SOCIAL CLUB

By: Julie Seubert

Most of the various activities have started in our park. If you see an activity that you would like to learn; don't be bashful, join in and everyone will show you how to do the activity. The activities are for you, and for them to survive, your participation is what makes it happen.

The Forest Park Social Club oversees many activities and events for our residents and guests. Every homeowner in the park is a member of Social Club. Renters become associate members. We hold monthly meetings for everyone to attend. The first meeting is December 7th at 9:00 A.M. in the Clubhouse. Hope you can all attend.

Information about each club, activity will be posted in our Monthly Newsletter which during the winter months is delivered to your home. If you do not receive one, you can pick one up in the back of the Clubhouse. The Newsletter can be viewed on the Forest Park website at www.forestparkonline.com. The newsletter includes the Calendar showing the date and time of the month's activities.

Our Veteran's Day Celebration was very inspiring for those residents taking part in the parade down Forest Park Drive to the flags out front of the clubhouse. The ceremony brought back many memories to everyone who were listening. Thank you to everyone who made the celebration very special and to the ladies who prepared and served the meal.

Enjoy Forest Park's Holiday Activities from the Holiday Day Dinner to the New Year's Eve Dance. Further information about each activity is in the newsletter.

And don't forget – We are decorating the outside of the clubhouse grounds on FRIDAY, NOVEMBER 30th at 9:00 A.M. WE NEED YOUR HELP. WE CAN'T DO IT ALONE

LETTER FROM THE PRESIDENT'S DESK..... By Mary Kurucz

December 2018!!! What Happened? Where did it go? When I was a young child, I thought the days were soooo long. It was a long time from lunch till supper time. (Yep, I thought about food all the time even back then). When I overheard the older folks talk about how fast time was flying, I doubted their sanity. NOW I am the older folks.....Where did the time go?, why is it going so fast?

The same holds true here at Forest Park, the month of December we have so much going on socially as well as park business. We have Board of Directors and officers to elect, we have committees that need volunteered, we have a budget to get passed, we have projects to be completed and new projects to consider. Whew!!!! That's a lot!!! But now it is all up to all of you. If everyone does a little...a big amount will get done. If not, well less will get done...IT'S UP TO YOU!!

What does the board of directors do? The Officers and Directors are responsible to their members to manage the business and daily operations of Forest Park. Decisions made should always be for the best interest of the FPPOA. To assist in this process Committees are set up designating a particular phase of our operation.

Examples are record keeping, finance management, maintenance manager, building manager, pool manager, streets and drains, manage our insurance needs, and to keep our Park Values and restrictions in line. All decisions made are discussed at the BOD meetings and our governing documents regulate these decisions. Anyone requesting to bring up a suggestion or problem must notify the office 10 days prior to the meeting to be put on the agenda.

BOARD OF DIRECTORS AND OFFICERS ARE UNPAID VOLUNTEERS. Please treat them with respect and courtesy, they volunteer to serve. (they could be golfing, boating, fishing, swimming and sun bathing.)

Let's all enjoy the month of December and all the social functions and friendly gathering ahead of us. Merry Christmas and Happy New Year to all our Forest Park family.

2019 BOARD OF DIRECTORS ELECTION

By Julie Seubert

Our volunteer Board of Directors manage day to day operations, finances, insurance, upkeep of our buildings, grounds & amenities, maintenance staff, office personnel, mediation & property standards and the RV Parking area. There are several committees which assist the Board, including the Budget & Finance Committee, Construction Committee, Grounds Committee, Insurance Committee, Planning Committee, Pool Committee, Streets & Drains, and WiFi Team.

The Board & Committee members save Forest Park an enormous amount of money by volunteering their time and expertise.

There are 6 openings for our 2019 Board of Directors: 1st Vice President, 2 year term and 5 Director positions with 3 year terms.

The election will be held on January 10, 2019 from 12-2:00 PM in the Activities Building. The candidate cutoff date for names to be printed on the ballot is December 26, 2018 at 12:00PM.

Absentee ballots will be available after the cutoff. If you would like an absentee ballot, please contact the office. You may request the ballot by email but please allow enough time to return it by regular mail. Absentee ballots must be received by noon on January 11, 2018. Don't forget to bring your red card to vote in person.

We need your input and encourage you to get involved. If you are interested in running for the Board, applications are available in the office, on our website or from our Nominating Committee members: JoAnn DeVerna, Chairman, Julie Browell, Edie Hosey, Betty Hult, and Gloria Restko.

Please feel free to talk with any of our Board members to find out what their responsibilities are. Experience is not required; the only requirements are a desire to serve, no pending violations, you own a share, your monthly HOA fees are current and a commitment to attend the monthly BOD & membership meetings.

The job can be challenging but rewarding knowing that you are serving your community and shaping the future of Forest Park.

CHRISTMAS GIFTS OF CHEER

By: Nancy Cooper

Soon Santa's elves will be seen throughout the Park delivering baskets of fruit, cookies, flowers and candy. As in the past, the mission of this wonderful tradition is to give a bit of holiday cheer to residents who have been sick, lost a loved one or are taking care of a family member. The list is long and the need for cheer is great.

Thanks to the generosity of the Social Club, the Computer Club, the North East Club, the Shuffle Club, the Craft Club, the Quilt Club, and several individuals, we have been able to continue the tradition of spreading cheer throughout the Park.

If you know of someone in need of cheer or you would like to donate to this wonderful event, please contact a committee member. The members are Nancy Cooper, Mary Gibson, Joann Gagner, Chris Major, Delores Holmes, Madaline Preston, Nancy Lawrence and Carol Goans.

Please remember, this worthwhile cause has nothing to do with what someone has or doesn't have in his or her pocketbook. It is strictly about looking into someone's heart and know they are hurting.

CHRISTMAS TOY DRIVE

Hosted by Pam Salk

Once again, I will be hosting the Toy Drive and I am asking the generous hearts of our Forest Park Family to donate to the children in the Suncoast Community. We have been collecting toys for this most needed cause for many years. Please bring unwrapped toys to my home at 5350 Forest Park Drive by December 18th to be delivered on December 19th. There will be a small toy box in my carport to place the gifts in. We will then take them to the Suncoast Community Center where the parents will be able to come and pick out gifts for their children.

Stuffed toys are not very popular, and items for teens are the most needed. There are approximately 225 to 250 children from infant to 17 in the community.

Thank you in advance for your gifts. This park has always amazed me with its great generosity.

EASY WATER EXERCISE

Most of the water exercises are the same as the Tuesday & Saturday exercises, except they are done in the pool. This means less stress on the joints plus we get those healthy rays of sunshine at the same time. We have a great time exercising and catching up on the latest in Forest Park.

Classes run from 10:30 to 11:30 A.M. Monday – Friday at the pool and start in the fall through spring. Exercises are also subject to weather cooperating.

A NOTE FROM ALL CLUBS:

Please REMEMBER to bring your own place setting for "ALL" park dinners, and your own cup for "ALL" Koffee Klatches and Planning Forum Meetings. A place setting consists of a plate, napkin, silverware and cup or glass. THANK YOU!!!

2019 BUDGET PROPOSAL

By: John Wright

The Park's budgeting committee begins the budgeting process for the following year early in the current year. Spending projections are based on history and pending issues. The projections are made based upon three funding approaches:

- Funding for Operating expenses, - these are for items like wages, utilities, insurance etc., that recur frequently, (up to at least once per year).
- Funding for Reserve expenses, - these expenses are for items that recur infrequently, from years to decades. Examples are, AC units, pool pumps, roofs, road paving etc.
- Funding for Improvements, - this fund is for amenities that we currently do not have but would like to have. Or, for making significant improvements in existing amenities, to keep up with the changing expectations of park residents.

The spending projections must fit the projected income, which, nowadays, comes almost entirely from maintenance fees. Our annual maintenance fee adjustment is related to the change in Consumer Price Index. We wait for the CPI data for the 12 months ending at the third quarter to be published, then we calculate the fee increase for next year as the CPI x 1.5, rounded down to the nearest dollar. The government published the end-of-September 12 month CPI increase on October 13 as 2.3%. This provides for 2019 fees as indicated below:

FPPOA 2019 Maintenance

Member with double lot	\$134	\$1,560
Non-member with single lot	\$119	\$1,385

Get out your magnifying glass!! But if you really want to read it go to the office and pick up a copy of "Calculation of reserve requirements 2018 thru 2027, assumes mostly in-house storm drainer placement" The next page is the 2019 Budget Proposal. It takes a lot of time to prepare this information. Thank you, John Wright and the Budget Committee, for all your work!!

FRIENDS, NEIGHBORS AND ALL RESIDENTS.....

Just a friendly reminder that we are to keep our property in good condition all year. For those who are not here in the summer, things grow wild very quickly. If you have flower beds that require weeding, shrubs or trees that require trimming periodically, please make arrangements to have those things done in your absence.

We want our park to remain beautiful. Each of us is responsible to make it stay that way.

Thank you,
FPPOA

FOREST PARK WEB SITE

By Jan Harmon

After being “nonfunctional” for several months our Forest Park Webcam is now back in service. A big thanks to Doug Ford for getting a camera and assistance to fix the problem. You can watch live streaming from the camera mounted outside the clubhouse. Just click on WEBCAM on the website.

The latest data on all meetings is posted to the DOCUMENTS page as soon as minutes are approved. These pages contain a wealth of information on the history and conduct of business within our park. Many of your questions can be answered by reading over the past minutes.

Under FORMS you will find much information, such as the application for acceptance of a nomination for the board positions, the current schedule of or Forest Park property owners maintenance fees, the Forest Park Articles of Incorporation, just to name a few.

Our CLASSIFIED page has listings of homes for sale, for rent, wanted to rent. Be sure to direct any interested friends to that page. Changes are made to the listings frequently, so check back regularly to get the latest information.

As our new season begins, we may have changes to personnel listed as contacts on the ACTIVITIES link. This page has liaison information for each activity in the park and is helpful to anyone wanting to join the group or get more information. When liaison information changes be sure to let me know so I can update the pages on the website. Photos of any events can be sent to me and I will post them on the PHOTO GALLERY page. This is a keen way to “spark” interest in your group.

While browsing the website if you see a page that needs updating, errors, or suggestions, please send an email to let me know. At the bottom of most pages just click on webmaster@forestparkonline.com and an email will automatically open.

NEIGHBORHOOD WATCH

Our first neighborhood watch meeting will be Wednesday, December 12, at 10 am in the pool room in the Activities Building. We will be having meetings every other month.

This has been a busy Month with many snowbirds returning. We have close to 200 users on our WI-FI system and more expected after the coming Holidays. We have signed a contract to greatly increase our bandwidth which will increase our speed for the same price we are paying now. How much speed increase will depend on many different factors. We will do some testing to determine the increase in speed for the different antennas.

I have chosen and ordered books for December. Our next meeting is December 21st at 1:00 P.M. "Orphan Train" by Christina Baker Kline is a novel about the trains that ran between 1854 and 1929 from the East coast to the farm lands in the mid-West. These actual trains carried thousands of orphaned, abandoned and homeless children to be adopted. Many were first generation Irish Catholic immigrants.

CRAFT CLUB

By Diana Power

Happy late Thanksgiving to everyone. We are thankful that all of you have had safe travels back to FL. At the end of November, we decorated the inside of our clubhouse for the holiday season. We bought 2 new trees that we hope you enjoy. So, an early Merry Christmas to all.

To start out the Christmas season, we will have our second annual Holiday breakfast. Get out your red and green and join us on Saturday December 15 between 8:30 and 10:30. Don't forget your table service and cup. We will have eggs, sausage, potatoes, pancakes etc. All for only \$6.00. See you there.

Craft club collects toys and other gifts for all ages to give to the Abuse Counseling and Treatment Center. Children their love getting a gift for Christmas. We also have been collecting small toiletries, pads of paper, pens, toothbrushes and toothpaste, combs etc. to make welcome bags for the women who come with nothing.

Last season we started working on small gifts for Meals on Wheels. We made about 400 to be handed out this season.

After the carport sales at the beginning of the month, if you have anything left that you do not want to put back in your clean closets, would you like to donate it to craft club? We have a big Craft sale later in the year. Please call Diana at 317 459 9041 or Dena at 812 449 4122 and we will come and pick up the items. We appreciate anything we can get.

So, come and see what Craft club is all about. We meet every Wednesday at 9:00 in the clubhouse. ALL of you are welcome.

Computer Club

2018 – 2019 Season

All New and Old Residents Welcome!

The Computer Club is a group of friendly people who meet every Thursday, 2 - 4 PM to help each other with computer issues. If you have a problem related to computers, or a skill you think might benefit others, **YOU ARE WHO WE NEED IN OUR CLUB!** Please come and join the group. A donation of \$10/household per winter season would be appreciated to help with meeting expenses, new equipment etc. We take a break and have coffee and cookies around 3 PM to socialize.

Most members use Windows, but some use Linux or Macs and most software programs are compatible with each system. Each week, we usually have a person show something they are experienced in, or something interesting we have seen maybe online or in an article. If anyone is having a problem, we ask them to bring their unit to the club meeting, then we will focus on that problem. In many cases, the club can help fix the problem. If not, we can usually define the situation in cases where professional help is needed. If you have a particular need, or problem that you would like help with, please come along and join us, but try and let us know in advance so we can schedule it for that week's meeting.

We need people who are familiar with Tablets and Cell Phones who would volunteer to do some instructing or help others during our sessions. We have cables for iPads that will allow them to be connected to our projector.

Since "Cutting the Cable" is becoming more and more popular, we need people who are familiar with internet TV to give us their experience. So please join us!

The Computer Club can no longer accept old computers, printers or other old equipment. If you have any items you wish to recycle, please check with us before leaving them in the activities building. Hope Chest won't accept them, so they can be put out with your garbage and will be recycled through our electronic recycler. Make sure you wipe your hard drive on any computer. We can help you with this, if you are not sure of how to do it. Thanks for your co-operation on this, Sherrill

BIBLE STUDY

By Laura Esters

The Ladies' Bible Study Group meets weekly on Thursday mornings from 10:00 A.M. to noon. Our members are women from various churches and/or denominations. We have refreshments, a time for sharing our concerns, prayer and a study, which is taught from both the Old and New Testaments by Laura Esters.

As so many new folks have moved into our park, we believe it is important to let our residents know about this activity as well as all the other organizations that the park offers. We do not espouse any specific theology but are a group of Christian women who enjoy making friends, encouraging and supporting each other as the needs arise, and learning about the Bible.

During the months of November to April we meet at the home of Reva Doliana, 849 Hollyberry Court. From May to October, Waneta Schafer opens up her house to us at 344 Shrub Lane S. Just come to the door and walk in---we'll be glad to welcome you! If you have any questions, please call Reva at 812-322-3986, Waneta 239-219-7593 or Laura at 239-210-8010.

MAH JONGG

By Gail Ford

Mah Jongg meets on Wednesdays from 1 to 3 PM. Come join us for a fun challenging time. We are all beginners so don't be shy.

LIBRARY

A big "Thank You" to Peggy Baker for taking care of the library this summer. As you may have noticed we have juggled things around a bit. There have been many new books donated and as a result we have weeded out older books to make room. Don't worry, none of these were thrown out we brought them to Goodwill.

Please donate any older books or cookbooks you may have to either Goodwill or the Hope Chest thrift store.

MEXICAN TRAIN DOMINOES

By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

NORTH EAST CLUB

By Barb Wood

Here it is December already and our first meeting of the season is December 10th, just a few days away! If you haven't paid your dues and gotten your tickets by now see either Madaline Preston, Gloria Hartz or Carmen West by December 3rd. (Remember dues are \$5 per person and tickets are still \$10 each.)

These girls are planning a meal of beef stew, biscuits, cole slaw and a dessert. So, bring your place setting, including a bowl for the stew and cup for your drink. Don't forget your meal ticket – no ticket on meal! Then on with the fun of Deal or No Deal.

January 28th is “Italian night” hosted by Carole Beconder and Mike and Kathy Fanning.

Then for February 25th you'll have to brush up on your gambling skills for “Vegas night” hosted by Pam Salk, Rose Crum and Bob and Gail Rispoli.

March 25th we'll be headed to the “Red Neck Country Ball” hosted by Nancy Cooper and Chris Major.

We'll close out our season with the annual picnic hosted by the NE Club officers.
