HAPPY MOTHER'S DAY

SATURDAY NIGHT DANCE

By: Delores Holmes

The last Saturday night dance in Forest Park was held on March 30th. Our host for the dance was the "Neighborhood Watch" who had a Sock Hop theme. Lots of ladies were dressed in rolled up jeans, white blouses and bobby socks. One gal, Jo Ann Gagner was really dressed in the 50's look with her pink blouse, a poodle skirt and saddle shoes. All the fellows wore their white tee shirts and jeans; however, they didn't wrap any of their cigarette packs into their sleeves. One fellow wore his white shoes and polyester pants. Richard Gagner placed his fabulous 50's hair wig onto Dick Schuren's head. Then, Dick turned into a twirling, twisting, dancing personality with the ladies.

Our entertainers for the evening were Cheri and Neil who played music that was pertinent in the 50's. Cheri even showed our dancers how to line dance to the Cuban Shuffle. During the decorating of the clubhouse, Richard

Gagner melted old records and fashioned them into bowls that held popcorn and pretzels. The directions that he used are posted on the clubhouse board. There were lottery tickets given out as gift certificates, a liquor basket raffle and the 50/50 raffle. Everyone had an enjoyable time.

KOFFEE KLATSCH

By: Delores Holmes

Mary Ann Scanlon and Allie Williamson from Calusa Harbor were our speakers for the last Koffee Klatsch until December. They told about the difference between independent living arrangements versus a skilled care program. An independent living apartment has various floor plans that you may choose. At Calusa, an independent living arrangement includes housekeeping, 2 meals per day and transportation. They have a variety of activities that residents can participate in.

An interesting tip was that you could rent an apartment that includes all their amenities for a few months. Another option was that a person could purchase an assisted living apartment for your own personal respite or rehabilitation care program. Then, you would have help with all your care from personal bathing, medicine, nursing or anything specific that your doctor had ordered. There is a nurse on call 24 hours a day and they have 3 Doctors at their facility.

A discussion about various types of payments that is allowed by Medicare concluded their program. It was a very informative program to listen to because you have to begin to think about this type of living arrangement in the future for everyone.

WE ALL SCREAMED FOR ICE CREAM

*By: Delores Holmes, President
and Joyce Hines, Secretary*

*"I SCREAM, YOU SCREAM,
WE ALL SCREAM FOR ICE CREAM!"*

And that is what over 65 members of the Social Club did on Thursday, April 11th! It was a hot, humid evening, just the perfect night for our April Ice Cream Social. Banana splits and sundaes were served to those attending by several Social Club members. In addition to the 50-50 won by Bob Howe, a beautiful painting by Betty Leis, was raffled off by the Art Club. Betty has been the Art Club's instructor for many years. Peg Hull was the lucky recipient! A hearty thanks to Janet Brewer, who played the piano while everyone ate and socialized. The evening was reminiscent of days gone by! It was a great way to end our busy winter season.

Just a reminder to the park...everyone in the park is automatically a member of the Social Club. The Social Club sponsors several events along with helping to finance many other activities. This is YOUR CLUB! We need your support and "occasionally" your help! We are looking forward to a fun-packed year to come.

By now, most of us northern snow birds have made the trek back up north to our other homes or are about to leave soon. All Forest Park activities are over until we come down in November or December. Some card players who live here all summer still enjoy playing cards. The quilt ladies call themselves the "Leftovers" and get together all summer on Thursday morning. BINGO players meet all year also. Our newsletter is being published all year round. To you summer residents, if you hear of other Forest Park Residents having an exciting adventure this summer, please write an article and email it to fpnews2013@gmail.com. Even you, snow birds that have an exciting adventure this summer; you can also email an article to the newsletter. Be sure to read the newsletter at forestparkonline.com. Have a Great Summer!!

As most of us prepare to leave the park for the summer months, the Forest Park Newsletter will continue every month all year long. Please send your email articles, recipes, jokes etc. to me at fpnews2013@gmail.com. The April newsletter will be the last issue that will be delivered to your homes. During the summer months, you can pick up your newsletter in the office. Once the newsletter is posted to the web you can view it at www.forestparkonline.com and click on the "News" tab to read it in full color.

Hope everyone has a healthy, safe and happy summer. Please keep those articles, recipes, pictures and jokes coming during the summer months! Next year the "Choraleers" hope to add to their numbers. If you are interested in joining us, you need only to be willing to work and love to sing! Our first rehearsal is tentatively planned for the first Tuesday after New Year's which will be January 7th. We meet at the clubhouse every Tuesday at 1:00 p.m. Just show up and you will be welcomed with open arms and a loud "do...re...me"!

ST. PATTY'S DAY REVISITED

By: Jack & Judy Watson

Our traditional yearly St. Patrick's Day functions we're a great success again this year. Thanks to all who attended the corned beef dinner and enjoyed the "Bayshore Cloggers" after dinner show. As always, the food was delicious and the Cloggers were fantastic.

The morning started off with free coffee and donuts, Irish music, lots of green and shared fun between friends. At 10:00am, the annual parade kicked off thanks to Bo & Betty McClain for organizing it and all who decorated their golf carts and bikes. The tour of the park gave the locals a lot of joy and happiness. Candy and necklaces were tossed out to the residents cheering us on.

We want to thank all who helped to make this day happen:

PINE TREE KNOTS QUILT CLUB

By: Gail Ford

Our “Snow Bird” quilters are slowly leaving for their Northern homes. Those who live in Forest Park will continue to meet on Thursday mornings from 9am till 10:30am.

Our Spring luncheon was held at “Ruby Tuesday’s” restaurant and all had a lovely time. The Spring luncheon committee surprised everyone with a quilted sewing machine pad, handmade paper weights of Easter animals and a prescription bottle of “Vitamin Q” – the ultimate therapy for Quilters prescribed by Dr. Fat Quarter. Great job Spring luncheon committee!

Janet Irwin demonstrated the art of making mitered corners. This technique is used in constructing “The Attic Window” wall hanging and the borders in quilts.

Everyone is encouraged to bring ideas for next season’s quilt club meetings.

Quilt club continues every Thursday from 9 -10:30am throughout the summer months. We call them the “leftovers” and they work hard making special quilted items. Everyone is welcome.

ART CLASSES

By: Jack Watson

Art classes finished on April 8th Our 2014 season will start on January 6, 2014 at 9:00am in the Activity Building. Any questions over the summer, please

We'd like to make a request of all retired artists who still might have supplies i.e., brushes, paints, canvases, easels etc., kicking around at home and unused. We want to start a small supply for people who want to try their talent, but want to invest a great sum of money until they are sure they wanted to continue with the class. Please give, Betty Leis, a call and she will pick up your supplies. Thanks to all for a great year and lots of fun. Best Wishes for a restful and healthy summer.

COMPUTER CLUB

By: Sherrill Wright

Recycle: Don't throw away your used ink cartridges! I can take them to Office Max and get a credit for them, which are then donated back to the Computer Club. There is a collection container on the Activity room counter.

The Computer Club will meet on April 11th for its last meeting until the fall. We are a group of friendly people who meet every Thursday, 2 - 4 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, YOU ARE WHO WE NEED IN OUR CLUB! Please come and join the group. Membership costs \$10/household per winter season. We take a break and have coffee and cookies around 3 PM to socialize. Most members use Windows, but some use Macs or Linux and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or we focus on a particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation, to assist if professional help is needed.

If you have a particular interest, a new piece of equipment like an iPad or similar tablet or I-Phone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be visiting. Also, if you have a particular need, or problem that you would like help with, please come along and join us, but let us know in advance so we can schedule it on that week's meeting. Contact Sherrill or John Wright @ 239.731.7524, email fpclub@yahoo.com

F.P.P.O.A. BOARD NEWS

PRESIDENT'S MESSAGE

By: Bob Dickerson, President FPPOA

Let me start by thanking everyone for the thoughts, prayers, and support we received during Wanda's recent ordeal. She is home, doing very well, and already looking forward to next season.

Well, as I have said, the membership is the ultimate authority in Forest Park. You have spoken and I fully accept your decision on the hobby building. I just hope that your decision was not based on the misleading and erroneous talk and emails, which were going around about insurance costs etc. Our insurance agent came to the last Board meeting and gave us his opinion, which refuted the rumors you no doubt had heard. If you choose not to believe me, go on our website and listen to him for yourself. In any case the hobby or "multipurpose building", which I preferred to call it, has been defeated, so I will put that behind me.

The Putt Putt and Peace Lake initiative were both narrowly passed, but then narrowly has little meaning in a democracy. The majority of those voting, voted in favor of both and so we are proceeding toward implementation.

The well and irrigation system for the Peace Lake area should be completed before next fall. This will set the groundwork for the gradual beautification of the area to begin.

The Putt Putt course requires more preliminary work prior to construction. A revision of our "Development Plan" must be submitted to the County for approval. The preliminary plan calls for the course to be constructed either in the area adjacent to the maintenance building or in the back section close to Timber Lane where a boat and RV storage existed in the past. The location by the maintenance building would require approximately five trees to be removed to eliminate the problems of sap and pine cones continually dropping on the course. This will also require approval from the County and no doubt replanting of an equal number of trees. Then bids must be secured and a contractor chosen. We hope to have this preliminary work done this summer and be ready for construction in the fall. Assuming that the County will approve both locations, the Board of Directors voted at

today's meeting (4-11-13) to take the decision on location to the Membership for a vote in the fall, probably in November. If only one site is acceptable to the County, there will be no need for a vote by the membership. Once a site is selected, construction should go very quickly and hopefully by the end of the year you will be able to start swinging (or nudging).

We will keep you updated throughout the summer in the newsletter which will be issued every month.

I hope you all have a good summer as I intend to do here, the good Lord willing.

GOVERNING DOCUMENTS

BOOKLET

By: Bob Lang, Secretary

By the time that you read this you should have already received a copy of Forest Park's governing documents if you attended the April General Membership Meeting. It is our plan to give them out to every red card holder who presents them self at the door for registration at that meeting. We will continue with this effort in the fall by giving a booklet to arriving (back) snowbirds when they check in with the Office. If we miss any, they can simply

request a copy from the Office.

The new booklet contains a copy of the Articles of Incorporation with amendments because it was felt that this important document should also be in the hands of all members.

These have been done in a new format so that whenever a section has changes, its few, new pages need only to be reproduced with the current revision date, and the section can be replaced by the member without the need for reproducing a completely new booklet. When you attempt to replace a section you will notice that the section has been compiled as a unit and the pages are stapled together. This has been done for a reason. And that reason is simplicity, less pages to reproduce, less margin for error if pages were to be replaced one at a time.

The only changes in these documents are these:

1. The By-Law changes approved at the March 28th meeting are included.
2. The "2 carport sales per year" approval by the Board & Membership was included. It had not been changed from the previous printing.
3. Several minor typos were corrected as was the number & letter designation of paragraphs to facilitate a better flow of content. (Note that in earlier copies the pool rules were inserted before the Rules & Regulations paragraphs had ended.) This has since been corrected.

If you have this booklet, you now have the most current copy. You can destroy all previous copies of a "green" book (and any other color that you may have been using).

ALUMINUM CAN RE-CYCLE

By: Mary Beth Schleter

Please remember to put your washed out and dried out aluminum cans in a bag and place **UNDER YOUR MAILBOX** Monday evening for early Tuesday morning pick up. Make sure cans are rinsed and clean and **DRY**. Please place away from trash cans/bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue tote bins. There is a little green tree sticker available in the office that goes on the back window of your car. All residents with automobiles should have this highly visible authorization to be in the Park. THANK YOU

By: Mary Diaz & BOD

We are forever thankful for our dedicated team of volunteers for their countless hours in the Forest Park office during the peak season. The volunteers have significantly contributed to the smooth operation of the office, always ready with a smile and a helping hand and assisting with special projects. We would like to convey our gratitude to Wanda Dickerson, Moni Small, Sherrill Wright, Edie Hosey, Pat Schuren, Diane Price and Sharon Goudy. We are grateful for whom they are, for what they mean to us and for the effort they have freely given to Forest Park.

THANK YOU

By: Tom & Renee Treece

"She would have loved it!" I kept hearing that phrase repeated by so many of you after the special memorial service we conducted for my sister, Janet Rutledge, on Palm Sunday, March 24th. And while the reason for the service was sad, it was heartwarming to see how many of you turned out (over 100) to help us honor her memory and celebrate her life.

We enjoyed sharing the meal together and especially loved hearing the funny stories many of you shared about your time together during the past eight years with her here in the park.

So, on behalf of Janet's children, grandchildren, and the great-granddaughter who brought such joy to her final days, Renee and I want to thank you for taking time from your schedules to attend. We especially want to thank the Craft Club, the Social Club, all who brought food or helped in any way and we send best wishes for God's richest blessings to each of you and all those you love.
