## FOREST PARK SOCIAL CLUB

*By; Delores Holmes*

The Christmas Spirit was surely evident in Forest Park.

I hope everyone has taken time to drive around Forest Park streets to look at all the decorated houses. What a colorful display of lights they were delightful to see!! Everyone enjoyed seeing them.

Thank You residents who took the time to decorate their home.

Did you notice all the Christmas decorations - both inside the clubhouse and outside? Social Club would like to thank everyone who helped put them up. The Craft Ladies decorated the inside of the clubhouse. Joyce and Scott Hines, chairpersons, and their assistants did a terrific job on the outside decorations plus the lights around the clubhouse.

Social Club Officers would like to Thank Everyone who helped put them up for our enjoyment.

Forest Park's Holiday Dinner was enjoyed by all who attended. The ham dinner was great. Thank You to all the workers who helped with the dinner. The entertainment, Calendar Girls, who sponsor giving service dogs to our Veterans were a very boisterous group of ladies. They gave us much Christmas spirit.

Another Christmas Festivity which was certainly present during the Christmas Golf Cart Parade. What a colorful parade with the decorated golf carts, playing holiday music and candy being tossed to observers of the parade. It looked like all the participants were having a GREAT time. Thank You to Bo and Betty McClain chairpersons.

Ending the Holiday Season, you could plan on attending our **New Year's Eve Dance from 9:00 PM-1:00 AM on the last night of 2016**. Our entertainers, Chadburns, will be playing lots of musical styles so that you can dance or just enjoy the music. At midnight, everyone will be wishing residents a **HAPPY NEW YEAR** as Social Club Officers do now.

## RESIDENTS of FOREST PARK

*By Delores Holmes, President Social Club*

Residents come first when we sell dinner tickets or any type of tickets.

We have many of you wanting to know why we are doing assigned seating for the Holiday Dinner.

Because at a previous dinner, we had no idea if the person who wanted a ticket was even a resident of Forest Park. Some people came to buy 9 tickets for family members?

At the Thanksgiving Dinner we stopped selling tickets at 150. Thanksgiving Day, we get a call in the middle of the afternoon that there was 170 seats around the clubhouse. Talk about being nervous!!!. We would not cook for 170 people; just amount of food for the 150 people. Therefore at the door, Tom Schaffer, and our hosts, Lou Smith and Jan Orlando went around telling people "Do you have your tickets?" The majority of people had their tickets, however some had to leave to get them. Before you got your plate for the dinner, Lou Smith collected the ticket. Therefore it became NO TICKET- NO TURKEY.....

Social Club has made the decision that all dinners, **WE WILL HAVE ASSIGNED SEATING**. We will then know who is sitting where and how many will be eating.. **We will be collecting your ticket before you get your dinner plate**. For 4 days (2 Sundays) the times for the selling of the tickets are posted in the newsletter, on the marques and told at various events. When the tickets are sold out, we cannot make more tickets because we have no more seats. Please come during the designated times to buy the tickets. Our ticket sellers, Marilyn and Nick Nufryk, try to accommodate all residents with their requests

Thank You for your understanding of the situation.

## THANK YOU.....

Our Thanksgiving Day was celebrated when we had our Thanksgiving Dinner served. The food was delicious! Many Thanks to the people who put on the dinner .Our chef, Andy Fuschino, his assistants, Julie, his wife ,Ray Fuschino and Thor Guastella. They did a terrific job. We will indeed have them again putting on another dinner. Thank you so much from the people of Forest Park.

THANK YOU.....

**For turkey donations! (From Lee County Sheriff Facebook page)**

Littleton Elementary was in need of a turkey sponsor to donate turkeys to all the winners of their annual Turkey Trot Race. Littleton Elementary Principle, Monica Broughton, describes the school as, "...rated 100% low income families and all the children are grateful to win a turkey for their family to eat on Thanksgiving day." The turkey trot is a race designed for all grades and the turkey is the prize for one special boy and girl from each grade.

Principle Broughton enlisted School Resource Officer, Deputy Lynn Vanegas, to help find turkeys. Deputy Vanegas was up for the challenge. Deputy Vanegas reached out to a neighboring community, Forest Park Country Club, for help and they were eager to assist. The generous residents of The Forest Park Community not only accommodated the 14 turkeys to cover each winner, they supplied many additional turkeys to be distributed as needed.

We are so thankful for the assistance of the Forest Park Community! It's so nice to see the community come together to help those in need around the holidays.

**PEST CONTROL**

*By Delores Holmes*

Things I learned from Fort Myers Pest Control  
At their Koffee Klatsch presentation, I learned about Food Rats

Rats like to congregate where there is food. People who have bird feeders and those who feed any animal at their home site who are putting out food on the ground. This is a call for the rats to visit.

If you have a fruit tree in your yard and when the fruit drops, please pick up the fruit and throw away.. The rats like to eat fruit.

Feral Cats are coming in the park Do Not Feed Them. All Cats tend to congregate in one spot where there will be food given to them. Thus - Boy cats who mark their territory and girl cats get together and make lots of noise.

For Those People who cruise or on tours.

Bed Bugs can be prevented by taking your dirty clothes out of the suitcase and put them directly into the dryer for 30 min. Put your suitcase in a plastic bag and leave it outside for 2 days in the sun.

They have certified people; an Entomologist, Lawn and Oriental specialist who does native plants and Termite inspector. They also have a special rate for Forest Park Residents.

## **♪Jing-a-ling, a Jing, Jing! 🎄**

Yep, it's that time again. What time you ask...time for "the hanging of the greens" or in Forest Park terms, time for decorating our park entryway and our clubhouse grounds! Hopefully we can begin our decorating shortly after Thanksgiving. The exact date of our major decorating day will be posted on the board on the clubhouse grounds.

So...as you drive past the sign board on Forest Drive during Thanksgiving week, please check for the time and date!

Y'all plan to come on down to help "dress" our park for the Christmas holiday. All help is welcomed!

## **🎵 Choraleers Newsflash 🎵**

The Choraleers are looking forward to the first Tuesday, January 3rd, 2017 at 1:00 p.m. in our Clubhouse when we will have our first rehearsal with our new director. Originally, Paul Brewer was to direct our chorus, but he has passed the baton to his son Joshua Zilberman. Paul will be working as our accompanist. Joshua, a recent graduate of the University of South Florida, has a BA degree in music. Joshua is also directing the Old Bridge Chorus. The Choraleers welcome new voices to add to our chorus. If you have a passion for music, enjoy singing, and would like to join our group, please call Joyce Hines, 724-689-5175 or simply show up at the clubhouse for our Tuesday rehearsals!

## **SUPPORT OUR VEGGIE MAN**

Don't forget...our Veggie Man will be here every Thursday from 8 AM to 12 noon in front of the Clubhouse (unless it rains). Please note that he switched his regular day from Fridays to Thursdays. He will have fresh produce, along with home baked breads, pies, jams and more. Come on out and take advantage of nature's bounty.

If you have access to a computer, a tablet, or a smart phone, visit [www.forestparkonline.com](http://www.forestparkonline.com) where you can access much information available on the Forest Park Web site.

On the pages you can find information on various activities, a photo gallery, membership meeting documents, newsletters, the event calendar, and information on all aspects of living in Forest Park.

A web camera on the home page is a good place to see the weather if you are away from the park. It operates 24 hours a day.

We have a page listing homes for sale or for rent and a page for those wishing to rent.

Search engines, such as Google, have directed people looking for a park in which to purchase or rent retirement homes to our pages. We have had good responses to the information offered on the site attracting future residents.

If you know someone looking for a place to spend the winter, direct them to our site where much of the information they seek can be found. If you have questions or comments, regarding the web pages, they can be directed to me as [webmaster@forestparkonline.com](mailto:webmaster@forestparkonline.com)

**Needed:** New or gently used dish towels for our Clubhouse Kitchen. If you have any you would like to donate, please drop them off at the kitchen and leave them on the counter. The towels we had left for the summer but they have not returned. Thank you.

Please do not prop open any of our doors in the Clubhouse or Activities Buildings, including the kitchen door. A small black garden snake was discovered in the kitchen cabinets, and may have slipped in when the kitchen door was propped open.

There are 2 types of main entry doors for our buildings, "Manual" and "Handicapped." The handicapped doors should only be operated using the automatic pad, and not manually forced open. The doors operate on magnetic locks and timers which can malfunction if improperly forced open or propped open. Your cooperation is appreciated.

**🎄 CHRISTMAS GIFTS OF CHEER 🎄**

It's that time of the year when we start to think about the holidays and the folks in Forest Park. For some, 2016 has been a wonderful year yet, for others, there has been pain and sorrow. We like to reach out to those neighbors who could use a bit of cheer. Our gifts, given with love and friendship, are the Park's way of saying, "You are not alone or forgotten". Thanks to the generosity of many clubs and individuals hundreds of baskets of fruit,

cookies, candy, food and flowers have been delivered to the homes of our friends and neighbors.

Once again, the committee will meet to put together a list of folks who could use some holiday cheer. Because we have so many new residents in the Park we do not know everyone. Therefore, we hope that if you know of someone who should be on the list you will tell a committee member. The members are Delores Holmes, Carol Goans, Joann Gagner, Madaline Preston, Chris Major, Mary Gibson, Nancy Lawrence and Nancy Cooper, Chairperson.

**NO SOLICITING**

Forest Park has a clear non-solicitation policy posted at the front of the community. However, there are several companies that persist in soliciting our residents. Unfortunately, there have been situations where residents

...continued on page 8

have been taken advantage of by solicitors.

The most frequent violators include companies which sell water/water purification systems, tree trimming services, telephone/cable/internet services, and air conditioning companies. These companies may offer free services, such as water quality testing, A/C check, etc. Another tactic they employ is implying that they provided a service in the past to you or to your neighbors, or that they are conducting a survey.

Residents are encouraged to never open the door if you do not recognize the individual. Tell the individual through the window that they are trespassing and must leave immediately. If they do not leave, please call the Lee County Sheriff (non-emergency number) at 239-477-1000. The Sheriff will come out and escort them off of the property.

## WI FI UPDATE

*By: Doug Ford*

The Forest Park WI-FI was installed in 2009. The WI-FI provides user access to their Email banking, Facebook, etc. Previously, if you wanted to watch a movie, Netflix would send you a disk, or you would have cable TV or a land-phone line system, (like "Prism").

It is now 2016 and the internet world has changed. Our WI-FI system have seen many changes. We updated our existing 2.4GHz system with the latest antennas, installed very expensive fiber optics, and we added new equipment in the clubhouse.

We are starting to install the newer 5 GHz systems. All new users will be on this system, and anyone who wants to upgrade by replacing their antenna. The existing 2.4 GHz system will remain and most users will have no need to upgrade.

When we began the WiFi service, we had 50 users. Now we have over 220 users on the system . Over Christmas we will have over 300. The daily usage of our system is over 100 Gigabytes, which means that our

This brings up the sensitive subject of extreme use of our Wi-Fi system, which effects all users on the system. If you have satellite TV, you are able to connect to our Wi-Fi to down load or watch programs and movies. This effects all users on our system.

We are asking, during the busy season, everyone to avoid extra usage of our system, and to ask your guest to do the same. After hours, 10:00 PM, when users drop off, then it's OK.

## Use Caution in Hiring Contractors!

When you need to hire a contractor for work on your home (roofing, home repairs, lawn maintenance, etc.), ask the contractor to provide copies of their business license and insurance. This protects you in the event that the contractor is injured on your property. Also ask the contractor to provide references. Get cost estimates and warranties in writing, and do not make final payment until the work is complete. There is a Resource Book in the back of the Clubhouse which contains listings for many different types of contractors. You may also check Angie's List, the Better Business Bureau and other online rating sources. A simple Google search on the business name may provide additional information. Please ask any outside contractor to stop by the office to register and provide copies of their license and insurance. Better safe than sorry! For more information on Florida consumer complaints, visit:

<http://www.stateofflorida.com/Portal/DesktopDefault.aspx?tabid=57>

*There are no strangers here; Only friends you haven't met yet*

## RESOURCE BOOK

In the clubhouse there is a Resource Book which has been put together by members of Forest Park.

These are referrals or warning of how outside vendors have performed in the Park. Before you hire someone, please check the book to see if someone in the Park has used that particular company or person. If you would like to add a name or business, you may do so.

## FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool,

mini-golf, etc.). The wristbands are now available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations. Thank you for your anticipated cooperation to assist in maintaining the security of our park.

## Reminder - Please Be Conscientious & Conserve Energy

Please remember to turn up the air conditioner thermostats to 78 when you leave the Clubhouse & Activities buildings (just like you would do at your home). The air conditioners have been left running overnight on several occasions. This places an undue strain on them especially during summer months, and increases our electrical bill. *Please be considerate.*

## HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

### GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

## BLUE BARREL RECYCLE

The blue barrel is used for all *other types* of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

## ALUMINUM CAN RE-CYCLE

*By: Social Club*

### REMINDER Aluminum Cans being collected

Please do Not Use the can as an ashtray. Beer Drinkers, Please rinse out the can and turn it over to dry out. **Everyone** Please take the tab off, collect them and take your full container to the clubhouse. On kitchen counter, there is a Ronald McDonald box that you put the tabs into. Betty Campbell takes them to the Ronald McDonald where they sell the aluminum. You are helping both Social Club and Ronald McDonald House. Our aluminum crusher people appreciate your Help.

Please remember to put your washed out, dry aluminum cans. In a bag and place **UNDER YOUR MAILBOX** early Tuesday morning for pick up. Please make sure your cans are rinsed **CLEAN** and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans

Please place your aluminum cans out near your mailbox either Monday night, or very early on Tuesday morning. To make the job easier, we are asking that you take the tabs off your cans. It takes as long to take the tabs off the cans as it does to run the crushing machine. You take the tabs off and bag them, when you have a full bag, bring the tabs to the Clubhouse.

### Please Save Your Aluminum Can Pull Tabs to Benefit the Ronald McDonald House

## COMPUTER CLUB

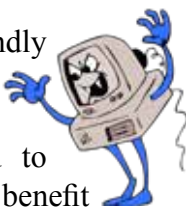

*By: Sherrill Wright*

**Recycle: Don't throw away your used ink cartridges! I take them to Office Max and get a credit for them, which is then donated back to the Computer Club. There is a collection container on the Activity room counter. If we have fulfilled our quota, they are donated to a local school for them to do the same.**

***The Computer Club can no longer accept old computers, printers or other old equipment. If you have any items you wish to recycle, please check with us before leaving them in the activities building. Some items we may be able to recycle on Freecycle.org. or you can check with Hope Hospice, Goodwill etc. If they won't accept them, they can be put out with your garbage and will be recycled through our electronic recycler. Make sure you wipe your hard drive on any computer.***

***Thanks for your cooperation on this, Sherrill***

The Computer Club is a group of friendly people who meet every Thursday, 2:00-4:00 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, **YOU ARE WHO WE NEED IN OUR CLUB!** Please come and join the group. A donation of \$10/household per winter season would be appreciated to help with meeting expenses, new equipment etc. We take a break and have coffee and cookies around 3:00 PM to socialize. Most members use Windows, but some use Linux or Macs and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or something interesting we have seen maybe online or in an article. If anyone is having a problem, we ask them o

bring their unit to the club meeting, then we will focus on that particular problem. In many cases, the club can help fix the problem. If not, we can usually define the situation in cases where professional help is needed. If you have a particular interest, a new piece of equipment like an iPad or similar tablet or iPhone that you would like to show and demonstrate, please join us. This also includes your friends and family who might be visiting. If you have a particular need, or problem that you would like help with, please come along and join us, but try and let us know in advance so we can schedule it for that week's meeting. We need people who are familiar with Tablets and Cell Phones who would volunteer to do some instructing or help others during our sessions. We have cables for iPads that will allow them to be connected to our projector.

## FOREST PARK BOOK CLUB

*By: Joan King*

Welcome back readers! We've had two months of good reads so far this season and now we're back to our regular schedule of the 4th Friday of the month, JANUARY 27th at 1:00 p.m. in the Activities Building. Our book for January is *A FALL OF MARIGOLDS* by Susan Meissner. The story is fiction but two historical events figure prominently in the plot—the Triangle Shirtwaist Co. fire in NYC in 1911 and the collapse of the World Trade Towers in NYC in 2001. The two events are tied together by two women, nurse Clara Wood and widow Taryn Michaels. Although unknown to each other, they are connected through the generations by a beautiful scarf, embroidered with a fall of marigolds. Call Joan for more information. 239 567-0606.

## LADIES BIBLE STUDY

*By: Laura Esters*

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology, but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door, and walk in--we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

## FOREST PARK HAS A GREAT LIBRARY

There's a little oasis of knowledge and information right here in the Forest Park activities building. No need to hop into your car and drive. We have current hardcover and paperback books, reference materials, videos, talking books large print, magazines and even puzzles. You can look up health related issues, financial questions, recipes and advice on retirement. Your favorite authors are in abundance- James Patterson, Clive Cussler, Janet

...continued on page 18

Evanovich, Danielle Steele, John Grisham, Nora Roberts and a juicy collection of romances. At the FP Library, you don't need a library card- just step inside, choose your media and take it home- for as long as you like, return it when you're done. Your library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. We do not accept older books due to space limitations and because we wish to be current and fresh in our offerings so please, take older books to the North Fort Myers Friends of the Library. We also need library style metal bookends and book display easels. Why read? "The benefits of all this mental activity include keeping your memory sharp, you're learning capacity nimble, and your mind basically harder as you age... just processing the words boosts the brain"

### **Mexican Train Dominoes**

*By: Sheila Fitzgerald*

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

## **JOKES and QUOTES.....**

### **ARRESTED**

A police officer jumps into his squad car and calls  
the station. "I have an interesting case here" he says. "A  
woman shot her husband for stepping on the floor she just  
mopped."

"Have you arrested her?" asks the sergeant. "No not  
yet. The floor's still wet."

### **TAX**

After hearing a sermon on Psalms 52:3-4 (lies and  
deceit), a man wrote the IRS, "I can't sleep knowing that I  
have cheated on my income tax. Enclosed is a check for  
\$150. If I still can't sleep, I'll send the rest."

## **ARE YOU SERIOUS.....**

A former art lecturer at MIT was sentenced to a year  
in jail for robbing a bank. Although he admitted to  
committing the crime, he insisted he should serve time.

**HIS EXCUSE:** It was done as part of a performance  
art performance.

After a Breathalyzer test showed her blood alcohol  
level was more than four times the legal limit, a woman  
was arrested. But, she said, there was an explanation.

**HER EXCUSE:** She suffered from auto-brewery  
syndrome, which meant her body created alcohol.

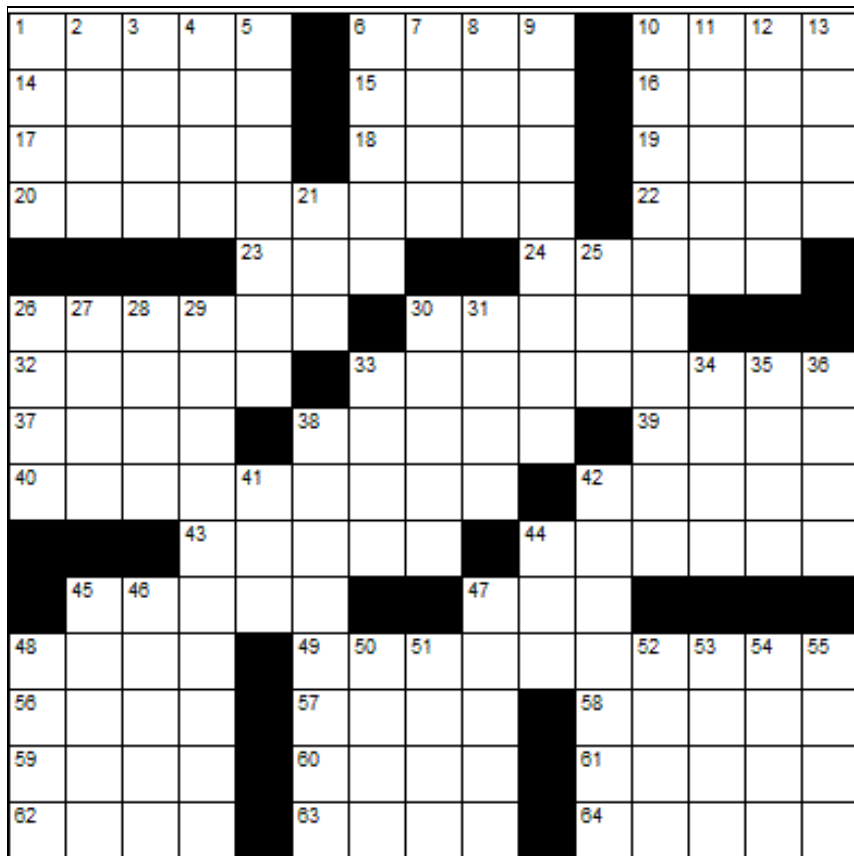

Another disputed DUI occurred. The 75 year-old  
driver told officers he hadn't touched a drop.

**HIS EXCUSE:** His blood alcohol level was high  
because of his dinner—beer battered fish.
