SOCIAL CLUB NEWS

By: Julie Seubert

The front cover shows a few pictures of a visitor we had or have in Forest Park. Actually I have seen the iguana twice and both times he looked very different. We saw the brown one on the bank of Peace Lake by our house and the green one was in a tree at our neighbors house.

Here are a few facts from the "Live Science Magazine":

Due to Florida's prominence in the exotic pet trade, iguanas imported as pets have escaped or been released, and are now established in South Florida. This has created unique problems for Florida's homeowners and businesses. South and Central Florida's subtropical climate allows these large herbivorous (plant-eating) lizards to survive, reproduce, and become part of the Florida environment. Three large members of the iguana family (Iguanidae) have become established in south Florida. These are the common green iguana (*Iguana iguana*), the Mexican spiny-tailed iguanas (*Ctenosaura pectinata*) and black spiny-tailed iguana.

Adult iguanas are large powerful animals that can bite, cause severe scratch wounds with their extremely sharp claws, and deliver a painful slap with their powerful tail. Iguanas normally avoid people but will defend themselves against pets and people that try to catch them or corner them.

Like most lizards, iguanas lay eggs, though the number of eggs varies, depending on species. The female rock iguana lays five to 20 eggs, for example, while the green iguana lays around 65 eggs.

Eggs are laid in a burrow in a warm, sunny area. The mother covers the eggs and then walks away. According to the San Diego Zoo, the burrow will stay a steady 77 to 89 degrees Fahrenheit (25 to 32 degrees Celsius), which incubates the eggs until they hatch. The baby iguanas are completely on their own for the three years it takes to fully mature because their mother never returns. Many young never make it to maturity.

VOLUNTEER NEEDED!!

Social Club is stepping down from hosting the 4th of July Picnic.

If any club or group would like to take over this event, please feel free to contact Robyn Johnson and she can assist you with your questions.

SNOW BIRD TIP....

PLEASE CHANGE YOUR BATTERIES in your thermostat, humidistat and smoke detectors or anywhere you need to have use of the appliance during the summer months. It is a terrible experience to have to come back to your home full of mold everywhere. We have also found that placing Damp-Rid in all rooms and closets helps to rid your home of moisture and humidity.

We have received complaints regarding residents walking their dogs and not picking up after them. Kindly pick up after your dog. If you walk your dog at night, please carry a flashlight and a doggy bag and clean up after your pet. Dog feces are unsightly and are health hazards. Please be considerate of your neighbors. (If you observe someone not picking up after their pet, you may remind them to do so, or take a photo of the person and contact the office.)

HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

Trash, Horticulture & Waste Disposal Reminder....

Just a refresher on our Rules & Regulations for trash, horticulture and waste disposal...

- Trash bags which weigh more than 30 lbs. will not be picked up.
- Trash bags must be tied or they will not be picked up.
- Horticulture bags must be tied or they will not be picked up.
- Loose horticulture clippings must be 4 feet or less, tied & bundled & not more than 30 lbs.

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, them scotch tape it there while you are here.

RECYCLE BLUE BIN

The blue bin is used for all *other types* of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

ALUMINUM CAN RE-CYCLE

By Social Club

REMINDER Aluminum Cans being collected. Please do Not Use the can as an ashtray. Beer Drinkers, please rinse out the can and turn it over to dry out. HURRICANE & DISASTER PREPAREDNESS

Hurricane season runs from June 1 to mid-November. Before a hurricane, or in preparation for any disaster, make the following preparations: (thank you to Ready.gov for much of this information):

- Build an emergency kit and make a family communications plan. (Keep cell phones fully charged. Texting will often work even if calls cannot be placed).
- Have a family member or friend out of the area designated as a contact for all family members
- Know your surroundings.
- Pay close attention to weather forecasts and storm surge warnings and react to weather warnings and guidance from city officials appropriately.
- Learn community hurricane evacuation routes and how to find higher ground.
- Determine where you would go and how you would get there if you must to evacuate. Know area shelters.
- Take a written inventory and photograph or videotape house & belongings.
- Review/update home owners insurance policies and keep information on hand.
- Have cash and extra gasoline and prescription medicines on hand.

SECURE YOUR HOME FOR A HURRICANE

- Trim dead or broken tree branches and shrubs around your home so they are more wind resistant.
- Clear loose and clogged rain gutters and downspouts.
- Bring in all outdoor furniture, decorations, garbage cans and anything else that is not tied down.
- Make sure your address number is clearly marked on your mobile home.
- Check and secure all of your mobile home's tie-downs.
- Bring in any loose items from outside – lawn décor, furniture, BBQ grills, bicycles, etc.
- Secure any loose roofing and siding.
- Purchase these materials to secure your mobile home:

Plywood, Shutters and/or protective window film, Plastic sheeting, nails

Make an emergency preparedness kit:

Your kit should include a portable, sturdy, easy to carry, water resistant container and should have enough supplies for seven days. Check your kit and replace perishable stock every six months. Whether you purchase

a kit or choose to build your own, your seven-day kit should include:

- Water - one gallon per person, per day.
- Food - non-perishable, easy-to-prepare items such as tuna fish, peanut butter, crackers, and canned fruit. Make sure to include a manual can opener.
- A battery-powered or hand-crank radio, flashlight and plenty of extra batteries.
- A first aid kit.
- Prescription and non-prescription medication items (seven-day supply). Include medical supplies like extra hearing aid batteries, syringes, etc.
- Copies of important documents, including birth certificates, insurance policies, a medication list and pertinent medical information, proof of address, deed/lease to home and social security cards.
- Cell phone chargers.
- Multi-purpose tool.
- Sanitation and personal hygiene items.
- Extra cash. ATMs and credit cards won't work if the power is out.
- Special items for infant, elderly or disabled family members.
- One blanket or sleeping bag per person.
- Pet supplies (collar, leash, ID, food, carrier, bowls).

- Maps of the area.

Prepare a family evacuation plan

Each household needs to develop a household disaster plan. The plan should include

- Identifying two meeting places: one right outside your home in case of a sudden emergency, like a fire, and one outside your neighborhood in case you can't return home.
- Making advanced preparations for your pets. Be aware that pets may not be allowed in shelters. Contact hotels, motels, family members and animal shelters to see if they would allow pets in a disaster situation. Keep a contact list of "pet friendly" locations. If you are asked to evacuate, take your pets with you.
- Choosing an out-of-area emergency contact person. During or after a disaster, it's often easier to call long distance, especially if local phone lines are overloaded or out of service. Family members should call this person and tell them where they are. Everyone must know your emergency contact person's phone number and email address.
- Plan your evacuation route. Use local maps and identify alternate evacuation routes from home, work and/or school. Know where you are going and how you plan to get there before you leave home.

STRESS

A young lady confidently walked around the room while leading and explaining stress management to an audience with a raised glass of water. Everyone knew she was going to ask the ultimate question, 'half empty or half full?'... She fooled them all "How heavy is this glass of water?" she inquired with a smile.

Answers called out ranged from 8 oz. To 20 oz.

She replied, "The absolute weight doesn't matter. It depends on how long I hold it.

If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm.

If I hold it for a day, you'll have to call an

Ambulance. In each case it's the same weight, but the longer I hold it, the heavier it becomes." She continued, "and that's the way it is with stress. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on."

"As with the glass of water, you have to put it down for a while and rest before holding it again. When we're refreshed, we can carry on with the burden - holding stress longer and better each time practiced.

So, as early in the evening as you can, put all your burdens down. Don't carry them through the evening and into the night... Pick them up tomorrow; have a large glass of wine tonight.

1. Accept the fact that some days you're the pigeon, and some days you're the statue!
2. Always keep your words soft and sweet, just in case you have to eat them.
3. Always read stuff that will make you look good if you die in the middle of it.
4. Drive carefully... It's not only cars that can be recalled by their Maker.
5. If you can't be kind, at least have the decency to be vague.
6. If you lend someone \$20 and never see that person again, it was probably worth it.
7. It may be that your sole purpose in life is simply to serve as a warning to others.
8. Never buy a car you can't push.
9. Never put both feet in your mouth at the same time, because then you won't have a leg to stand on.
10. Nobody cares if you can't dance well. Just get up and dance.
11. Since it's the early worm that gets eaten by the bird, sleep late.

12. The 2nd mouse gets the cheese; after the first got caught in the trap.
13. When everything's coming your way, you're in the wrong lane.
14. Birthdays are good for you. The more you have, the longer you live.
15. Some mistakes are too much fun to make only once.
16. We could learn a lot from crayons. Some are sharp, some are pretty and some are dull. Some have weird names and all are different colors, but they all have to live in the same box.
17. A truly happy person is one who can enjoy the scenery on a detour.
18. Have an awesome day and know that someone has thought about you today.

AND MOST IMPORTANTLY

19. Save the earth..... It's the only planet with chocolate!*
- I THINK !!!!

Be the kind of person that when your feet hit the floor each morning the devil says~~ "Oh Crap, They're up!"

CRAFT CLUB

By: Diana Power

Craft club still meets through the summer at 9:00 on Wednesday. Everyone is welcome to come for friendship and doing some crafts. Bring your own craft to work on or help with a group project. It is all fun.

GOLF CARD GAME

A fun and easy game to play. Come join us at 1:00 on Tuesdays.

KARAOKE

Karaoke will be held on the first and third Monday of each month during the summer. Music starts at 6:00 and ends at 9:00 P.M. Come on out and join the fun. Hot Dog dinners will begin in November.

LADIES BIBLE STUDY

By Laura Esters

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door and walk in---we'll be glad to welcome you! If you have any questions, please call Waneta 239-219-7593 or Laura at 239-210-8010.

PROGRESSIVE HAND AND FOOT

We play every Thursday night at 6:30. We will either be in the clubhouse or the activity building. Come and learn a new game!!

FOREST PARK HAS A GREAT LIBRARY

By: Gail Ford

Our Forest Park Library, located in the activity building, has current hardcover and paperback books, reference materials, videos, talking books, large print books, cookbooks, Christian books, magazines and even puzzles. You will find the cook books and Christian books on the bottom shelves. All others are in alphabetical order. Your favorite authors are in abundance-James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a huge collection of romances. Our library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. The space we have for books is very limited, therefore, please take your older books to the North Fort Myers Friends of the Library or to a Goodwill store.

MEXICAN TRAIN DOMINOES

By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

QUILT CLUB

By: Peg Baker

Most of our seasonal quilters have returned North, leaving the "leftovers" who continue to meet during the summer. If you work during season and have the summer free, join our summer quilters. We meet in the Clubhouse at 9:00 am on Thursdays. We had a busy season, making table toppers, crazy quilts, comfort quilts, baby blankets and we're already thinking about Christmas projects. As always, we continue to give quilts to our **residents** with serious illness. Please let a quilter know if you have a friend or neighbor that would get comfort from one of our quilts. If you have any questions, contact Peg Baker. Happy summer!!!

NORTH EAST CLUB

By Barb Wood

By now all the "Snowbirds" are probably back north to their summer homes safe and sound already thinking about what's going on with the North East Club. We have our new officers for this coming season. We have a wonderful schedule lined up and some really interesting themes.

We're going to kick off the 2018-2019 Season on December 10th with a theme of "Deal or No Deal". This evening will be hosted by Madaline Preston, Carmen West and Gloria Hartz. This is also the night when you pay your dues for this season. On January 28, 2019 we will have "Italian Night" hosted by Carole Beconder, Mike and Kathy Fanning. February 25, 2019 is "Vegas Night" hosted by Pam Salk, Bob and Gail Rispoli and Rose Crum. March 25, 2019 will be our "Red Neck Country Ball" hosted by Nancy Cooper and Chris Major. We will end our season with the "Annual Picnic" hosted by the NE Club Board. Mark your calendars, start gathering your costumes and another good year of fun times with old and new friends!

Have a safe and happy summer see you all real soon!
