## **LABOR DAY**

Labor Day pays tribute to the contributions and achievements of American workers, and Labor Day 2018 occurs on Monday, September 3 (it's traditionally observed on the first Monday in September). It was created by the labor movement in the late 19th century and became a federal holiday in 1894. Labor Day also symbolizes the end of summer for many Americans, and is celebrated with parties, parades and athletic events.

Labor Day, an annual celebration of workers and their achievements, originated during one of American labor history's most dismal chapters.

In the late 1800s, at the height of the Industrial Revolution in the United States, the average American worked 12-hour days and seven-day weeks in order to eke out a basic living. Despite restrictions in some states, children as young as 5 or 6 toiled in mills, factories and mines across the country, earning a fraction of their adult counterparts' wages.

People of all ages, particularly the very poor and recent immigrants, often faced extremely unsafe working conditions, with insufficient access to fresh air, sanitary facilities and breaks.

Many of these events turned violent during this period, including the infamous Haymarket Riot of 1886, in which several Chicago policemen and workers were killed. Others gave rise to longstanding traditions: On September 5, 1882, 10,000 workers took unpaid time off to march from City Hall to Union Square in New York City, holding the first Labor Day parade in U.S. history.

The idea of a "workingmen's holiday," celebrated on the first Monday in September, caught on in other industrial centers across the country, and many states passed legislation recognizing it. Congress would not legalize the holiday until 12 years later, when a watershed moment in American labor history brought workers' rights squarely into the public's view. On May 11, 1894, employees of the Pullman Palace Car Company in

Chicago went on strike to protest wage cuts and the firing of union representatives.

On June 26, the American Railroad Union, led by Eugene V. Debs, called for a boycott of all Pullman railway cars, crippling railroad traffic nationwide.

To break the strike, the federal government dispatched troops to Chicago, unleashing a wave of riots that resulted in the deaths of more than a dozen workers.

In the wake of this massive unrest and to repair ties with American workers, Congress passed an act making Labor Day a legal holiday in the District of Columbia and the territories. More than a century later, the true founder of Labor Day has yet to be identified.

Many credits Peter J. McGuire, cofounder of the American Federation of Labor, while others have suggested that Matthew Maguire, a secretary of the Central Labor Union, first proposed the holiday.

Labor Day is still celebrated in cities and towns across the United States with parades, picnics, barbecues, fireworks display and other public gatherings. For many Americans, particularly children and young adults, it represents the end of the summer and the start of the back-to-school season.

## **JUST A FRIENDLY REMINDER....**

There has been some confusion around who is responsible for the maintenance of the ditches and foliage on the perimeter fences.

The perimeter fence was erected by, and is the responsibility of, the Park. Accordingly, the Park will repair or refurbish post foundations, fencing and barbed wire as necessary. It may also trim any growth that threatens to damage the fence.

Please call or come to the office to report unattended over growth on the fence.

The ditches are part of each resident's property and as such need to be included in regular lawncare for each individual home owner. This is very important as long grass or tall weeds are favorite places for unwanted critters, like snakes and iguanas to nest.

We appreciate your cooperation in keeping these ditches maintained as part of your regular lawncare as per

our Rules and Regs. Please remind your yard maintenance person to keep the ditch bank cut when doing your lawn care.

#### IV. MAINTENANCE OF HOME AND PROPERTY

A. Property owners must keep their lawns, trees, shrubs, flowerbeds and planters neatly trimmed and free of unsightly weeds year-round. Lawns will not be allowed to become unsightly because of uncut grass or weeds. If grass or weeds become 12 inches or higher and is not corrected by the lot owner within thirty (30) calendar days after notification by the FPPOA, then the Board of Directors may have the lawn mowed and charge the owner for such services as deemed reasonable by the Board of Directors. The lot owner hereby agrees to pay for such charges within 30 days.

#### PICK UP AT THE OFFICE!!

Copies of the ALL HAZARDS GUIDE 2018-2019 from Lee County are available for pick up in the Clubhouse or the Activity Building. This is a great refresher for those who have been through severe weather and has lots of needed information for those who are new to the area.

*By: Jan Harmon, Webmaster*

New photos have been added to our PHOTO GALLERY page. Joe Flores has been taking spectacular photos of different areas and scenes within the park which he has posted on our Face Book Page. I have grouped them into an album so you can view many of them from his posts on one page. There is also a video of the same photos that can be viewed on You Tube at this link: <https://www.youtube.com/watch?v=ZKUGeygxpUs>

We also have a CLASSIFIED page where we post the up to date list of HOME FOR SALE, FOR RENT, WANTED TO RENT and WANTED TO BUY. If any of your friends are looking for a home in Forest Park, and not able to read the list posted in the clubhouse, they can view the updated list at that link. To be put on the list you only need to contact the office with your request.

If you have not "surfed" our website you might not be aware of many of the pages and information that can be found on the site. If you are interested in the history of our park a good place to find data regarding our past is found on the ABOUT link.

All Association documents pertaining to board and member meetings can be read on the DOCUMENTS link. All forms pertaining to park business can be found on FORMS.

## HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

## GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

## RECYCLE BLUE BIN

The blue bin is used for all *other types* of re-cycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesdays and Fridays. The re-cycle truck comes on Wednesdays.

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door and walk in--- we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

## FOREST PARK HAS A GREAT LIBRARY

*By: Gail Ford*

There's a little oasis of knowledge and information right here in the Forest Park activities building. No need to hop into your car and drive. We have current hardcover and paperback books, reference materials, videos, talking books large print, magazines and even puzzles. You can look up health related issues, financial questions, recipes and advice on retirement. Your favorite authors are in abundance- James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a juicy collection of romances. At the FP Library, you don't need a library card- just step inside, choose your media and take it home- for as long as you like, return it when you're done. Your library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or

newer to our library. We do not accept older books due to space limitations and because we wish to be current and fresh in our offerings so please, take older books to the North Fort Myers Friends of the Library. We also need library style metal bookends and book display easels. Why read? "The benefits of all this mental activity include keeping your memory sharp, you're learning capacity nimble, and your mind basically harder as you age... just processing the words boosts the brain"

## MEXICAN TRAIN DOMINOES

*By Sheila Fitzgerald*

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

## Jokes and Quotes...

### STRESS

A young lady confidently walked around the room while leading and explaining stress management to an audience with a raised glass of water. Everyone knew she was going to ask the ultimate question, 'half empty or half full?'...

She fooled them all.... "How heavy is this glass of water?" she inquired with a smile. Answers called out ranged from 8 oz. To 20 oz. She replied, "The absolute weight doesn't matter. It depends on how long I hold it. If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm. If I hold it for a day, you'll have to call an ambulance. In each case it's the same weight, but the longer I hold it, the heavier it becomes."

She continued, "and that's the way it is with stress. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on."

"As with the glass of water, you have to put it down for a while and rest before holding it again. When we're refreshed, we can carry on with the burden - holding stress longer and better each time practiced."

So, as early in the evening as you can, put all your burdens down. Don't carry them through the evening and into the night... Pick them up tomorrow; have a large glass of wine tonight.

### FACEBOOK FOR SENIORS

For those of my generation who cannot comprehend why Facebook exists:

I am trying to make friends outside of Facebook while applying the same principles. Therefore, every day I walk down the street and tell passersby what I have eaten, how I feel at the moment, what I have done the night before, what I will do later, and with whom.

I give them pictures of my family, my dog, and of me gardening, taking things apart in the garage, watering the lawn, standing in front of landmarks, driving around town, having lunch, and doing what anybody and everybody does every day! I also listen to their conversations, give them the "thumbs up" and tell them I like them.

It works just like Facebook! I already have four people following me: two police officers, a private investigator, and a psychiatrist.
