WI FI UPDATE

BY: Doug Ford

Forest Park residence, at the April membership meeting, approved the wifi upgrade to fiber optics. The FPPOA board has signed a contract with ethx for the installation of the fiber and support for the conversion from our present system. The fiber installation will take up to 90 days, after all the permits are approved. We are looking for a turn on for Nov 1st.

The present system with about 100 users is going just fine with the assistance from Jim Schleter. Have a good summer!

RESOURCE BOOK

In the clubhouse there is a Resource Book which has been put together by members of Forest Park. These are referrals or warning of how outside vendors have performed in the Park. Before you hire Someone, please check the book to see if someone in the Park has used that particular company or Person. If you would like to add a name or business you may do so.

Use Caution in Hiring Contractors!

When you need to hire a contractor for work on your home (roofing, home repairs, lawn maintenance, etc.), ask the contractor to provide copies of their business license and insurance. This protects you in the event that the contractor is injured on your property. Also ask the contractor to provide references. Get cost estimates and warranties in writing, and do not make final payment until the work is complete. There is a Resource Book in the back of the Clubhouse which contains listings for many different types of contractors. You may also check Angie's List, the Better Business Bureau and other online rating sources. A simple Google search on the business name may provide additional information. Please ask any outside contractor to stop by the office to register and provide copies of their license and insurance. Better safe than sorry! EXERCISE

RECOMMENDED FOR “KIDS” OF ANY AGE!

Please join us beginning in November on Tuesday & Saturday mornings at 9:00 am in the clubhouse for a fun, easy exercise program. Bring a small hand weight or even a can of soup to use to build muscle. Also bring a small pillow.

BLUE BARREL RECYCLE

The blue barrel is used for all other types of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays.

The re-cycle truck comes on Wednesdays.

BUNCO

By: Larry Tsicountouridis

Bunco is held on the first Saturday of each month in the Clubhouse at 7 p.m. beginning in the fall. Watch the fall newsletter for startup date.

EASY WATER EXERCISE

Most of the water exercises are the same as the Tuesday & Saturday exercises, except they are done in the pool. This means less stress on the joints plus we get those healthy rays of sunshine at the same time.

We have a great time exercising and catching up on the latest in Forest Park. Classes run from 10:30 to 11:30 am. Monday-Friday at the pool and start in the fall through spring. Exercises are also subject to weather cooperating

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the LEFT SIDE OF YOUR BACK WINDOW of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

ALUMINUM CAN RE-CYCLE

By: Social Club

Please remember to put your washed out, dry aluminum cans. In a bag and place **UNDER YOUR MAILBOX** early Tuesday morning for pick up. Please make sure your cans are rinsed clean and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue recycle bins. Money collected for can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park.

Please place your aluminum cans out near your mailbox either Monday night, or very early on Tuesday morning. To make the job easier, we are asking that you take the tabs off your cans. It takes as long to take the tabs off the cans as it does to run the crushing machine. You take the tabs off and bag them, when you have a full bag, bring the tabs to the Clubhouse. There is a Big Ronald McDonald cardboard house on the kitchen cabinet where you put your tabs in it. Betty Campbell collects the tabs then takes them to the Ronald McDonald House where they sell aluminum tabs.

You are making money for Forest Park's Social Club and if you take the tabs off for the Ronald McDonald house you are doing double duty.

We Thank You for your help.

If you really want to do something you'll find a way. If you don't, you'll find an excuse

ART CLASSES

My name is Betty Leis and I am a member of the Art League of Ft Myers and Pine Island Art Assoc. I have been painting for over 40 years and teaching for 35 of those years of which 30 have been in Forest Park.

If you have never painted before and have no supplies I will furnish everything you need to paint ONE painting to get you started. If you find you want to continue with the class you can then purchase your own supplies. I will furnish you a supply list to use and to help you. I will work with you one on one and also as a group by doing a paint along. THIS MEANS: I paint (demo), You watch, I help you and then I will demo again then your will paint again. We do this until the painting is finished. This will make it easier for you to get started. I will also give you a list with color mixtures for specific things, such as shades of green for grasses and trees, blues for skies, water and etc If you are an accomplished artist you may paint whatever you want and I will be there for help if needed.

Mediums I can help with are: Oils, Watercolor and Acrylics. My classes are held on Monday 9 to 12, starting Monday January 11, 2016. The fee is \$10.00 per class for new or beginners the first year. After the first year ALL students pay in advance for the whole 3 month session which runs January through March.

If you miss a class we make that up in the month of April. The class is limited to 15 students and I am taking names at this time getting ready for next seasons session.

If you need further information or want to join the class please contact:

BETTY LEIS at 239-997-1880 OR Boomlei531@gmail.com

BID EUCHRE

By: Madaline Preston

We have Bid Euchre every Wednesday & Saturday at 6:30pm in the Clubhouse unless there is another activity going on in there. We then play in the Activity Building. We have several new players and would like to have many more join in on the fun.

Remember to use flashing lights or flash lights when you are riding or walking at night.

BINGO

By: Anne Domingos

Please join us on Tuesdays at 6:45pm for 7:00pm Bingo in the clubhouse each week. Cards are \$.50 with a minimum purchase of four cards. Night Owl cards are 25 cents. All three Bingo's

go all year round. Check your calendar in the newsletter each month. There is a new addition to our BINGO games. You put a quarter into a "money ball pot." The first number called is the "special number" so that if you bingo on that number, you will win the money that has been collected in the money ball pot plus the money that is allotted for the game that you won. If the money ball pot was not won, the amount is saved from week to week until someone is the winner.

Come and Enjoy Playing Bingo!

Computer Club

By: Sherrill Wright

Recycle: Don't throw away your used ink cartridges!

I can take them to Office Max and get a credit for them, which is then donated back to the Computer Club. There is a collection container on the Activity room counter. If we have fulfilled our quota, they are donated to a local school for them to do the same.

The Computer Club is a group of friendly people who meet every Thursday, 2 - 4 PM to help each other with computer issues. We do not meet during the summer, but will resume our meetings in the fall. If you have a problem related to computers, or a skill you think might benefit others, **YOU ARE WHO WE NEED IN OUR CLUB!** Please come and join the group. Membership costs \$10/household per winter season. We take a break and have coffee and cookies around 3 PM to socialize. Most members use Windows, but some use Macs or Linux and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or we focus on a particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation, to assist if professional help is needed.

If you have a particular interest, a new piece of equipment like an iPad or similar tablet or I-Phone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be

visiting. Also, if you have a particular need, or problem that you would like help with, please come along and join us, but let us know in advance so we can schedule it for that week's meeting.

Several members/residents have asked to learn more about Facebook. Sheila Fitzgerald has volunteered to run some sessions for us.

We also need people who are familiar with Tablets and Cell Phones who would volunteer to do some instructing or help others during our sessions. We have connectors for iPads that will allow them to be connected to our projector. Contact Sherrill or John Wright @ 239.349.3827, email - fpccclub@yahoo.com

SPECIAL NOTICE – Over the summer, several printers were left in the activity building. Since we cannot fix printers, we cannot take any donations of them. Also, if you have any computers you would like to get rid of, please check with Doug Ford before leaving them in the activity building.

****Thanks for your help and co-operation.****

DID YOU KNOW FOREST PARK HAS A GREAT LIBRARY?

By: Patty McCoy FP Librarian

There's a little oasis of knowledge and information right here in the Forest Park activities building. No need to hop into your car and drive.

We have current hardcover and paperback books, reference materials, videos, talking books large print, magazines and even puzzles.

You can look up health related issues, financial questions, recipes and advice on retirement. Your favorite authors are in abundance- James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a juicy collection of romances. At the FP Library, you don't need a library card- just step inside, choose your media and take it home- for as long as you like, return it when you're done. Your library runs on donations.

We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. We do not accept older books due to space limitations and because we wish to be current and fresh in our offerings so please, take older books to the North Fort Myers Friends of the Library. We also need library style metal bookends and book display easels. Why read? "The benefits of all this mental activity include keeping your memory sharp, your learning capacity nimble, and your mind basically harder as you age just processing the words boosts the brain"

NEIGHBORHOOD WATCH

By: Lou Smith

Our next Neighborhood Watch meeting will be either October or November.

I want to thank all residents who have come to our meetings, and gone out on nightly patrol. I wish all residents a safe and happy summer. This will be our final posting until the October newsletter.

NORTHEAST CLUB

By: Richard Gagner

The North East club closed out a great year with a picnic and over 100 in attendance for fried chicken and lots of fun and games. Next years schedule is set and your summer scavenger hunt includes something to wear to a Wild Wild West party, a Mexican festival party, and a Luau party. Let the searching begin!

December's meeting will be a re-gift swap, so dig deep into your closets for those gifts you received but did not want to keep. We will be having a Christmas cookie bake off with cash prizes to be awarded. Keeping that in mind have a safe, healthy summer and start searching for your prize winning cookie recipe.

PINE TREE KNOTS QUILT CLUB

By: Gail Ford

Many of the women in our quilt club have left for the summer. The "Left Overs" will continue to meet each Wed. at 9 AM. On April 2nd we had our spring luncheon at the Golden Corral. The committee outdid themselves with our many lovely gifts. We are working on our "Around the World" lap quilts. Our Summer Project is a contest. We are to applique a Flamingo to a background then decorate/dress it any way we desire. Should be fun.

HAPPY FATHER'S DAY

In 1910, a Father's Day celebration was held in Spokane, Washington, at the YMCA by Sonora Smart Dodd, who was born in Arkansas. Its first celebration was in the Spokane YMCA on June 19, 1910. Her father, the Civil War veteran William Jackson Smart, was a single parent who raised his six children there. After hearing a sermon about Jarvis' Mother's Day in 1909 at Central Methodist Episcopal Church, she told her pastor that fathers should have a similar holiday honoring them. Although she initially suggested June 5, her father's birthday, the pastors did not have enough time to prepare their sermons, and the celebration was deferred to the third Sunday of June. Several local clergymen accepted the idea, and on 19 June 1910, the first Father's Day, "sermons honoring fathers were presented throughout the city."

However, in the 1920s, Dodd stopped promoting the celebration because she was studying in the Art Institute of Chicago, and it faded into relative obscurity, even in Spokane. In the 1930s, Dodd returned to Spokane and started promoting the celebration again, raising awareness at a national level. She had the help of those trade groups that would benefit most from the holiday, for example the manufacturers of ties, tobacco pipes, and any traditional present to fathers. By 1938 she had the help of the Father's Day Council, founded by the New York Associated Men's Wear Retailers to consolidate and systematize the commercial promotion. Americans resisted the holiday for its first few decades, viewing it as nothing more than an attempt by merchants to replicate the commercial success of Mother's Day, and newspapers frequently featured cynical and sarcastic attacks and jokes. However, said merchants remained resilient and even incorporated these attacks into their advertisements. By the mid-1980s, the Father's Council wrote that "(...) [Father's Day] has become a Second Christmas for all the men's gift-oriented industries."

A bill to accord national recognition of the holiday was introduced in Congress in 1913. In 1916, President Woodrow Wilson went to Spokane to speak in a Father's Day celebration and wanted to make it official, but Congress resisted, fearing that it would become commercialized. US President Calvin Coolidge recommended in 1924 that the day be observed by the nation, but stopped short of issuing a national proclamation. Two earlier attempts to formally recognize the holiday had been defeated by Congress. In 1957, Maine Senator Margaret Chase Smith

wrote a proposal accusing Congress of ignoring fathers for 40 years while honoring mothers, thus "[singling] out just one of our two parents". In 1966, President Lyndon B. Johnson issued the first presidential proclamation honoring fathers, designating the third Sunday in June as Father's Day. Six years later, the day was made a permanent national holiday when President Richard Nixon signed it into law in 1972.
