projects can be done without any special financial assessments. We understand some have been discussed at membership meetings before, but they are relisted as they can come back if the members will it. They do still seem to be important to much of our membership

- Peace Lake tables – A place to sit and enjoy our park and dog walking area.
- New Pool – rationale is that the current pool has size limitations and is currently costly to maintain due to its age. A new pool would be larger, and we could offer a ramp entrance to make it more accessible to our members with mobility issues and sufficient lighting for nighttime use. The size and condition of a pool is a top consideration to a purchaser when looking at purchasing a home in a park like ours so a pool in good repair and with good utility adds value to our homes.
- Marquee Sign – this would make changing the text and highlighting important events much easier to do. In addition, it would draw attention and would be more likely to be seen by us as we come and go in the park.
- Solar pool heater – this was well researched and had a 72% approval rating in our prior survey but was defeated at the meeting. We are offering it again as both a cost-effective improvement and one that is “green” and environmentally responsible

Big Picture Plans

5. It is important for us to vision farther into the future for our park. One suggestion is that we look at the feasibility of converting our primary buildings to Solar Power. Do you agree with our exploration of this option?

Yes

No

6. Do you have other suggestions for future development, improvements or expansion of our facilities and services?

Thank you for your participation. We will draw for the prize at the March members meeting. Please put your name address and phone number below, so we can contact you if you are our lucky winner.

You may send your survey back anonymously, but anonymous surveys cannot be entered in the draw.

Return surveys by fax 239-543-0070 email fppoainc@gmail.com or in person to the office by January 31st 2019
