A huge round of applause to all those that helped Peggy Hull decorate our park in my absence. It is wonderful to live in a park where people "rally to the cause" and "pitch in" when needed! I can't wait to arrive at Forest Park around the first of the year to see the decorations in person. And yes, I will be there to help remove them and store them for our next Christmas display in 2016!

Again, thank you so much to everyone who helped to create our Forest Park Christmas display!

## WI FI UPDATE

**BY: Doug Ford**

The fiber net update was started on 19th of October, finished and fully operational on December 2nd. The results are mostly good, If you had a good signal and were operating good before, you noticed an improvement. If your connection was so so because of trees etc.

you might not notice a great improvement. The problem is that we are operating with a 6 year old system that has a electrical noise problem that effects our present 2.4 GHZ system. There are lots of solutions to this sort of WI-Fi interference but it depends on the individuation situation. We can try various changes to work around the noise. From our field experience most users are doing Ok. If you still experience problems other than at peak usage times, we should be able to help.

The reason we went to fiber optics is to handle the increase number of WI-FI users in the park but also in the future slowly converting to the 5 GHZ which doesn't have the interference problem. At that time we would run two systems 2.4GHZ present system and the 5 GHZ newer system.

## Use Caution in Hiring Contractors!

When you need to hire a contractor for work on your home (roofing, home repairs, lawn maintenance, etc.), ask the contractor to provide copies of their business license and insurance. This protects you in the event that the contractor is injured on your property. Also ask the contractor to provide references. Get cost estimates and warranties in writing, and do not make final payment until the work is complete. There is a Resource Book in

the back of the Clubhouse which contains listings for many different types of contractors. You may also check Angie's List, the Better Business Bureau and other online rating sources. A simple Google search on the business name may provide additional information. Please ask any outside contractor to stop by the office to register and provide copies of their license and insurance. Better safe than sorry! For more information on Florida consumer complaints, visit:

<http://www.stateofflorida.com/Portal/DesktopDefault.aspx?tabid=57>

***By all means let's be open-minded, but not so open-minded that all our brains drop out***

## RESOURCE BOOK

In the clubhouse there is a Resource Book which has been put together by members of Forest Park.

These are referrals or warning of how outside vendors have performed in the Park. Before you hire someone, please check the book to see if someone in the Park has used that particular company or

Person. If you would like to add a name or business you may do so.

*By Lou Smith President*

When you hire an outside contractor for tree trimming and any other work, it is their responsibility to remove all trash materials. They are not allowed to take it to our dumpster; they are responsible to take it out of the park.

### TOOL TIME

*By Dick Gagner Director*

The maintenance department recently received tool donations, a posthole digger from Dick Hettich and a pole saw trimmer from Dick Kearschner. We greatly appreciate their generosity that will help make Forest Park a more beautiful place to live. Donations such as this are always welcome.

In that same spirit of sharing and working together, you may sign out a wheelbarrow, post hole digger, etc. for that occasional use at home. Please use the clipboard

## NEIGHBORHOOD WATCH

*By: Lou Smith*

The Neighborhood Watch meeting will be Wednesday, January 13, 10 a.m. in the Activities Building.

## FOREST PARK and LEE COUNTY LEASH LAW

*By: Dick Gagner*

In a recent incident, a resident was jumped on while riding his three wheeler by a dog who has pulled his way out of his collar and was running unrestrained.

We are very fortunate that the resident who was of course frightened and scratched was not knocked off the bike onto the road.

In the spirit of moving forward and learning from this experience, we must remind all dog owners that Forest Park rules and regulations require all dogs to be restrained when they leave your private property. Most residents realize that the FPPOA has limited resources to enforce compliance.

In this case, Lee County law applies and the law requiring that all dogs must be under direct control when they leave their owners property by a leash no longer than 6 feet.

Furthermore when on your private property they must be on a leash, chain, or fenced area that would prevent them from roaming at large.

Lee County will enforce compliance. Any questions or complaints can be addressed by calling Lee County Animal Control at 239-432-2083.

## DON'T FORGET TO VOTE

*By: Jonie Emery Nominating Committee*

I'm so happy to see everyone returning from the north to our winter paradise here in Forest Park. I see many old faces and many new ones. WELCOME to all our new owners. We need the help of EVERYONE in the park.

Most of you know that in January we will be electing our new Board of Directors. I would like to give you all a brief description of the Officers and Directors and what

the expectations are. All Officers and Directors must be members in good standing of the FPPOA.

**President:** A two year term. The executive officer and will preside at all meetings of the FPPOA and Board Meetings.

**2nd Vice President:** A two year term. This VP assumes all the duties of the president and the 1st Vice President in their absence and is the third in succession to assume the office of President.

**Secretary:** A two year term. The Secretary takes the official minutes. Recording the minutes of each meeting and keeping an accurate account of them. The Secretary makes a copy and posts the minutes for review by the members of the FPPOA. At general membership meetings the secretary reads the minutes of the last meeting.

**Treasurer:** A two year term. The Treasurer watches over all funds of the FPPOA, reviews financial reports from the accountant, and submits financial reports to the members. The Treasurer along with the budget committee and finance committee conduct an annual budget meeting for interested members.

Job descriptions vary depending on the needs of Forest Park and at the discretion of the President. Your various skills are taken under consideration along with your preferences,

### OUR PARK NEEDS YOUR SUPPORT!!!

ALL Officer positions and FOUR Director positions are OPEN. Nominations will be open and can be taken at the December meeting and will remain open until Dec. 31. Please consider yourself for one of the open positions and contact me at 239-731-0886 or 734-216-5130 Or just stop by my home at 568 Peace Lake Ct. If I haven't meet you I would love to do that.

Thank you for your consideration

## FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.). The wristbands are now available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations. Thank you for your anticipated cooperation to assist in maintaining the security of our park.

### Reminder - Please Be Conscientious & Conserve Energy

Please remember to turn up the air conditioner thermostats to 78 when you leave the Clubhouse & Activities buildings (just like you would do at your home). The air conditioners have been left running overnight on several occasions. This places an undue strain on them especially during summer months, and increases our electrical bill. Please be considerate

### Trash, Horticulture & Waste Disposal Reminder....

Just a refresher on our Rules & Regulations for trash, horticulture and waste disposal...

- Trash bags which weigh more than 30 lbs. will not be picked up.
- Trash bags must be tied or they will not be picked up.
- Horticulture bags must be tied or they will not be picked up.

*Age is something that doesn't matter,  
unless you are a cheese*

## EXERCISE PROGRAM RECOMMENDED FOR "KIDS" OF ANY AGE!

Please join us beginning in November on Tuesday & Saturday mornings at 9:00 am in the clubhouse for a fun, easy exercise program. Bring a small hand weight or even a can of soup to use to build muscle. Also bring a small pillow.

### EASY WATER EXERCISE

Most of the water exercises are the same as the Tuesday & Saturday exercises, except they are done in the pool. This means less stress on the joints plus we get those healthy rays of sunshine at the same time. We have a great time exercising and catching up on the latest in Forest Park. Classes run from 10:30 to 11:30 A.M. Monday-Friday at the pool and start in the fall through spring. Exercises are also subject to weather cooperating

*Happiness is having a large, loving, caring, close-knit family in another city*

### GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the LEFT SIDE OF YOUR BACK WINDOW of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

### BLUE BARREL RECYCLE

The blue barrel is used for all other types of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

### ALUMINUM CAN RE-CYCLE

*By: Social Club*

#### REMINDER Aluminum Cans being collected

Please do Not Use the can as an ashtray. Beer Drinkers, Please rinse out the can and turn it over to dry out. **Everyone** Please take the tab off, collect them and take

your full container to the clubhouse. On kitchen counter, there is a Ronald McDonald box that you put the tabs into. Betty Campbell takes them to the Ronald McDonald where they sell the aluminum. You are helping both Social Club and Ronald McDonald House. Our aluminum crusher people appreciate your Help.

Please remember to put your washed out, dry aluminum cans. In a bag and place **UNDER YOUR MAILBOX** early Tuesday morning for pick up. Please make sure your cans are rinsed **CLEAN** and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue recycle bins. Money collected for can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park. Please place your aluminum cans out near your mailbox either Monday night, or very early on Tuesday morning. To make the job easier, we are asking that you take the tabs off your cans. It takes as long to take the tabs off the cans as it does to run the crushing machine. You take the tabs off and bag them, when you have a full bag, bring the tabs to the Clubhouse.

## **Please Save Your Aluminum Can Pull Tabs to Benefit the Ronald McDonald House**

*By: Betty Campbell*

A big thank you to everyone who pulled off & saved their aluminum cab tabs! You can make an incredible impact by helping provide a home away from home for families during the medical treatment of their seriously ill child by contributing your pull tabs.

I volunteered this summer to crush cans and collect the pull tabs for our local Ronald McDonald House. We collected a large quantity and delivered them in March and 3 large boxes in November. Please save your tabs and you can deliver them to my home at 608 Pine Grove, the Clubhouse or you can give me a call and I will pick them up.

group. An anticipated donation of \$10/household per winter season would be appreciated to help with meeting expenses. We take a break and have coffee and cookies around 3 PM to socialize. Most members use Windows, but some use Linux or Macs and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or something interesting we have seen maybe online or in an article, or we focus on a particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation, to assist if professional help is needed.

If you have a particular interest, a new piece of equipment like an iPad or similar tablet or

I-Phone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be visiting. If you have a particular need, or problem that you would like help with, please come along and join us, but try and let us know in advance so we can schedule it for that week's meeting.

We need people who are familiar with Tablets and Cell Phones who would volunteer to do some instructing or help others during our sessions. We have cables for iPads that will allow them to be connected to our projector.

## FOREST PARK HAS A GREAT LIBRARY

*By: Patty McCoy FP Librarian*

There's a little oasis of knowledge and information right here in the Forest Park activities building. No need to hop into your car and drive. We have current hardcover and paperback books, reference materials, videos, talking books large print, magazines and even puzzles. You can look up health related issues, financial questions, recipes and advice on retirement. Your favorite authors are in abundance- James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a juicy collection of romances. At the FP Library, you don't need a library card- just step inside, choose your media and take it home- for as long as you like, return it when you're done. Your library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. We do not accept older books due to space limitations and because we wish to be current and fresh in our offerings so please, take older books to the North Fort Myers Friends of the Library. We also need library style metal bookends and book display easels. Why read? "The benefits of all this mental activity include keeping your memory sharp, your learning capacity nimble, and your mind basically harder as you age... just processing the words boosts the brain"

## LINE DANCING

## Mexican Train Dominoes

*By: Sheila Fitzgerald*

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

## NORTHEAST CLUB

*By: Dick Gagner*

The North East Club kicked off another season on the 7th of December with nearly 100 members joining and many more on the way. The cookie baking contest was a huge success with the prize for the best decorated going to Joan King, the best bar/rolled was an entry by Phyllis Cleaver and Nancy Lawrence's entry won for best drop style. Congratulations to our winners! As always in the spirit of Christmas, the club donated to Forest Park's own charity "The gifts of cheer" and to the Harry Chapin Food Bank. A special donation was also made to hospice in memory of one of the club's past presidents and one of Forest Park's most generous volunteers, Ray Preston. The next meeting will be themed Wild, Wild West, so watch for details, dust off your cowboy boots, get your tickets from Nancy Cooper or Chris Major and join the fun!

## **FOREST PARK SHUFFLEBOARD**

**By: Bill Madill, Captain**

Well our second meeting is over and we still are suffering from lack of participation from the park, hopefully it will get better as the season progresses, we are going to start giving cash out for winners on the Thursdays, which will be for the players registered for house league. Monday and Friday are still open days for anyone who wants to play the time is still 10:00 a.m. but show up 15 minutes early for the draw, if we have enough players we will have teams on Thursdays. Our next meeting is on Monday January 4 at 9:00.a.m, it only costs \$10.00 to register for

the Thursday league and that includes the dinner at the end of the season, and the cash prizes hopefully weekly. Because of lack of participation and conflicting venues on Monday, we have changed Fun night from Mondays to Wednesdays at 7:00 P.M. hopefully this help the people from the NE club and Karaoke to be able to participate. Come on out and participate, we are all old enough to shuffle, meet new people and have fun. Good shuffling.

## **RED HAT LADIES**

**By: Marilyn Nufryk**

We will begin 2016 with a trip on January 20 for Lunch at the Captains Table in Fisherman's Village in Punta Gorda. After lunch here will be time for those who would like to browse in the many shops that will be open. For the Ladies who have difficulty walking, you can be dropped off at the restaurant because the parking lot is a distance away. Hope to see you then. Please meet at the Activities Building at 10:45.

## JOKES and QUOTES...

### NEIGHBORS

A man was telling his neighbor, "I just bought a new hearing aid. It cost me over \$4000, but it's state of the art. All of my hearing problems are over."  
"That's great", answered the neighbor, "What kind is it?"

The man looked down at his arm, "12:30"

### WIFE & HUSBAND

Wife texts husband on a cold winter morning "Windows frozen, won't open"

Husband texts back "Gently pour some lukewarm water over it and gently tap edges with hammer"

Wife texts back 5 minutes later "Computer really messed up now"

### GIRLS & LIPSTICK

According to a news report, a certain private school in Washington recently was faced with a unique problem.

A number of 12-year-old girls were beginning to use lipstick and would put it on in the bathroom.

That was fine, but after they put on their lipstick they would press their lips to the mirror leaving dozens of little lip prints.

Every night, the maintenance man would remove them and the next day, the girls would put them back.

Finally the principal decided that something had to be done.

She called all the girls to the bathroom and met them there with the maintenance man.

She explained that all these lip prints were causing a major problem for the custodian who had to clean the mirrors every night.

To demonstrate how difficult it had been to clean the mirrors, she asked the maintenance man to show the girls how much effort was required.

He took out a long-handled squeegee, dipped it in the toilet, and cleaned the mirror with it.

Since then, there have been no lip prints on the mirror. There are teachers, and then there are educators.....

### WALMART NOT FOR ALL RETIREE'S

After I retired, my wife insisted that I accompany her on her trips to Walmart. Unfortunately, like most men, I found shopping boring and preferred to get in and get out. Equally unfortunate, my wife is like most women - she loves to browse.

Yesterday my dear wife received the following letter

...continued on page 18

from the local Walmart:

Dear Mrs. Woolf,

Over the past six months, your husband has caused quite a commotion in our store. We cannot tolerate this behavior and have been forced to ban both of you from the store. Our complaints against your husband, Mr. Woolf, are listed below and are "documented by our video surveillance cameras":

1. June 15: He took 24 boxes of condoms and randomly put them in other people's carts when they weren't looking.
2. July 2: Set all the alarm clocks in Housewares to go off at 5-minute intervals.
3. July 7: He made a trail of tomato juice on the floor leading to the women's restroom.
4. July 19: Walked up to an employee and told her in an official voice, 'Code 3 in Housewares. Get on it right away'. This caused the employee to leave her assigned station and receive a reprimand from her Supervisor that in turn resulted in management getting involved causing management to lose time and costing the company money.
5. August 4: Went to the Service Desk and tried to reserve a bag of chips.
6. August 14: Moved a 'CAUTION - WET FLOOR' sign to a carpeted area.
7. August 15: Set up a tent in the camping department

and told the children shoppers they could come in if they would bring pillows and blankets from the bedding department - to which twenty children obliged.

8. August 23: When a clerk asked if they could help him he began crying and screamed, 'Why can't you people just leave me alone?' Emergency Medics were called.

9. September 4: Looked right into the security camera and used it as a mirror while he picked his nose.

10. September 10: While handling guns in the Sports department, he asked the clerk where the antidepressants were.

11. October 3: Darted around the Store suspiciously while loudly humming the 'Mission Impossible' theme.
