SCHUFFLEBOARD KING AND QUEEN *By: Bill Madill*

Our King and Queen went well with the crown going to Leo Bedard and Kathy Madill-- Prince and Princess were Ed Thomas and Linda Winship. The High number of wins were Ed Thomas and Norm Reekie.

Shuffleboard is over for another year. Our valentines breakfast went fairly well but we only served 80 breakfasts rather than 140. Factors into this was the early Easter and Lent does not make for many people eating meat and eggs. Also, a supper the night before takes the edge off. I think people only eat out so often. Our banquet was held at the Smokin Pit BBQ-- 34 people attended.

Looking forward to another fun year next year. Thanks to all the people who helped with the league and also for Ellsworth heating for their sponsorship. Everyone have a good summer and I wish everyone good health. Capt'n Bill

SOCIAL CLUB NEWS By: Julie Seubert

By now, most of us northern snow birds have made the trip back up north to our other homes or are about to leave soon. All Forest Park activities are over until we come down in November or December. Some card players who live here all summer still enjoy playing cards and Dominoes. The Quilt ladies and Craft ladies and Ladies Bible Study will meet thru the summer. Bingo also meets every Tuesday night. And don't forget about karaoke every 1st and 3rd Mondays.

We are looking forward to next season and our upcoming activities. Your Social Club Officers have been busy setting up your entertainment for next year. Here is just a glimpse of next year's fun. Beginning in October we will again have a Halloween Party with WES as our DJ. Our Holiday Dinner will be held December 5th and the New Year's Eve Party on December 31st with "Tony and Lori" as our entertainers. On January 12th we will hold our "Welcome Back/Meet and Greet" titled, "It's 5:00 Somewhere" and on January 19th we have hired the DelPrado's. On January 31st, Jack Malone's "Memory Makers" will entertain us. They play music from the BIG BAND era. For Valentine's Day we have "Jerry Burton" hired and on March 2nd our entertainer will be "Kenny Evans". This is just a few of the many fun things we have planned for next season.

Everyone in Forest Park is a member of the Social Club and everyone is invited to attend each and every event. **But please note: because everyone in the park is a Social Club member, all are eligible to sponsor or help with any given event!!** Don't wait to be asked to help, call a Social Club Office today to Volunteer. The saying "It takes a village... is oh, so true!! Without our volunteers, the Social Club could not function.

A HUGE debt of gratitude is due to each and every one who worked on the events of this past season! **THANK YOU ALL!**

VOLUNTEER NEEDED!!

Social Club is stepping down from hosting the 4th of July Picnic.

If any club or group would like to take over this event, please feel free to contact Robyn Johnson and she can assist you with your questions.

SNOW BIRD TIP....

PLEASE CHANGE YOUR BATTERIES in your thermostat, humidistat and smoke detectors or anywhere you need to have use of the appliance during the summer months. It is a terrible experience to have to come back to your home full of mold everywhere. We have also found that placing Damp-Rid in all rooms and closets helps to rid your home of moisture and humidity.

HURRICANE & DISASTER PREPAREDNESS

Hurricane season runs from June 1 to mid-November. Before a hurricane, or in preparation for any disaster, make the following preparations: (thank you to Ready. gov for much of this information):

- Build an emergency kit and make a family communications plan. (Keep cell phones fully charged. Texting will often work even if calls cannot be placed).
- Have a family member or friend out of the area designated as a contact for all family members
- Know your surroundings.
- Pay close attention to weather forecasts and storm surge warnings and react to weather warnings and guidance from city officials appropriately.
- Learn community hurricane evacuation routes and how to find higher ground.
- Determine where you would go and how you would get there if you must to evacuate. Know area shelters.
- Take a written inventory and photograph or videotape house & belongings.
- Review/update homeowners insurance policies and keep information on hand.
- Have cash and extra gasoline and prescription medicines on hand.

SECURE YOUR HOME FOR A HURRICANE

- Trim dead or broken tree branches and shrubs around your home so they are more wind resistant.
- Clear loose and clogged rain gutters and downspouts.
- Bring in all outdoor furniture, decorations, garbage cans and anything else that is not tied down.
- Make sure your address number is clearly marked on your mobile home.
- Check and secure all of your mobile home's tiedowns.
- Bring in any loose items from outside lawn décor, furniture, BBQ grills, bicycles, etc.
- Secure any loose roofing and siding.
- Purchase these materials to secure your mobile home:

Plywood, Shutters and/or protective window film, Plastic sheeting, nails

Make an emergency preparedness kit:

Your kit should include a portable, sturdy, easy to carry, water resistant container and should have enough supplies for seven days. Check your kit and replace perishable stock every six months. Whether you purchase a kit or choose to build your own, your seven-day kit should include:

- Water one gallon per person, per day.
- Food non-perishable, easy-to-prepare items such as tuna fish, peanut butter, crackers, and canned fruit. Make sure to include a manual can opener.
- A battery-powered or hand-crank radio, flashlight and plenty of extra batteries.
- A first aid kit.
- Prescription and non-prescription medication items (seven-day supply). Include medical supplies like extra hearing aid batteries, syringes, etc.
- Copies of important documents, including birth certificates, insurance policies, a medication list and pertinent medical information, proof of address, deed/lease to home and social security cards.
- Cell phone chargers.
- Multi-purpose tool.
- Sanitation and personal hygiene items.
- Extra cash. ATMs and credit cards won't work if the power is out.
- Special items for infant, elderly or disabled family members.
- One blanket or sleeping bag per person.
- Pet supplies (collar, leash, ID, food, carrier, bowls).
- Maps of the area.

Prepare a family evacuation plan

Each household needs to develop a household disaster plan. The plan should include

- Identifying two meeting places: one right outside your home in case of a sudden emergency, like a fire, and one outside your neighborhood in case you can't return home.
- Making advanced preparations for your pets. Be aware that pets may not be allowed in shelters. Contact hotels, motels, family members and animal shelters to see if they would allow pets in a disaster situation. Keep a contact list of "pet friendly" locations. If you are asked to evacuate, take your pets with you.
- Choosing an out-of-area emergency contact person. During or after a disaster, it's often easier to call long distance, especially if local phone lines are overloaded or out of service. Family members should call this person and tell them where they are. Everyone must know your emergency contact person's phone number and email address.
- Plan your evacuation route. Use local maps and identify alternate evacuation routes from home,

work and/or school. Know where you are going and how you plan to get there before you leave home.

Be informed

- Find out what types of disaster are likely to occur in your area and how to prepare for each.
- Find out how local authorities will contact you during a disaster. Listen to local media broadcasts or NOAA Weather Radio for the latest storm conditions and follow the advice of local authorities.
- Contact the NFM Fire Dept. for details about community disaster education presentations that may be arranged or are available in your workplace, school or community organization.
- Get trained in CPR and first aid so you will know how to respond to emergencies in the event that help is delayed.
- If you are told to evacuate, do so immediately. You may choose to evacuate sooner than alerted if you think you may need additional time.

Know what to do if a hurricane WATCH is issued

- Listen to weather updates from your battery-powered or hand-cranked radio.
- Bring in outdoor objects such as lawn furniture, hanging plants, bicycles, toys and garden tools, anchor objects that cannot be brought inside.
- Close all windows and doors. Cover windows with storm shutters or plywood.
- If time permits, and you live in an identified surge zone, elevate furniture or move it to a higher floor to protect it from flooding.
- Fill your vehicle's gas tank.
- Check your disaster supplies kit to make sure items have not expired.

Know what to do if a hurricane WARNING is issued

- Listen to the advice of local officials and leave if they tell you to do so. To locate the nearest emergency shelter, check your
- If in a manufactured home, check tie-downs and evacuate as told by local authorities.
- Secure your home by unplugging appliances.
- Turn your refrigerator and freezer to the coldest setting and keep them closed as much as possible.
- If you have propane, turn off the tank.
- If you are not advised to evacuate, stay inside, away from windows, skylights and glass doors.
- Use flashlights in the dark. Do NOT use open flames, such as candles and kerosene lamps, as a source of light.

SPECIAL NEEDS SHELTERS

The Special Needs Program is available to all Lee County residents at no cost. It provides shelter from a Tropical Storm or Hurricane for those who live in a home and/or area that is not safe from storm surge or wind and have no other safe place to go. It also provides transportation to a shelter for those residents who do not have a way to get there. You must register to receive these services by completing the Special Needs Program application on the Lee County Emergency Operations website or call 239-533-0640.

Some things you should know about the program:

- You must register every year. Your application is good for one calendar year only.
- Not every shelter will open. Only those safe from storm surge and wind for each particular storm will open.
- Emergency Public Shelters are open to everyone and do not require pre-registration.
- Bring to the shelter things you need to survive, such as prescriptions, personal hygiene items, sleeping bag, cot, pillow, change of clothes, glasses, special dietary needs, books/magazines/cards or other things to help pass the time while sheltering.
- Food and water will be provided, but we suggest you bring some food items with you in case you do not like what is being served.

- You can bring your dog or cat to shelter with you at the Special Needs Shelters. They will be housed and sleep in a different area from you, but you will have access to them at any time.
- We stop processing applications when Lee County enters the five-day forecast cone, so submit your application early in the season.
- What you need to know about the Special Needs Shelter:
- The Special Needs Shelter will be open for those with medical needs that require electricity, such as oxygen dependence, dialysis, ventilators, nebulizers, etc.
- You must pre-register for the Special Needs Shelter using the application above.
- You must have a companion/caregiver accompany you during the time you shelter, as we have a limited number of staff working.
- You will receive a confirmation letter and instructions to advise that your name is on the registry, and what to expect if shelters are opening.

If you have questions about the Special Needs Program, please call 239-533-0640.

HAPPY MOTHERS DAY Mother's Day: Founding by Anna Jarvis

The official Mother's Day holiday arose in the 1900's as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children. After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia.

Following the success of her first Mother's Day, Jarvis---who remained unmarried and childless her whole life—resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive

letter writing campaign to newspapers and prominent politicians urging the adoption of a special day honoring motherhood. By 1912, many states, towns and churches had adopted Mother's Day as an annual holiday, and Jarvis had established the Mother's Day International Association to help promote her cause. Her persistence paid off in 1914 when President Woodrow Wilson signed a measure officially establishing the second Sunday in May as Mother's Day.

Anna Jarvis had originally conceived of Mother's Day as a day of personal celebration between mothers and families. Her version of the day involved wearing a white carnation as a badge and visiting one's mother or attending church services. But once Mother's Day became a national holiday, it was not long before florists, card companies and other merchants capitalized on its popularity.

While Jarvis had initially worked with the floral industry to help raise Mother's Day's profile, by 1920 she had become disgusted with how the holiday had been commercialized. Ahe outwardly denounced the transformation and urged people to stop buying Mother's Day flowers, cards and candies. Jarvis eventually resorted to an open campaign against Mother's Day profiteers, speaking out against confectioners, florists and even charities. She also launched countless lawsuits against groups that had used the name "Mother's Day", eventually spending most of her personal wealth in legal fees. By the time of her death in 1948, Jarvis had disowned the holiday altogether, and even actively lobbied the government to see it removed from the American calendar.

Our Forest Park Library, located in the activity building, has current hardcover and paperback books, reference materials, videos, talking books, large print books, cookbooks, Christian books, magazines and even puzzles. You will find the cook books and Christian books on the bottom shelves. All others are in alphabetical order. Your favorite authors are in abundance-James Patterson, Clive Cussler, Janet Evanovich, Danielle Steele, John Grisham, Nora Roberts and a huge collection of romances. Our library runs on donations. We always need CURRENT popular books, magazines and videos. Consider donating books published in 2010 or newer to our library. The space we have for books is very limited, therefore, please take your older books to the North Fort Myers Friends of the Library or to a Goodwill store.

MEXICAN TRAIN DOMINOES By Sheila Fitzgerald

We play Mexican train dominoes on Monday morning at 9:00 at the club house. Everyone is welcome to join in. It's an easy game to learn if you have never played and we have a lot of laughs as we play. We would love to have some new members join us.

Also, I have had a request from two people recently to look into starting a second group that would play at 10:00 rather than 9:00, so they can get their morning exercise or swim in before the game. We would certainly consider this if there is enough interest.

We're a very informal group, with no permanent commitment required. Just come by on any Monday morning and give it a try.

QUILT CLUB

By: Peg Baker

Most of our seasonal quilters have returned North, leaving the "leftovers" who continue to meet during the summer. If you work during season and have the summer free, join our summer quilters. We meet in the Clubhouse at 9:00 am on Thursdays. We had a busy season, making table toppers, crazy quilts, comfort quilts, baby blankets and we're already thinking about Christmas projects. As always, we continue to give quilts to our **residents** with serious illness. Please let a quilter know if you have a friend or neighbor that would get comfort from one of our quilts. If you have any questions, contact Peg Baker. Happy summer!!!

NORTH EAST CLUB By Barb Wood

Can you believe another season has come and gone. Our annual North East Club Picnic was a success enjoyed by all those that attended. I've been told there was plenty of good ribs, potato salad and baked beans to go around before they brought out the ice cream. Thank you to the Club Board and their team of volunteers! Good food, good friends and a fun night out, what more could you ask for as our season in Forest Park comes to an end!

I am very proud to say that the picnic was not the last of the events for the North East Club. We've got someone to step up and fill each position of office. Your new officers for the up-coming season are Ray Sutphin as President, Jack Jones as Vice President and Dorothy Frender as Treasurer, Barb Wood will remain on board as Secretary.

PROGRESSIVE HAND AND FOOT

We play every Thursday night at 6:30. We will either be in the clubhouse or the activity building. Come and learn a new game!!
