IT HAPPENED...IT REALLY HAPPENED!!

By: Joyce Hines

Don't you love it when a plan comes together? On November 30th at 9:00 a.m. a group of our Forest Park residents stepped up to the plate and helped turn our Clubhouse grounds into a vision of Christmas!! Thanks to the following volunteers: Roberta Allen, Denise Brewer, Karen Caudill, Kathy and Mike Fanning, Mike Hartz, David Helphinstine, Ray Hosey, Peg Hull, Robyn and Duke Johnson, May LaRocco, John Marshall, Harold Mundle, Phil Power, Mary Powers, Julie and Bob Seubert, Lou Smith, Chris Tabor, Jim and Charlene Wash and Bernie Walz. If I missed anyone, please let me know! We are still working on some small details. Lighting, as always, plays havoc with one's Christmas spirit, but several of the men helped to iron out the lighting problems that occurred. A HUGE THANK YOU to all the volunteers who miraculously appeared to help create this year's display! "It takes a Village"...and our Village is amazing!!

WHAT GOES UP MUST COME DOWN!

Our Forest Park volunteers did a fantastic job decorating our park for the holidays. But the time is coming to "take down what was put up"! Volunteers are needed at the Clubhouse on Tuesday, January 2nd at 9:00 a.m. to remove and store the decorations. Please...don't leave Santa in the lurch!! **Show up on January 2nd!**

FPPOA residents are still arriving and need their wi-fi enabled. This will continue until after Christmas. Some have arrived to find their antenna on the ground as a result of the hurricane. (HINT) We will be adding 2 more 5 Ghz antennas to the clubhouse tower to keep up with the additional users. We have made a decision to delay adding the second fiber 100 mips until the present contract is over in the fall of next year. We will be able to get two lines for the price of one or even less. Also, our wi-fi activity remains high for the rest of the season and would be difficult to take this project on.

We have over 170 users on the system the first of Dec and expect many more over the Christmas season. We ask our users to be aware of how much bandwidth they are using. **If you want to watch Netflix do it at a time when the usage is low, like 10AM to noon, 2Pm till 5PM and after 10 PM at night.**

We finally got the security cameras upgrade up and running.

TIPS FROM BECKY

By: Becky Conrad

Fire Extinguisher. Have you checked yours to see that it is fully charged?

PASS

P = Pull the pin.

A = Aim it at the fire

S = Squeeze the Trigger

S = Sweep the fire or Swing it back and forth at the fire.

Please stop before you pull out of your driveway. Lots of residents are riding bikes and lots are walking. Look both ways before you pull into the street. Many of our residents are riding bikes because they have had knee surgery. They cannot stop that thing on a dime because you did not look before you entered the street. PLEASE look both ways for walkers and riders. Wait for them.

Did you know that when you put your items out to the street for pick up that they are available for anyone to pick them up? Including outsiders who drive thru the park dumpster diving. Anybody can drive in here and help themselves. You may control that by advising them that they cannot help themselves and are to leave the park. At that time, they are then trespassing and the Sheriff may be called at 239-477-1000.

NO trash is to be out to the street until after 6:00 PM the night before Pick Up.

FOREST PARK HAS GONE GREEN!!

Just a reminder that we have gone green for ALL functions with food -- That means you must bring your own plate, napkin, silverware and cup. Hopefully everyone will adjust to the change. We started doing this last year already so hopefully we'll all remember to bring your own place settings whenever food is being served.

LAWN MOWING HOURS

7 AM to 11 PM June 1 through August 31st and 8 AM to 11 PM September 1st through May 1st.

FLORIDA ANCHOR AND BARRIER COMPANY

HELP US SOUND THE ALARM ABOUT FIRE SAFETY

Every day 7 people die in home fires. You can help change that. The American Red Cross will team up with fire departments, volunteers, and partners to Sound the Alarm with home fire safety and smoke alarm installation events.

Volunteers will install 100,000 **FREE** smoke alarms in more than 100 at-risk communities across the country. We'll also mark a major milestone---our 1 millionth smoke alarm installation since 2014!!

We will be setting up an informational meeting with a representation with the American Red Cross for this fall. In the meantime, if anyone is interested in them conducting a home visit to check your smoke alarm, please call the American Red Cross office at 239-278-3401 to schedule an appointment. Or call Chuck Dusick at 239-560-0022.

FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.). The wristbands are now available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations. Thank you for your anticipated cooperation to assist in maintaining the security of our park.

We have received complaints regarding residents walking their dogs and not picking up after them. Kindly pick up after your dog. If you walk your dog at night, please carry a flashlight and a doggy bag and clean up after your pet. Dog feces are unsightly and are health hazards. Please be considerate of your neighbors. (If you observe someone not picking up after their pet, you may remind them to do so, or take a photo of the person and contact the office.)

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

RECYCLE BLUE BIN

The blue bin is used for all *other types* of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

ALUMINUM CAN RE-CYCLE

By Social Club

REMINDER Aluminum Cans being collected

Please do Not Use the can as an ashtray. Beer Drinkers, please rinse out the can and turn it over to dry out. Please take the tab off, collect them and take your full container to the clubhouse. On kitchen counter, there is a Ronald McDonald box that you put the tabs into. Betty Campbell takes them to the Ronald McDonald where they sell the aluminum. You are helping both Social Club and Ronald McDonald House. Our aluminum crusher people appreciate your Help.

Please remember to put your washed out, dry aluminum cans in a bag and place **UNDER YOUR MAILBOX** early Tuesday morning for pick up. Please make sure your cans are rinsed **CLEAN** and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue recycle bins. Money collected for can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park. Please place your aluminum cans out near your mailbox either Monday night, or very early on Tuesday morning.

Remember to use flashing lights or flashlights when you are riding or walking at night.

The first number called is the "special number" so that if your bingo on that number, you will win the money that has been collected in the money ball pot plus the money that is allotted for the game that you won. BOOK CLUB

By: Gail Ford

Book Club will meet in January on Friday 26th at 1 PM in the activities building. I'm hoping to reserve the book kit for "Little Bee" by Chris Cleave. I have not read the book, but the reviews were good. Our Forest Park library has a copy and I will read it. I won't be here on the date for the book club so will ask someone to be the facilitator. The discussion questions come with the book kit so there is no prep on your part. I will be home to pick up the books and bring them back to the library. The book we are reading is "The Immortal Life of Henrietta Lacks" by Rebecca Skloot.

I want to thank our residents for their book donations.

CRAFT CLUB

By: Diana Power

Happy and joyous New Year to everyone! December was a busy month for Craft club. We decorated the inside of both buildings for Christmas. On the ninth we put on our first Holiday breakfast which we hope you enjoyed. All members enjoyed some fun and fellowship at a Christmas party on the thirteenth. We donated money to

Veteran's guide dogs, FP Basket of Cheer, CCMI food bank and to soldiers to get calling cards to call home for Christmas. We also donate toys and clothes to the women and children at the Abuse and treatment center.

Now we are getting ready for the New Year. On January third, we will be taking all the Christmas decorations down. Put the ninth of January on your calendar. That is when we will be having our first dinner of the year. It will be a chicken meal along with the hot dog meal. Remember everyone is welcome to all our dinners. We serve from four to five thirty and the cost is seven dollars. Ala carte prices for the hot dog meal. Don't forget your place settings. Hope to see you there.

Remember you do not need to be crafty to belong to Craft club. Many different projects are going on and you can join any of them. Come and try something new or bring your own ideas. A fun and relaxing morning can be enjoyed by all. Hope to see you on Wednesday mornings at nine o'clock

LADIES BIBLE STUDY

By Laura Esters

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology, but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door, and walk in--we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

MAH JONGG

We are still meeting on Wed at 1PM in the activity building. This game is very challenging but good for our brains. Anyone is welcome to join us or just watch and laugh at/with us.

MEXICAN TRAIN DOMINOES

By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

NORTH EAST CLUB

By Barb Wood

Can you believe that Christmas has come and gone, and we are now in full swing of the "Season" in Forest Park, something always going on, something to do each day.

Our Christmas Surprise proved to be a nice night of fun, food and friendship for all. Thank you, Mike and Kathy and your team, for another job well done!

January 22nd we'll be Rockin' at our 50's - 60's Sock Hop hosted by Carole Beconder, JoAnn Monti, Christine Dellimuti and Kathy Helmick with their team of volunteers. So, don't forget to polish the saddle shoes, press that Poodle skirt and guys get your Brylcreem and get that hair slicked back for a fun night on the town.

Our February 26th meeting will be a Patriotic theme hosted by Ed and ET Thomas and their crew of volunteers. So, keep your red, white and blue's close by and show us your pride!

On March 26th we'll still be setting sail for Gilligan's Island with Ray Sutphin and Richard Clark on the SS Minnow. Come on out and see what adventures are in store for everyone.

We'll end our season with the annual picnic on April 9th, hosted by our board members. I'm sure there'll be plenty of good food and fun for all before the "Snowbirds" head north for another summer.

Remember anyone in the park can be a member of the North East Club so come on out and join along with your friends and Forest Park neighbors!

Don't forget your place settings and most importantly your ticket. No ticket, no meal.

Both of these fine ladies have eaten there several times. I am looking forward to going and giving it a try. Please
