NOTICE TO LEE COUNTY UTILITIES CUSTOMERS

From: Cliff and Sue Brant

When I went to the Lee County Utilities web-site to turn off my water for the summer, I saw the notification below. Have a nice summer! Cliff & Sue Brant.

NOTICE TO LEE COUNTY UTILITIES CUSTOMERS
Lee County Utilities will be temporarily converting its disinfectant process from chloramines to free chlorine residuals from May 1st through May 29th, 2014.

This is a routine measure that is common for water utilities using chloramines as its primary disinfectant.

Anyone who uses a kidney dialysis machine at home should contact his or her equipment supplier so the proper filtering equipment may be installed.

Tropical fish or aquatic animal owners should contact a local tropical fish store for appropriate pretreatment of water before adding water to tanks.

Customers may notice a temporary change in the taste, odor, and color of the water, which is not harmful.

Again, this is a routine precautionary measure to ensure

our customers of clean, safe potable water.

Please feel free to contact our office during regular business hours at 239-533-8845, if you have any questions.

MAINTENANCE FEE LATE CHARGES

EFFECTIVE APRIL 1, 2014

By: Diane Price

If you pay your maintenance fees by the month:

All maintenance fees are due on the first of each month. If you are thirty (30) days past due, you will be notified by the Board and a delinquent charge of \$5.00 will be added to your account. If the account becomes forty five (45) days past due, the Board will send a certified letter stating that you have ten (10) days to pay in full or a lien will be placed upon your property.

Example: Your monthly payment is due on April 1st. On April 30th your account is past due. On May 1st, you will be charged a late fee of \$5.00.

This action has become necessary in fairness to the majority of property owners that keep their account current. The delinquent charge is assessed in accordance with our Deed of Restrictions. Please contact our office or the Board Secretary, Diane Price, with any questions, concerns or payment plan needs.

HAPPY ANNIVERSARY

75th Wedding Anniversary *By: Shirley Van Zile*

This July 1st will be the 75th Wedding Anniversary of
Ralph (Ray) and Elosie Reim.
They lived in Forest Park for 35 years. Their address is:

Cedar Creek Commons, Apt.207
12047 Elk Run Road
Traverse City, Michigan 49684

I'm sure they would love to hear from their friends in
Forest Park.

BINGO *By: Anne Domingos*

Please joins us on Tuesdays at 6:45pm for 7:00pm
Bingo in the clubhouse each week. Cards are \$.50 with
a minimum purchase of four cards. Night Owl cards are
25 cents. All three Bingo's go all year round. Check your
calendar in the newsletter each month.

The Social Club would like to express our Thanks to Ann
Domingos for all her years of service.

Bob Swift and Ann moved into 408 Timberland in 2005.
Ann started crushing the aluminum cans for the park in
2007. After seven years of crushing the cans, Ann decided
to "retire" from the job. After the cans are collected on
Tuesday, Ann starts to crush the cans. Lots of times, she
finds really gross stuff left inside the cans. Examples,
tobacco spit, cigarette butts, insects because the cans
were not rinsed out and turned over to dry.

Ann is still very busy in our park. She is the BINGO
coordinator. Every Tuesday Evening, she is setting up the
BINGO equipment, counting and separating the money
that is collected and distributes the money to the winners
of each game.

She puts the announcement on the marquee for the Blood
Pressure Clinic. On the 3rd Tuesday (Blood Pressure
Date) of each month at 9 AM . She does the registration
of people who want their blood pressure taken.

Tuesday and Saturday's at 1 o'clock, you will find her
participating in change BINGO.

If you can follow her schedule on a given 3rd Tuesday of
each month : 9 AM, she did the registration of people for
their blood pressure, 11 AM, went and crushed aluminum
cans; then at 6 PM she went to coordinate BINGO. What
a hectic day!!

This is the epitome of volunteerism for Forest Park. Social
Club and Forest Park residents express our gratitude to
you for your many years of service for our park. Enjoy
your time in our park!!
THANK YOU ANN.

KARAOKE

The third Monday of each month at 6:00
pm the clubhouse comes alive with the
sound of music. Join in or just listen. Both
actions are welcome. There has been some
interest in having karaoke the first and the
third Monday's during the summer. Check the marquee
and the newsletter for dates during the summer months.

PINE TREE KNOTS QUILT CLUB

By: Gail Ford

Our Chinese Auction and Quilt raffle was a huge success on March 23rd. Our club members made many lovely hand made items that were auctioned off. Polly Naylor made the Queen size raffle quilt and Karen Weaver was the happy winner (see picture below). Mary Barley (see picture below) surprised us all by showing up from PA. Mary was a former Pine Tree Knots Quilter (who lived in Forest Park for many years). The Knit and Crochet club donated knitted sweaters and afghans to our sale. We appreciated their generous donations. The Art Class displayed their paintings and Betty Leis brought in a lot of her paintings for sale. We all enjoyed the homemade refreshments while the Chinese Auction was being held. If you haven't been to one of our Chinese Actions, please save the date on your calendar for next year. It will be held on March 8, 2015. Watch your newsletters for more information to follow.

The Pine Tree Knots Quilting Club meet all summer every Thursday morning from 9 - 11am in the clubhouse. We've already made 400 Christmas handouts for the meals on wheels program for next year.

FOREST PARK NEWSLETTER RUNS ALL SUMMER

By: Judy Watson

While everyone is getting ready to leave the park for their summer homes, please be aware that the newsletter continues to run every month all summer long. The advertisements you find in the newsletters pays for all of our newsletters to be printed at no cost to us.

During the summer months, when the newsletters arrive in the office at the end of each month, watch the marquee for the newsletters to be picked up in the Clubhouse and the Activity Building. They will not be delivered to your home during the summer months, you will need to stop and pick up your copy.

If you have any special events or places you are visiting this summer, or if something exciting happens wherever your travels take you and you'd like to share it with your Forest Park friends, please email me at: www.forestpark2013@gmail.com. If you'd like to attach a picture of your vacation place and a short story, please do so and I'll try to get it in the newsletter during the summer months.

Have a safe and happy summer and look forward to seeing everyone in the fall.

NORTHEAST CLUB

By: Judy Watson

Our last get together before the summer was a picnic that included a hamburger/cheeseburger, coleslaw, Boston baked beans, chips, beverage and hot fudge sundaes for dessert. After dinner, we played a few games, one with balloons blown up and Bob Howe and Peg Hull were hysterically funny.

Then they held an Easter Egg Hunt and we all got our own Easter Basket filled with jelly beans and candy. As usual, Nancy outdid herself and provided yet another fun filled evening for the Northeast Club. Thank you, Nancy, and all your volunteers, for all you do to make our Club have so much fun.

Have a safe and restful summer and see everyone in the fall.

ART CLASSES

By: Jack Watson

We had a fun year but it's time for summer break. Classes will resume on Monday, January 5th at 9am in the Activities Building. Don't be shy or feel your talent will be lacking. Come down and see how good you really are. Classes are every Monday morning from January through April at 9 to noon. Cost is \$10.00 per class. We have equipment to loan to the first timers to see how they like it. Our teacher is Betty Leis, a professional artist, and she is available for any questions at 239-997-1880. Classes are not limited to just Forest Park residents. All can attend and hope to see you in January.

CRAFT CLUB

By: June Kearschner

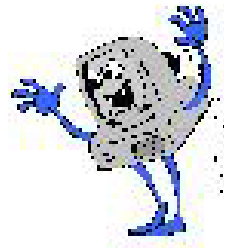

New officers were elected in April. They are June Kearschner, president, Nancy Lawrence, vice-president, Dena Samm, secretary and Diann Power, treasurer.

Our last meeting this season will be April 16th. Crafts will begin next season on October 15th. Come and join us. We meet every Wednesday at 9am in the club house.

COMPUTER CLUB

By: Sherrill Wright

Recycle: Don't throw away your used ink cartridges! I can take them to Office Max and get a credit for them, which are then donated back to the Computer Club. There is a collection container on the Activity room counter.

The Computer Club is over for now and anticipates resuming our group meetings on November 20, 2014. The Computer Club is a group of friendly people who meet every Thursday, 2 - 4 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, YOU ARE WHO WE NEED IN OUR CLUB! Please come and join the group. Membership costs \$10/household per winter season. We take a break and have coffee and cookies around 3 PM to socialize. Most members use Windows, but some use Macs or Linux and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or we focus on a particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation, to assist if professional help is needed.

If you have a particular interest, a new piece of equipment like an iPad or similar tablet or I-Phone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be visiting. Also, if you have a particular need, or problem that you would like help with, please come along and join us, but let us know in advance so we can schedule it on that week's meeting. Contact Sherrill or John Wright @ 239.731.7524, email fpclub@yahoo.com.

RESOURCE BOOK

In the clubhouse there is a Resource Book which has been put together by members of Forest Park. These are referrals or warnings of how outside vendors have performed in the Park. Before you hire someone, please check the book to see if someone in the park has used that particular company or person. If you would like to add a name or business you may do so.

GROUND

By: Jack Watson

The north fence line of the park is totally overgrown with tree branches and vines. We will be doing a major trimming this summer and a note to residents who have planted trees on the fence line. They will also be trimmed as best we can.

The front entrance is currently being worked on. The Leitner Electricians have trenched, piped, and installed wire for an underground tie in to power. Application has been made to LCEC to remove the old light pole behind the monument and tie the power to the new connection. This should not take long and once done, the flags will again fly with lights illuminating them at night time.

MEET YOUR BOARD MEMBERS

By: Tom Treece

To those who do not know him yet, allow me to introduce you to Lee Fisher, the Second Vice President of our Forest Park Board of Directors. Lee and his wife, Bette, live at 307 Shrub Lane South and have lived in our beautiful community for 10 years.

Born and raised on a farm in Indianola, Illinois, Lee makes his summer home in Champaign, Illinois. He and Bette are parents to six children, 10 grandchildren and 10 great-grandchildren.

Even Lee's close friends might not know that he spent time in the US Air Force ROTC program, and, had the distinction of being a candidate for the US Military Academy at West Point.

Fortunately for students in Illinois, Lee instead earned a Master of Science Degree in Education from

Eastern Illinois University and taught junior high school science; he also coached girl's basketball.

Teaching is only part of Lee's extensive resume, however, as he also served as Administrator for the Illinois Welfare Department. He also was a farm administrator, a Real Estate appraiser, and, with Banking and Investments also in his resume, it's easy to see why our president picked Lee to serve on our Insurance and Banking Committee.

Lee is active in the McGregor Baptist Church where he serves as an administrator and teaches Sunday school. The Elks and Masons member is also a member of our Social Club and sings with our Forest Park choral group.

Lee cites the warm weather and the close proximity to a granddaughter that brought him and Bette to our area. What he likes most about living in Forest Park is the "friendly people, our choral group, Karaoke, special music and speakers at church and music in the park."

When asked what changes he would like to see, Lee answered, "More skilled residents willing to help by serving on the board or committees." When I asked about any life philosophies, he answered, "Live by the Golden Rule and always consider your glass half full." Great suggestions for all to live by!

We in Forest Park are blessed to have this man of integrity and skills helping conduct business on our behalf, and we thank him - and all the others - for their service to our board.

Lee Fisher

EXERCISE PROGRAM

RECOMMENDED FOR "KIDS" OF ANY AGE!

Please join us beginning in November on Tuesday and Saturday mornings at 9:00 am in the clubhouse for a fun, easy exercise program.

Bring a small hand weight or even a can of soup to use to build muscle. Also bring a small pillow.

EASY WATER EXERCISE

Most of the water exercises are the same as the Tuesday & Saturday exercises, except they are done in the pool. This means less stress on joints plus we get those healthy rays of sunshine at the same time. We have a great time exercising and catching up on the latest in Forest Park. Classes run from 10:30 to 11:30 a.m. Monday-Friday at the pool and start in the fall through the spring. Exercises are also subject to weather cooperating.

ALUMINUM CAN RE-CYCLE

By: Social Club

Please remember to put your washed out and dried out aluminum cans in a bag and place **UNDER YOUR MAILBOX** early Tuesday morning for pick up. Make sure cans are rinsed and clean and **DRY**. Please place away from trash cans/bags. DO NOT place plastic, glass or metal cans in the bag. Those go in the blue tote bins. Money collected for can recycle helps pay some of the costs of Social Club activities. So, it benefits all residents of Forest Park. Don Brooks is collecting the aluminum cans now.

Please place your aluminum cans out near your mailbox either Monday night or very early on Tuesday morning. Don Brooks, our summer collector of cans, starts to pick up the cans at **8 AM** on Tuesday Morning.

Social Club has a new aluminum can crusher, Cheryl O'Loughlin. In order to make the job easier for her, we are asking that you take the tabs off your cans. It takes as long as to take the tabs off the cans as it does to run the crushing machine.

You take the tabs off and bag them; when you get your bag full; then you can bring the tabs to the clubhouse. There is a Big Ronald Mc Donald cardboard house on the kitchen cabinet where you put your tabs into it. The tabs are collected by Betty Campbell who takes them to the Ronald McDonald House where they sell the aluminum tabs.

You are making money for Forest Park's Social Club and if you take the tabs off, keep them for the Ronald McDonald House you are doing double duty. We thank you for your help.

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are a temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

BLUE BARREL RE-CYCLE

The blue barrel is used for all other types of re-cycling such as paper, metal, plastic, etc. This is a separate program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

THANK YOU

By: Social Club

THANK YOU RICHARD TAYLOR

Social Club would like to express our **Thanks** to **Richard Taylor** for all his years of service for Forest Park.

When Foster Dye decided to try having Karaoke in 2007 in Forest Park, Richard was recruited to help. Foster and Richard each did one half of the total scheduled time for Karaoke. When Foster Dye moved back north, Richard took over being the coordinator. The equipment that he uses is his own. It takes about 11/2 hours to set up and

tear down the equipment. Besides doing the Karaoke for our park, Richard has done many Saturday Night Dances, coordinated a gospel sing in the pavilion and any time that we needed help providing music or with equipment set up for other musicians Richard always helped out.

When he was younger, Richard went to Nashville where he was a guitar player in an R & R Band. He was a Commercial Diver, Scuba Instructor and also was a heavy construction worker. Besides sailing to the Bahamas, he lived on a trawler for 10 years. Recently, Richard was an actor participating in plays at Delturia. Richard and Juanita moved to Forest Park in 2002. They have been married 35 years.

This is the epitome of volunteerism for Forest Park.

The Social Club and Forest Park residents express our gratitude to you for your many years of service for our park. Now, you can enjoy your extra free time in our park!!

JOKES

When asked by a young patrol officer, *"Do you know you were speeding?"*

This 83-year-old woman gave the young officer an ear to ear smile and stated:-

"Yes, but I had to get there before I forgot where I was going."

The officer put his ticket book away and bid her good day.

Makes perfectly good sense to me!!

Elderly Couple Texting

An elderly couple had just learned how to send text messages on their cell phones.

The wife was a romantic type, and the husband was more of a no-nonsense guy.

One afternoon the wife went out to meet a friend for coffee. She decided to send her husband a romantic text message, and she wrote: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you."

The husband texted back to her: "I'm on the toilet. Please advise."
