## **Heading closer to fall and Many of Us Heading Back to Forest Park**

*By Sandy Corrigan*

Loving the summer, but looking forward to the arrival of all the beautiful fall colors. Here we still have all the warmth from the sun, but you can start to see the trees slowly turn into glorious red, auburn colors.

Many of us will start thinking about our return to Forest Park. Some heading back in October and others a little later. It's exciting to think about all our gatherings that will start and all the amazing events that start happening in the Park. ....there are a few teasers here in the newsletter to get everyone thinking.

Sandy

## **TELL ME WHERE TO GO**

*By Lisa Noel*

This month I am very happy to share a favorite restaurant of two of our long time owners; Arthur and Janet Lammers. You can find Janet in the pool enjoying water aerobics and Arthur enjoys water walking and always has a good story to share! Please enjoy Arthur's recommendation and bit of history.

This story started in 1971 when Aaron Lammers came over to the gulf coast looking for a new place and he found Forest Park was just being developed. He liked it so much that he bought two lots on Blossom Court. In 1973 he moved a mobile home onto one of the lots and sold the other lot. In 1974 Arthur and Janet Lammers along with daughter Charmaine and son Aaron drove from Wisconsin to visit Forest Park for the first time.

After a few years, I discovered a very nice restaurant called Rib City and was really impressed with the food and the manager at that time by the name of Penny. We became friends. Rib City was located on Cleveland Avenue, just before you cross the Caloosahatchee Bridge.

As time went on, Rib City went on to become our favorite restaurant for ribs, sweet potato fries and pulled pork (my personal favorite). At that time a mug of

beer was 25 cents on Wednesday nights. So of course Wednesday night became our night for Rib City.

Now, as time goes by, Thursday night is 50 cent beer night. Penny is no longer the manager but the food is still great. Thursday night is now our night for Rib City.

The address for the Rib City 13181 N Cleveland Ave, North Fort Myers, FL 33903. Take Hart Road to Bayshore Road. Turn right on Bayshore and go to Business 41. Turn left on Business 41 to Pandella. Turn right on Pandella to 41, aka N Cleveland Avenue. Turn left on Cleveland Avenue and go all the way up. It will be on the right side of the road. Look for the big sign that says Rib City. For the older folks going to Rib City, there is always wheel chair parking.

If you would like to contribute to our monthly article by sharing your favorite place to go in the area, feel free to call or text me at 563-599-4842.

## **HELPING HANDS**

*By Ellen Heigham*

Every day in Forest Park you will find unsung "heroes" helping neighbors. It's one of the reasons Forest Park is so special. It was suggested couple of years ago, by our President, Mary, that there might be a need for a group who could help match up people in the park who needed a little extra help with people who were willing and able to offer that assistance. Helping Hands of Forest Park was created.

Up to now, we have provided rides to doctors and hospitals, done grocery shopping, some weeding and yard pick, up. Handy people have built steps, railings, replaced locks and done some minor plumbing work.

Thanks to some generous donations from the Social club and individuals we have a kitty that we can tap into for materials especially those that are used for safety issues i.e. safety bars, locks, railings, grips.

Please call me if you know of someone in need who might not reach out themselves or if you would like to be added to our list of helpers.

## **NOTES OF CHEER**

*By Robyn Johnson*

Did you know that Social Club has a Cheer person?

JoAnne Monti is our Lady that sends out cards to residents that have been ill, had surgery or has had a loved one pass away.

Social Club pays for the stamps, and they rely on

people to donate Sympathy and Get Well cards for JoAnne to send out.

If anyone has any of these cards you would like to donate, you may drop them off at her home. She resides at 557 Peace Lake Court.

Joanne, myself and the office rely on people to let us know about residents needing cheer. So if you hear of anyone, please reach out to any of us so she can send out a card. And if you have an address, that helps us out even more.

Thank you!

### **PET NEWS**

**By: Peggy Baker**

Hello! My name is Maggie Mae. Mom is a King Charles Cavalier and dad is a toy poodle that makes me a Cavapoo. I was born May 12, 2022 in Lancaster, Mo, at Stump Farm Puppies. My residence now is on South

Shrub with Paul and Peggy Baker. When I was 9 weeks old the three of us drove from Wentzville, Mo to Forest Park. This is when I discovered I like to travel. My preferred seat is on the floor board of the passenger front seat, I enjoy fussing at the air conditioning vent. When the Bakers got me I weighed 2.8 lbs., currently I weight 4 lbs., and my adult weight is estimated to be 10-12 lbs.

I love meeting people, playing with my toys, and taking long naps. A couple times a day I get the zoomies, running thru the house like a rocket, barking and growling! I sound fierce but really I'm just burning off energy. In a couple months, after I have all my puppy shots, I will be out and about making friends and meet other doggies.

## DEAR FRIENDS.....

### **Marie Madill**

Madill, Marie Doreen

(nee Palubeskie)

Sept. 4 1937-July 25 2022

Sweet Marie passed away Monday, July 25, 2022 at the age of 84 with her husband of 64 years, Bill Madill at her side.

A loving mother, grandmother & great grandmother.

Marie married Bill Madill April 26, 1958 and built a life together with fun at the forefront.

They spent winters in Forest Park, Florida. Bill took his vows seriously. Marie suffered with Alzheimer's and cancer, yet he remained faithfully by her side, ensuring her comfort and happiness. She had no greater joy than Bill singing country music to her, dancing to Neil Diamond, eating ice cream and being surrounded by her family.

Marie's favourite colour was pink, and purple is the colour for Alzheimer's awareness and as an expression of sympathy, if you choose to, a donation to the Alzheimer Society would be appreciated by the family.

### **Sandy Hayden**

Passed away July 14th 2022

Sandy lived in Forest Park for a number of years and although a very quiet and private person, friends speak of her as being very friendly with a pleasant personality.

Sometimes people would catch her sitting on her porch and would take the chance to chat a while. Friends have also said in the early years of living here Sandy would sometimes attend Bingo on a Tuesday night.

Our condolences to Sandy's family.

### **Marilyn & Guy Bicknell**

**Passed away  
August 4th, 2022**

**Passed away  
July 14th, 2022**

Marilyn & Guy lived in Forest Park but returned North around 4 or 5 years ago and sadly passed away within 3 weeks of each other.

They were married for over 71 years. We extend our condolences to family and friends.

### **Mary Carlton-Powers**

Mary passed away on August 4th, 2022

She lived in Forest Park with her husband Beau for about 3 or 4 years before moving away in 2019. Mary, who friends describe as a really sweet person, was out every morning early walking her dogs. She was also active in the Park attending Membership & BOD Meetings and we understand from friends that she also wanted a dog exercise area. Our condolences go out to her husband Beau, family & friends.

### **FOREST PARK VISITORS WRISTBANDS**

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.).

The wristbands are normally available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations.

### **HAZARDOUS WASTE**

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

## GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

## RECYCLE BLUE BIN

The blue bin is used for all *other types* of recycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesday,

The recycle truck comes on Fridays.

## ALUMINUM CAN RECYCLE

*By Social Club*

REMINDER Aluminum Cans being collected

Please do Not Use the can as an ashtray. Beer Drinkers, please rinse out the can and turn it over to dry out. Please remember to put your aluminum cans in a bag and place UNDER YOUR MAILBOX by 5:00 P.M. MONDAY EVENING for pick up. Please make sure your cans are rinsed CLEAN and DRY. Please place away from trash bags. DO NOT place plastic, glass or metal cans in the bag. Those go in the blue recycle bins. Money collected from can recycle helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park.

**Remember to use flashing lights or flashlights when you are riding or walking at night.**

## My Red Tomato

Just a little red tomato  
hanging on the vine  
Took a long time to grow  
but now it is mine  
Tomorrow when I pick it  
in the refrigerator it will go  
When I slice it up and eat it,  
it will be no more  
Seems a shame to pick it,  
as it is the only one on the vine  
But as I said before it is mine all mine  
After I pick it will the poor little vine begin to cry?  
Maybe it will grow some more or just dry up and die  
If I do not pick it and just leave it there  
To the vine am I really being fair  
The poor little vine worked in the rain and heat  
Just so, I would have a red tomato to eat

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
