By: Dick Gagner

On November 11th we will honor our Veterans with a parade and ceremony followed by a luncheon. The honor guard and participants will assemble at Forest Park Drive and Knotty Pine Circle at 11:15 AM. The parade will begin at 11:30, followed by a ceremony at the clubhouse. Everyone is welcome and encouraged to decorate your golf carts, bikes and yourselves and participate in the parade. It would be a wonderful tribute to line Forest Park Drive as we proceed to the clubhouse. Following the ceremony, the Social Club has once again invited our veterans, their spouses and surviving spouses to come together and enjoy a free lunch. Please remember to sign up on the sheet in the back of the clubhouse (on the window ledge) so the Social Club will know how many people they will be serving.

CHRISTMAS CHEER

By: Nancy Cooper

Each year in Forest Park many residents receive a Christmas Gift of Cheer. Some folks receive flowers, some folks receive fruit and cookies and some folks receive baskets of food. These gifts are given thanks to the generosity of Park clubs and individuals. The idea for the cheer packages came about several years ago when Joan King, then President of the Northeast Club, wanted to do something for our residents. Since that time, several 100 residents have been visited by the merry gift givers who deliver the baskets of cheer. This is truly one of the nicest events in the Park and one we look forward to doing each year.

The committee will be meeting in November to make up a list of folks needing some Christmas cheer. The belief of this committee is that financial means do not determine which residents receive a gift. Some of the richest people in the world sometimes need to know others care about them. With that in mind, we seek to reach out to folks who are sick, supporting an ill or ailing loved one, are unable to get out of their homes due to injury or illness or have had a loved one pass away in 2013. We also celebrate our oldest residents by giving chocolates to folks 90 years of age and older.

If you know of someone who could use some cheer or if you would like to donate to the fund, please let us know. We are not affiliated with FPPOA so we do not receive any money from the Association nor are we a part of any club. We are a group of individuals who care about you and are supported by the Social Club, the Northeast Club, the Craft Ladies, the Quilt Club and residents of Forest Park. We thank you all for your continued support and look forward to loading up our golf carts and passing out the gifts of Christmas cheer.

BID EUCHRE

By: Madaline Preston

We have Bid Euchre every Wednesday & Saturday at 6:30pm in the Clubhouse unless there is another activity going on in there. We then play in the Activity Building. We have several new players and would like to have many more join in on the fun.

FOREST PARK BOOK GROUP

By: Joan King

The FOREST PARK BOOK GROUP will not meet in November. Our first meeting of the 2013-2014 season will be in December on the 3rd Friday, December 20th at 1:00 p.m. in the Activities Building. We will meet a week earlier than usual because of the holidays. Let's try reading the classic THE GREAT GATSBY by F. Scott Fitzgerald. There have been movies made of the book, one in 1978 and a recent one in 2013. We'll watch one of those movies sometime this winter and compare the book and the movie and see if a book written so long ago is relevant today. Copies are available at the library or from Joan in December.

We're going to hold another Chinese Auction in March, 2014. This will be a combined show with the Art Class and the Knit & Crochet Club. Be sure to save the date. Please watch for more information to come in future newsletters.

NEIGHBORHOOD WATCH/PATROL (NWP)

By: Lou Smith

As the Snowbirds return to our Park so do the solicitors and scammers. Be careful. Do not become a victim. The next Neighborhood Watch meeting will be Wednesday, November 13 at 10 AM in the Activities Building. If you would like to be put on the nightly patrol schedule, please contact Becky Conrad. Looking forward to seeing you.

I just received some information that a lot of residents are probably not aware of. A resident in FP discovered the back window of her car smashed out. Possible vandalism, but another resident said it happened to her car and was caused by the extreme heat we get here, and blew her window out. It was suggested that we crack our car window slightly to prevent this from happening.

ART CLASSES

By: Jack Watson

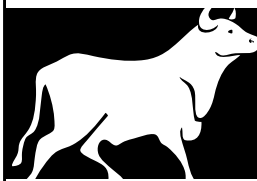

Art Class will start on Monday, January 6, 2014 @ 9:00 am in the Activities Bldg. Cost is still \$10.00 per class payable upfront. Supplies will be available for first timers. Class will meet every Monday from 9am to 12 noon through the end of March. Any questions call Betty Leis @ 239-997-1880

RED HAT LADIES

By: Delores Holmes

"Tea Time at the Wisteria"

We are going to the Wisteria Tea Room and Café on Monday, November 25th at 12:30PM. In a Florida bungalow, we will be making fond memories of drinking teas with our friends. Besides the various teas, the tea room serves a variety of Garden Salads and Specialty Sandwiches.

You need to make your reservation by November 23rd. Our host is Betty Campbell and her telephone number is 239-567-1428.

CRAFT CLUB

By: Wanda Dickerson

Welcome back to another season and hope everyone had a great and happy summer. The Craft ladies have been meeting all summer and soon we hope to have all or at least most of our regular members back. Hopefully everyone has been keeping an eye out for a few new ideas for our members; I have a few of my own. If you would like to join us we meet every Wednesday at the Club House from 9:00 am until 11:00 am. We hope you will come out, meet a lot of great ladies and have a great time.

COMPUTER CLUB

By: Sherrill Wright

Recycle: Don't throw away your used ink cartridges! I can take them to Office Max and get a credit for them, which is then donated back to the Computer Club. There is a collection container on the Activity room counter.

The Computer Club is a group of friendly people who meet every Thursday, 2 - 4 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, **YOU ARE WHO WE NEED IN OUR CLUB!** Please come and join the group. Membership costs \$10/household per winter season. We take a break and have coffee and cookies around 3 PM to socialize. Most members use Windows, but some use Macs or Linux and most software programs are compatible with each system. Each week, we usually

have a person show something they are experienced in, or we focus on a particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation, to assist if professional help is needed.

If you have a particular interest, a new piece of equipment like an iPad or similar tablet or I-Phone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be visiting. Also, if you have a particular need, or problem that you would like help with, please come along and join us, but let us know in advance so we can schedule it on that week's meeting. Contact Sherrill or John Wright @ 239.731.7524, email fpcclub@yahoo.com. Watch for the starting date in next month's newsletter.

F.P.P.O.A. BOARD NEWS

PRESIDENT'S MESSAGE

By: Bob Dickerson, President FPPOA

Fall is here, the weather is crisp, the leaves are turning and falling, and I have much work to do in preparing for returning to our winter haven. We will be flying this year so the biggest challenge is condensing everything we used to haul down in our motor home, into two suitcases! But I am sure the Boss will manage.

We will not be down in time for the October membership meeting but Betty will do just fine without me. One of the items on the agenda will be the announcement of the names of the Nominating (election) Committee for the next year as required by our By-Laws.

The November meeting will have the following items to consider.

1. The miniature golf course plans will hopefully be finalized for your consideration. We will talk with the County Building Department in early November. We have two potential locations for consideration, the site by the Maintenance shed, and the site west of the former course. If the Building Department tells us that either site is acceptable, we will let you decide at the November meeting. If only one is acceptable, no vote will be needed since you approved the project, in general, last spring. In any case, we hope to have the details ready to present to you.

2. There was much ado about the ducks making a mess this summer, which resulted in Legal action by one of our members and the necessity of a response by our Attorney. A recent report by one of our Board Members indicated that only a small number of the ducks were seen. Is this a problem to be addressed with extermination or is it just a nuisance, which we can live with? We will discuss it at the meeting.

3. We have had a verbal offer from Comcast (soon to be followed with contractual details) to upgrade their equipment so that they can begin marketing their service again in Forest Park. For our approval to allow them access to the park, they will give us a one-time payment of \$45,000. There would be no obligation for anyone to buy their service, but an upgraded product would eventually be available for individual consideration. I will send copies of the proposed contract to John Wright and Jim

Ullrey, who have been working on this for some time, and to our Attorney to study. It will then be reviewed by the Board of Directors and reported for your review, hopefully at the November meeting.

4. Don't forget that we have elections coming up in January. Bob Lang, our Secretary will be talking about the absentee ballots procedure.

Please also remember that we the membership actually "manage" the park. While most other parks have highly paid managers, we never have and therefore are debt free with a sizable reserve to pay for any future maintenance or other contingencies. This is a considerable obligation for us seniors who for the most part are retired and want to relax. On the other hand it can be very interesting and rewarding. I encourage any of you who have an interest and or background, which could be useful in the parks management, to consider getting involved. All of the Officer positions are up for election in January and I believe two Director Positions. If you do not care to get that involved, at least attend the Membership and Board meetings. And if you are unable to attend the meetings you can watch them on our website, forestparkonline.com.

Looking forward to seeing you all very soon,
Bob Dickerson, President FPPOA.

2013 FPPOA GOVERNING DOCUMENTS

By: Bob Lang

If you didn't get the updated 2013 FPPOA Governing Documents which were distributed at the April Membership Meeting, please pick up a copy in the Office when you check in. (one copy per household). All prior versions can be destroyed.

FPPOA WANTS YOU!

By: Mary Diaz

Are you concerned about the welfare of Forest Park? Do you have past experience, qualifications or expertise which would be useful in helping to manage our park? Can you provide a fresh perspective on issues facing our community? Have you ever considered getting involved and serving on the Board of Directors or a Committee? The health of your investment—your home & your park—is really impacted by the decisions the Board of Directors makes.

You can make a difference! Your participation ensures the ability of our park to achieve significant cost savings through self management by an all volunteer board rather than the services of a management company. A self managed park also retains more control over day-to-day operations.

The current terms of all of our officers and 3 directors are expiring in January (with 2 of the 3 directorships to be filled), and the election is scheduled for January 9, 2014. If you are interested in running for the Forest Park Board of Directors, the only requirement is that you be a member in good standing and have a desire to serve. Please fill out the application in this newsletter or contact the office to obtain a form.

The nominating committee consisting of Delores Holmes (Chairperson), Betty Hult, Dale Monette, Ray Preston & Monica Small, as well as our Board members are available for any questions that you may have.

**HAPPY THANKSGIVING
TO EVERYONE**

By: Mary Beth Schleter

Please remember to put your washed out and dried out aluminum cans in a bag and place UNDER YOUR MAILBOX Monday evening for early Tuesday morning pick up. Make sure cans are rinsed and clean and DRY. Please place away from trash cans/bags. DO NOT place plastic, glass or metal cans in the bag. Those go in the blue tote bins. Money collected for can recycle helps pay some of the costs of Social Club activities. So, it benefits all residents of Forest Park.

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the back window of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are a temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

BLUE BARREL RE-CYCLE

The blue barrel is used for all other types of re-cycling such as paper, metal, plastic, etc. This is a separate program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

In the clubhouse there is a Resource Book which has been put together by members of Forest Park. These are referrals or warnings of how outside vendors have performed in the Park. Before you hire someone, please check the book to see if someone in the park has used that particular company or person. If you would like to add a name or business you may do so.

CONGRATULATIONS

By: Mary Diaz

Congratulations to our maintenance employee, Dan Hovey, who won a 32" flat screen HD TV from Vickie's Deli. Our maintenance crew enjoys the NY style subs from Vickie's Deli which is located just around the corner at the bend on Hart Road. Vickie's has a monthly prize. Drawings are in appreciation for customers who come in.

EXERCISE PROGRAM

RECOMMENDED FOR "KIDS" OF ANY AGE!

Please join us beginning in November on Tuesday and Saturday mornings at 9:00 am in the clubhouse for a fun, easy exercise program.

Bring a small hand weight or even a can of soup to use to build muscle. Also bring a small pillow.

EASY WATER EXERCISE

Most of the water exercises are the same as the Tuesday & Saturday exercises, except they are done in the pool. This means less stress on joints plus we get those healthy rays of sunshine at the same time. We have a great time exercising and catching up on the latest in Forest Park. Please come join us beginning in November from 10:30 am to 11:30 am Monday-Friday at the pool. The pool is limited to 18 persons in the pool at any one time so come early to insure your spot. Exercises are also subject to weather cooperating.

U just gotta love the Irish.....

IRISHMEN

One morning, three Irishmen and three Englishmen were in a ticket counter queue at a train station.

The three Englishmen each bought a ticket and watched as the three Irishmen bought just one ticket.

"How are the three of you going to travel on only one ticket?" asked one of the Englishmen.

"Be watchin and learnin," answered one of the Irishmen.

All six boarded the train where the three Englishmen sat down, but the three Irishmen crammed into a toilet together and closed the door.

Shortly after the train departed, the conductor came around to collect tickets.

He knocked on the toilet door and said, "Ticket, please."

The door opened just a crack and a single arm emerged with a ticket in hand.

The conductor took it and moved on.

The Englishmen saw this happen and agreed it was quite a clever idea.

Indeed, so clever they decided to do the same thing on the return trip and save some money.

That afternoon when they got back to the station, they bought a single ticket for the return trip and watched, while to their astonishment, the three Irishmen didn't buy even one ticket!

"How are you going to travel without a ticket?" asked a perplexed Englishman.

"Be watchin and learnin", answered the three Irish boys in unison.

When they boarded the train, the three Englishmen crammed themselves into a toilet and the three Irishmen crammed into another toilet just down the way.

Shortly after the train began to move, one of the Irishmen left the toilet and walked over to the toilet in which the Englishmen were hiding.

The Irishman knocked on the door and said, "Ticket, please."
