NEWSLETTER ARTICLES

By: Julie Seubert

As most of us prepare to leave the park for the summer months, the Forest Park Newsletter will continue every month all year long. During the summer months, you can pick up your newsletter in the office. It will be posted on the marquee when the newsletters are in. Please be aware of any stay at home neighbors that would like you to pick up the newsletter and bring it to their home. Once the newsletter is posted to the web, you can view it at www.forestparkonline.com and click on the "News" tab to read it in full color.

As your new Editor, I will be starting a new column on Health and Nutrition. Along with this new column I will be including recipes. So if you have any favorite recipes or articles you would like to share, please forward them to me at fpsocialnews@gmail.com by the 12th of each month for the following month's newsletter.

Hope everyone has a healthy, safe and happy summer.

THINGS YOUR BURGLAR WON'T TELL YOU!!

1. Of course I look familiar. I was here just last week cleaning your carpets, painting your shutters, or delivering your new refrigerator.
2. Hey, thanks for letting me use the bathroom when I was working in your yard last week. While I was in there, I unlatched the back window to make my return a little easier.
3. Love those flowers. That tells me you have taste... And taste means there are nice things inside.
4. Yes, I really do look for newspapers piled up on the driveway. And I might leave a pizza flyer in your front door to see how long it takes you to remove it.
5. It's raining, you're fumbling with your umbrella, and you forget to lock your door – understandable. But understand this: I don't take a day off because of bad weather.
6. I always knock first. If you answer, I'll ask for directions somewhere or offer to clean your gutters. (Don't take me up on it.)
7. Do you really think I won't look in your sock drawer? I always check

dresser drawers, the bedside table and the medicine cabinet.

8. You're right!! I won't have enough time to break into that safe where you keep your valuables. But if it's not bolted down, I'll take it with me.
9. A loud TV or radio can be a better deterrent than the best alarm system. If you're reluctant to leave your TV on while you are out of town, you can buy a \$35.00 device that works on a timer and simulates the flickering flow of a real television.

RESOURCE BOOK

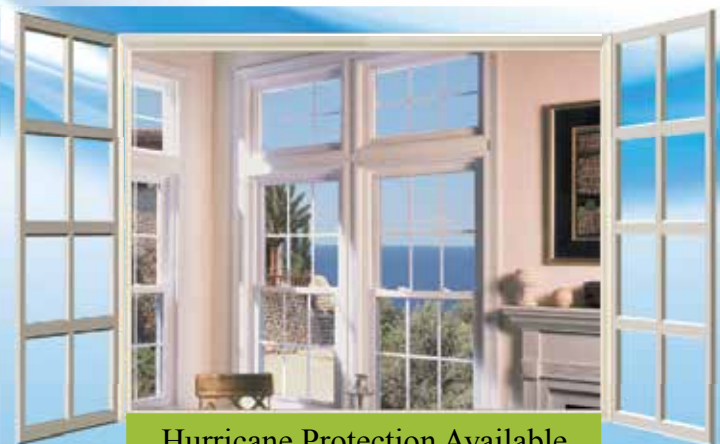

In the clubhouse there is a Resource Book which has been put together by members of Forest Park.

These are referrals or warning of how outside vendors have performed in the Park. Before you hire someone, please check the book to see if someone in the Park has used that particular company or person. If you would like to add a name or business, you may do so.

Use Caution in Hiring Contractors!

When you need to hire a contractor for work on your home (roofing, home repairs, lawn maintenance, etc.), ask the contractor to provide copies of their business license and insurance. This protects you in the event that the contractor is injured on your property. Also ask the contractor to provide references. Get cost estimates and warranties in writing, and do not make final payment until the work is complete. There is a Resource Book in the back of the Clubhouse which contains listings for many different types of contractors. You may also check Angie's List, the Better Business Bureau and other online rating sources. A simple Google search on the business name may provide additional information. Please ask any outside contractor to stop by the office to register and provide copies of their license and insurance. Better safe than sorry! For more information on Florida consumer complaints, visit:

<http://www.stateofflorida.com/Portal/DesktopDefault.aspx?tabid=57>

NEIGHBORHOOD WATCH

By: Mike Fanning

Welcome to the Summer Volunteers, remember the security bag will be in the Activities Building Daily. You will receive a monthly schedule. Thank you for your help for the summer months.

BE SAFE;

Always lock your doors, bikes, and golf carts.

Be aware of who is coming and going in the park.

If something doesn't look or seem right, don't be afraid to call the sheriff. 239-477-1000

HAVE A SAFE SUMMER.

FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.). The wristbands are now available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations. Thank you for your anticipated cooperation to assist in maintaining the security of our park.

Trash, Horticulture & Waste Disposal Reminder....

Just a refresher on our Rules & Regulations for trash, horticulture and waste disposal...

- Trash bags which weigh more than 30 lbs. will not be picked up.
- Trash bags must be tied or they will not be picked up.
- Horticulture bags must be tied or they will not be picked up.
- Loose horticulture clippings must be 4 feet or less, tied & bundled & not more than 30 lbs.
- Cardboard should go out on Wednesdays with recyclables.
- Any outside contractor doing work at your home - tree trimming, lawn maintenance, home remodeling/repairs MUST haul off their own trimming and refuse. It will not be picked up by our maintenance crew.

The full list of rules is available on our website at www.forestparkonline.com, or you may contact the office if you have any questions.

HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

*Education is when you read the fine print;
experience is what you get when you don't*

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

BLUE BARREL RECYCLE

The blue barrel is used for all other types of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

Remember to use flashing lights
or flashlights when you are riding
or walking at night.

BINGO

By: Anne Domingos

Please joins us on Tuesdays at 6:45 for 7:00 pm Bingo in the Clubhouse each week. Cards are \$.50 with a minimum purchase of four cards. Night Owl cards are 25 cents. All three Bingo's go all year round. Check your calendar in the newsletter each month. There is a new addition to our BINGO games. You put a quarter into a "money ball pot." The first number called is the "special number" so that if you bingo on that number, you will win the money that has been collected in the money ball pot plus the money that is allotted for the game that you won. If the money ball pot was not won, the amount is saved from week to week until someone is the winner. Come and Enjoy Playing Bingo!

ALUMINUM CAN RE-CYCLE

By: Social Club

REMINDER Aluminum Cans being collected

Please do Not Use the can as an ashtray. Beer Drinkers, Please rinse out the can and turn it over to dry out. **Everyone** Please take the tab off, collect them and take your full container to the clubhouse. On kitchen counter, there is a Ronald McDonald box that you put the tabs into. Betty Campbell takes them to the Ronald McDonald where they sell the aluminum. You are helping both Social Club and Ronald McDonald House. Our aluminum crusher people appreciate your Help.

Please remember to put your washed out, dry aluminum cans. In a bag and place **UNDER YOU MAILBOX** early Tuesday morning for pick up. Please make sure your cans are rinsed **CLEAN** and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue recycle bins. Money collected for can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park. Please place your aluminum cans out near your mailbox either Monday night, or very early on Tuesday morning. To make the job easier, we are asking that you take the tabs off your cans. It takes as long to take the tabs off the cans as it does to run the crushing machine. You take the tabs off and bag them, when you have a full bag, bring the tabs to the Clubhouse.

FRIDAY NIGHT BRIDGE

By Trish Tegeler

We are playing bridge every Friday night in the Club House. If you are interested in playing there is a signup sheet in the club house. Please put your name and phone number on the sheet or call Trish Tegeler at 239-567-0148.

COMPUTER CLUB

We will not be meeting until the Fall. See you then.

CRAFT CLUB

By: Diana Power

Craft club still meets on Wednesday, but it is not a regular meeting. The girls work on any project of interest and enjoy the friendship. So anyone in the park is invited to join them any Wednesday. Call Nancy Lawrence if you have any questions.

FOREST PARK HAS A GREAT LIBRARY

There's a little oasis of knowledge and information right here in the Forest Park activities building. No need to hop into your car and drive. We have current hardcover and paperback books, reference materials, videos, talking books large print, magazines and even puzzles. You can look up health related issues, financial questions, recipes and advice on retirement. Your favorite authors are in abundance- James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a juicy collection of romances. At the FP Library, you don't need a library card- just step inside, choose your media and take it home- for as long as you like, return it when you're done. Your library runs on donations. We always need **CURRENT** popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. We do not accept older books due to space limitations and because we wish to be current and fresh in our offerings so please, take older books to the North Fort Myers Friends of the Library. We also need library style metal bookends and book display easels. Why read? "The benefits of all this mental activity include keeping your memory sharp, you're learning capacity nimble, and your mind basically hardier as you age... just processing the words boosts the brain"

HAND AND FOOT CARD GAME

Join us on Sunday nights at 6:00 pm in the Clubhouse for the "Hand and Foot" card game. It can be played at a table of 6, 4, or 3. All are welcomed! This card Game goes all through the summer months.

KARAOKE MONDAYS

By Robyn Johnson

Are you looking for something to do this summer? If so, come on down and try your voice out at karaoke or just sit back and enjoy the singers. Karaoke is every 1st and 3rd Monday of the month from 6-9:00. The Hot Dog dinner will return in the Fall.

LADIES BIBLE STUDY

By Laura Esters

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology, but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door, and walk in--we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

MEXICAN TRAIN DOMINOES

By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

NORTH EAST CLUB

By Barb Wood

Another season has come and gone. We wish all those that head north for the summer safe travels and a happy, healthy summer. Those that remain, hold down the fort until we return, but also to have a safe, happy and healthy summer.

We have another fun filled schedule of events for next season beginning December 11th with a "Christmas

Surprise" hosted by Mike and Kathy Fanning. Not sure what they're planning, but know it will be an evening of fun, rekindling friendships and catching up on what happened over the summer and plans for "2017-2018 Season". So come out for some fun!

January 22nd we'll be having a 50's - 60's Sock Hop hosted by Ivan and Jill Taylor. So get those poodle skirts out of the moth balls, shine them saddle shoes and come to the club house for a night out.

February 26th event will be hosted by Carol Cotrell and the Tetzloff's. At this time the theme is still to be determined but I feel confident they will do a fine job of coming up with something fun.

March 26th we'll be stranded on Gilligan's Island with Ray Sutphin and Richard Clark as our hosts. So let's take a ride on the "SS Minnow" and see if we can find Gilligan and the Skipper. Who knows, maybe the Howell's will even show up for the party!

April 9th will be our annual picnic again hosted by the club board members.

Please don't forget to bring your \$5.00 dues to the December 11th meeting. Tickets for the January Sock Hop will also be available. Remember ticket pricing is now \$10.00 for each event.

PINE TREE KNOTS QUILTERS

By: Peggy Baker

All of our seasonal quilters have returned North, leaving a few of us in Florida. The "leftovers" continue to meet weekly. Recent projects for the group have been Friendship Quilts, Christmas favors for Meals on Wheels and Forest Park Cheer Baskets, and our personal projects. We hope everyone has a peaceful, healthy summer. See you in the fall.

HEALTH AND WELLNESS

By: Julie Seubert

So many of the 'healthy' packaged goodies and snacks you're getting from the supermarket every week, may be loaded with additives that can put your health at risk.

Most of us only check for carbs, fat, and calories while paying no attention to the flavor enhancers, which are lab-generated chemicals made to boost sales and cut costs for manufacturers. Unfortunately, the foods that can't make you fat can probably kill you!!

CHECK OUT THESE 9 MOST DANGEROUS ADDITIVES THAT YOU ABSOLUTELY NEED TO STOP EATING:

1. Partially Hydrogenated Oil
2. High-Fructose Corn Syrup
3. MSG
4. Sodium Nitrate and Sodium Nitrite
5. BHA (Butylated Hydroxyanisole) and BHT (Butylated Hydroxytoluene)
6. Propyl Gallate
7. Potassium Bromate
8. Sodium Benzoate and Benzoic Acid
9. Food Colorings

Each month I will focus on 1 or 2 of the additives. This month I will start with Partially Hydrogenated Oil. This ingredient is mainly used to prolong shelf life and stabilize flavor. Partially hydrogenated oil is the primary source of trans fats, which the body finds very difficult to dissolve, moreover, they increase bad cholesterol and have been proven to be active agents of cellular deterioration, nutritional deficiencies, diabetes, and heart disease. You should avoid all foods that consist of trans fat, such as margarine, chips, salad dressings, cookies, crackers, and vegetable shortening.
