PINE TREE KNOTS QUILT CLUB

By: Peg Baker

The Pine Tree Knots Quilters held their annual quilt show, Sunday March 11. The raffle quilt was made by Polly Naylor. It was won by one of our members, Suzy Meuwissen, great grandson Kevin Tibbetts. The Chinese Auction provided 22 other winners with various handmade items. The quilt show allows the members to display their works of beauty. We also displayed our comfort quilts, that we make for our residents with serious illness. We started this custom in 2007 and have given 125 lap quilts to date. Please let us know if you have a friend, neighbor or loved one in the Park that would get comfort from one of our quilts. An extra big thank you to Doug Ford, Criss Sexton, Bill Meuwissen for helping. We couldn't have done it without you!!!

Club members:

Front row: Gail Ford, Brita Mulholland, Suzy Meuwissen, Janet Irwin, Jeanette Allen, Peggy Baker, Kay Westall

Back row: Phyllis Sexton, Sandy Bagge, Kris Chapman, Marilyn Jackson, Karen Weaver, Polly Naylor, Eleanor Cole, Martha, Janet Clear, Criss Sexton

Absent: Wanda Dickerson, Shirley Korkham, Betty Combs

SOCIAL CLUB NEWS

By: Julie Seubert

Hardly seems possible we are approaching the end of another fabulous season here in Forest Park. There were lots of activities and it was wonderful to see the great participation.

JUST A NOTE: If you are planning an event for a time other than your regularly scheduled time, or you would like to have a private event at one of our facilities, PLEASE check the monthly calendar first. Every event held in this park should be on the monthly calendar. Then you need to contact myself or Robyn or Mary Diaz in the office, so we can put you on the calendar.

We hope everyone enjoyed their time here this season. We thank everyone who volunteered in any of the activities in the park and thank you for supporting the things we do!! If you are traveling away from here, have a safe journey and we will see you next season.

WITH GRATITUDE AND APPRECIATION

Words cannot express our gratitude to Nick & Marilyn Nufryk for all the years that they have volunteered in the various clubs and activities in Forest Park. Nick and Marilyn are moving back to New York. We appreciate your dedication and countless hours you have given to the people of this park. Nick and Marilyn have been our "Ticket Sellers" for all of the Social Club events. We are forever grateful for your service and will miss you. May God Bless you and keep you healthy and safe.

SNOW BIRD TIP....

PLEASE CHANGE YOUR BATTERIES in your thermostat, humidistat and smoke detectors or anywhere you need to have use of the appliance during the summer months. It is a terrible experience to have to come back to your home full of mold everywhere. We have also found that placing Damp-Rid in all rooms and closets helps to rid your home of moisture and humidity.

HAPPY EASTER!!

That expression means many things to different people. For us Christians, it is a time of renewed hope. Christ promised to make all things new and His promise is beautifully revealed in the splendor of Easter morning when the stone is rolled away and He Is Risen!! As people desperate for spring time temperatures and sunshine....we are most certainly in need of the hope that spring will in fact arrive and with sunshine and warmer breezes...help to make our lawns and moods new again! So, whatever Easter means to you and your families....may the joy that is Easter bring renewed hope, health and wealth of all measures to you and yours.

Ice Cream Social

ICE CREAM SOCIAL

Come one—Come all!! To an Ice Cream Social on Thursday April 5th from 6:00 to 8:00 and enjoy an ice cream sundae with your choice of toppings and be entertained by Chris Brettschneider and Bob Price playing some lively music on the accordion and banjo. Bob and Chris played for us last year and was enjoyed by everyone. The price for the fun evening is only \$5.00. AND you don't have to bring your own dishes!!

KOFFEE KLATSCH

The last Koffee Klatsch for this season will be on April 6th. Lee County Emergency Management will be here to hold a Hurricane Preparedness Seminar.

Information will include how to plan and prepare for Hurricane season, as well as info on Special needs programs, volunteering, family emergency plans, evacuation routes and zones, public shelters, emergency supply kits and what resources are available during a disaster.

Please mark your calendar for April 6th at 9:00 a.m. Coffee and donuts will be provided and 50/50 drawing. Please bring your coffee cup!!

MENS KOFFEE KLATSCH

Mens Koffee Klatsch is held the 2nd Friday of the month from November – April at 8:00 a.m. in the clubhouse. Come out for conversation with other Forest Park men. Coffee and donuts will be provided. Please bring your own coffee cup. The last Koffee Klatsch of the season will be April 13th.

WOMENS KOFFEE KLATSCH

Due to lack of participation there will no longer be a Womens Koffee Klatsch. If there is an interest next season we will reinstate it. Have a great summer!!

OFFICE UPDATES

By: Mary Diaz

For Rent Updates

If you have a home for rent, please remember to update the office on the particulars if you would like it listed on the bulletin board & online. Also, please let us know if it is rented so we may remove it from the list. Thank you.

Friendly Reminder from the Office

Please visit the office to sign out when you depart for the season & make sure your contact information is up to date. Good friends never say good bye. They simply say farewell, and we'll see you soon!

We are so grateful for the dedicated team of Reception volunteers for their countless hours in the Forest Park office this season and last summer. The volunteers are always ready to welcome visitors with a smile and lend a helping hand. They also assist with various office projects.

We would like to convey our gratitude to Sherrill Wright, Reception Volunteer Coordinator, Laurene Armstrong, Jan Brewer, Kathy Carson, Jonie Emery, Sheila Fitzgerald, Edie Hosey, Robyn Johnson, Teresa Jones, Mary Kurucz, Waneta Schafer, Pat Schuren and Peg Stewart. You represent the spirit of generosity and hospitality which makes Forest Park an exceptional community!

HEALTH AND WELNESS

By: Mary Gibson, RN

Blood Mobile will be here on Monday, April 9th from 1pm to 4pm. Watch for posters and sign up sheet to follow.

LINE DANCING

We were hoping that by decreasing the price of line dancing from \$5.00 to 3.00 that we would have had more interest in the class. But that did not happen. So due to lack of participation, our instructor has decided not to continue teaching. Therefore, the last day for line dancing was March 23rd. Hopefully we can bring it back this fall. We all learned a few dances and had a lot of fun.

Seeking Volunteer Yoga & Swim Instructors for Next Season

Our Social Club is looking for anyone interested in teaching a Yoga class or a swimming instructor for next season who can teach folks who want to improve their strokes. Please email Robyn Johnson at fpsoasocialclub@forestparkonline.com if you are interested.

FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.). The wristbands are now available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations. Thank you for your anticipated cooperation to assist in maintaining the security of our park.

We have received complaints regarding residents walking their dogs and not picking up after them. Kindly pick up after your dog. If you walk your dog at night, please carry a flashlight and a doggy bag and clean up after your pet. Dog feces are unsightly and are health hazards. Please be considerate of your neighbors. (If you observe someone not picking up after their pet, you may remind them to do so, or take a photo of the person and contact the office.)

Trash, Horticulture & Waste Disposal Reminder....

Just a refresher on our Rules & Regulations for trash, horticulture and waste disposal...

- Trash bags which weigh more than 30 lbs. will not be picked up.
- Trash bags must be tied or they will not be picked up.
- Horticulture bags must be tied or they will not be picked up.
- Loose horticulture clippings must be 4 feet or less, tied & bundled & not more than 30 lbs.
- Cardboard should go out on Wednesdays with recyclables.
- Any outside contractor doing work at your home - tree trimming, lawn maintenance, home remodeling/repairs MUST haul off their own trimming and refuse. It will not be picked up by our maintenance crew.

The full list of rules is available on our website at www.forestparkonline.com, or you may contact the office if you have any questions.

HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, them scotch tape it there while you are here.

RECYCLE BLUE BIN

The blue bin is used for all *other types* of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

ALUMINUM CAN RE-CYCLE

By Social Club

REMINDER Aluminum Cans being collected.

Please do Not Use the can as an ashtray. Beer Drinkers, please rinse out the can and turn it over to dry out. Please take the tab off, collect them and take your full container to the clubhouse. On kitchen counter, there is a Ronald McDonald box that you put the tabs into. Betty Campbell takes them to the Ronald McDonald where they sell the aluminum. You are helping both Social Club and Ronald McDonald House.

THANK YOU to Duke and Robyn Johnson and to Von and Rich Gasper who pick up the cans every Tuesday Morning and to Bill and Cheryl O'Loughlin and Roger Wagner who crush the cans each week.

Please remember to put your aluminum cans in a bag and place **UNDER YOUR MAILBOX** by 7:00 A.M. TUESDAY MORNING for pick up. Please make sure your cans are rinsed **CLEAN** and **DRY**. Please place away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag. Those go in the blue recycle bins.

Money collected for can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park.

HURRICANE & DISASTER PREPAREDNESS

Hurricane season runs from June 1 to mid-November. Before a hurricane, or in preparation for any disaster, make the following preparations: (thank you to Ready.gov for much of this information):

- Build an emergency kit and make a family communications plan. (Keep cell phones fully charged. Texting will often work even if calls cannot be placed).
- Have a family member or friend out of the area designated as a contact for all family members
- Know your surroundings.
- Pay close attention to weather forecasts and storm surge warnings and react to weather warnings and guidance from city officials appropriately.
- Learn community hurricane evacuation routes and how to find higher ground.
- Determine where you would go and how you would

- get there if you must to evacuate. Know area shelters.
- Take a written inventory and photograph or videotape house & belongings.
- Review/update homeowners insurance policies and keep information on hand.
- Have cash and extra gasoline and prescription medicines on hand.

SECURE YOUR HOME FOR A HURRICANE

- Trim dead or broken tree branches and shrubs around your home so they are more wind resistant.
- Clear loose and clogged rain gutters and downspouts.
- Bring in all outdoor furniture, decorations, garbage cans and anything else that is not tied down.
- Make sure your address number is clearly marked on your mobile home.
- Check and secure all of your mobile home's tie-downs.
- Bring in any loose items from outside – lawn décor, furniture, BBQ grills, bicycles, etc.
- Secure any loose roofing and siding.
- Purchase these materials to secure your mobile home:
 - Plywood, Shutters and/or protective window film,
 - Plastic sheeting, nails

Make an emergency preparedness kit:

Your kit should include a portable, sturdy, easy to carry, water resistant container and should have enough supplies for seven days. Check your kit and replace perishable stock every six months. Whether you purchase a kit or choose to build your own, your seven-day kit should include:

- Water - one gallon per person, per day.
- Food - non-perishable, easy-to-prepare items such as tuna fish, peanut butter, crackers, and canned fruit. Make sure to include a manual can opener.
- A battery-powered or hand-crank radio, flashlight and plenty of extra batteries.
- A first aid kit.
- Prescription and non-prescription medication items (seven-day supply). Include medical supplies like extra hearing aid batteries, syringes, etc.
- Copies of important documents, including birth certificates, insurance policies, a medication list and pertinent medical information, proof of address, deed/lease to home and social security cards.
- Cell phone chargers.
- Multi-purpose tool.
- Sanitation and personal hygiene items.

...continued on page 12

- Extra cash. ATMs and credit cards won't work if the power is out.
- Special items for infant, elderly or disabled family members.
- One blanket or sleeping bag per person.
- Pet supplies (collar, leash, ID, food, carrier, bowls).
- Maps of the area.

Prepare a family evacuation plan

Each household needs to develop a household disaster plan. The plan should include

- Identifying two meeting places: one right outside your home in case of a sudden emergency, like a fire, and one outside your neighborhood in case you can't return home.
- Making advanced preparations for your pets. Be aware that pets may not be allowed in shelters. Contact hotels, motels, family members and animal shelters to see if they would allow pets in a disaster situation. Keep a contact list of "pet friendly" locations. If you are asked to evacuate, take your pets with you.
- Choosing an out-of-area emergency contact person. During or after a disaster, it's often easier to call long distance, especially if local phone lines are overloaded or out of service. Family members should call this person and tell them where they are. Everyone must know your emergency contact person's phone number and email address.
- Plan your evacuation route. Use local maps and identify alternate evacuation routes from home, work and/or school. Know where you are going and how you plan to get there before you leave home.

Be informed

Find out what types of disaster are likely to occur in your area and how to prepare for each.

Find out how local authorities will contact you during a disaster. Listen to local media broadcasts or NOAA Weather Radio for the latest storm conditions and follow the advice of local authorities.

SPECIAL NEEDS SHELTERS

The Special Needs Program is available to all Lee County residents at no cost. It provides shelter from a Tropical Storm or Hurricane for those who live in a home and/or area that is not safe from storm surge or wind and have no other safe place to go. It also provides transportation to a shelter for those residents who do not have a way to get there. You must register to receive these services by completing the Special Needs Program application on the Lee County Emergency Operations website or call 239-533-0640.

Some things you should know about the program:

- You must register every year. Your application is good for one calendar year only.
- Not every shelter will open. Only those safe from storm surge and wind for each particular storm will open.
- Emergency Public Shelters are open to everyone and do not require pre-registration.
- Bring to the shelter things you need to survive, such as prescriptions, personal hygiene items, sleeping bag, cot, pillow, change of clothes, glasses, special dietary needs, books/magazines/cards or other things to help pass the time while sheltering.
- Food and water will be provided, but we suggest you bring some food items with you in case you do not like what is being served.
- Service animals are allowed in all shelters.
- You can bring your dog or cat to shelter with you at the Special Needs Shelters. They will be housed and sleep in a different area from you, but you will have access to them at any time.
- We stop processing applications when Lee County enters the five-day forecast cone, so submit your application early in the season.
- What you need to know about the Special Needs Shelter:
- The Special Needs Shelter will be open for those with medical needs that require electricity, such as oxygen dependence, dialysis, ventilators, nebulizers, etc.
- You must pre-register for the Special Needs Shelter using the application above.
- You must have a companion/caregiver accompany you during the time you shelter, as we have a limited number of staff working.
- You will receive a confirmation letter and instructions to advise that your name is on the registry, and what to expect if shelters are opening.

If you have questions about the Special Needs Program, please call 239-533-0640.

CRAFT CLUB

By Diana Power

This winter season has gone fast for all of us in Craft club. Our membership has risen and so it has been great meeting so many new people this year. We hope all of you enjoyed our Irish stew and hot dog dinner. That was our last dinner for the season, but we look forward to seeing everyone again next year.

Thanks again to all of you who donated all of your good trash for us to sell at the Trash to Treasure sale. A great big thanks to Dena Samm and all of her volunteers from Craft club who worked on the sale for 2 days. All of the husbands who volunteered their service was also very much appreciated. It was a lot of work but when everyone helps and works together, it might be tiring but also fun.

A Spring luncheon was enjoyed by all at the Hut. Another way to say thanks for everyone's help this year.

Officers were chosen for Craft club to serve for the next 2 years. Diana Power stays as president, Carole Beconder will be our new Vice President, Dena Samm stays as secretary and our new treasurer will be Barb Woods. We welcome all of you to join us next year.

In April, many of our members leave for their northern home. So we do not have formal meetings. But several ladies are here all year and they continue to meet on Wednesday at 9:00. They work on some crafts and enjoy the fellowship with others. Anyone in the park is welcome to join them. To all of you northern friends have a safe trip home, and we look forward to seeing everyone back next season

HAND AND FOOT CARDS

Join us on Sunday nights at 6:00 pm in the Clubhouse for the "Hand and Foot" card game. It can be played at a table of 6, 4, or 3. All are welcomed! This card Game goes all through the summer months.

COMPUTER CLUB

By: Sherrill Wright

Recycle: Don't throw away your used ink cartridges!

There is a collection container on the Activity room counter. They are donated to a local school for them to recycle at Staples etc and get a credit for school supplies.

The Computer Club can no longer accept old computers, printers or other old equipment.

The Computer Club is a group of friendly people

who meet every Thursday, 2 - 4 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, please come and join the group. Membership is only \$10/yr/household. We take a break and have coffee and cookies around 3 PM to socialize. Each week, we usually have a person show something they are experienced in, or something interesting we have seen maybe online or in an article. If anyone is having a problem, we ask them to bring their unit to the club meeting, then we will focus on that particular problem. In many cases, the club can help fix the problem. If not, we can suggest a computer technician. We need people who are familiar with Tablets and Cell Phones who would volunteer to do some instructing or help others during our sessions. We have cables for iPads that will allow them to be connected to our projector. Since "Cutting the Cable" is becoming more popular, we need people who are familiar with internet TV to give us their experience. So please join us!

LADIES BIBLE STUDY

By Laura Esters

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door and walk in--- we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

MEXICAN TRAIN DOMINOES

By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

FOREST PARK HAS A GREAT LIBRARY

By: Gail Ford

Our Forest Park Library, located in the activity building, has current hardcover and paperback books, reference materials, videos, talking books, large print books, cookbooks, Christian books, magazines and even puzzles. You will find the cook books and Christian books on the bottom shelves. All others are in alphabetical order. Your favorite authors are in abundance-James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a huge collection of romances. Our library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. The space we have for books is very limited, therefore, please take your older books to the North Fort Myers Friends of the Library or to a Goodwill store.

MAH JONGG

By: Gail Ford

Our group has increased to 9 ladies. We are having so much fun learning and playing this challenging game. Our last game will be held on April 11 as I will be leaving soon after and taking my game with me. Thanks for joining us.

NORTH EAST CLUB

By Barb Wood

Well, we all sailed on the SS Minnow and returned unscathed to go on for another day! Thank you Richard and Ray and your team of volunteers for giving us another night out with good food and good fun with our friends.

Remember our last North East Club meeting for this season is just a few short days away. The annual picnic is scheduled for April 9th and cut-off for getting your tickets is April 2nd. Remember to bring your ticket and place setting.

This will be our last meeting of the season and we are wishing each of our "Snowbird" friends a safe journey back north. Have a great summer and see you in the fall. To those who make Forest Park their forever home, enjoy the summer here in our little community and we will be back before you know it!

Happy Summer everyone and we thank you for being part of our North East Club and supporting the things we do!
