## **OUR FOREST PARK COMMUNITY STANDS TALL....**

*By Sandy Corrigan*

I for one have always looked at this statue as I walk by and it has always instilled a feeling of pride, passion and commitment. This month, we have Remembrance Day and we take time to remember those who have fought for the freedom we all have.

Following Hurricane Ian, this statue was left standing, despite all the devastation around it. It helps represent the best of our community. We have come together during very difficult circumstances and although there was immense feelings of sadness and loss, we have all witnessed many random acts of kindness from strangers and pulled together to help each other as neighbors and friends.

I personally wish to thank my company in Canada (Princess Auto) who when I approached them for help, offered for me to pick out \$1,000 worth of product to bring to Florida to help the community.

Thanksgiving this year is an opportunity to remain thankful for our family, friends and neighbors. We recognize how things can change in an instant and although there will be challenges ahead, our community has stood strong and shown compassion, kindness and love for each other.

From a newsletter standpoint, I am happy to let you know that Gail Pare has volunteered to take over and become Editor. I am so thankful to Gail and we will work together to keep bringing the newsletter to you. It's always great to have new people volunteer and Gail will bring her unique talents.

For this month, our dates in the calendar may be open to change. Please discuss with any of your club representatives, or keep an eye on Email Blasts. Unfortunately we did lose our marquee, so we will try our very best to keep you updated.

Sandy

## **THE AFTERMATH**

*By Joyce Hines*

Your Forest Park Social Club extends sympathy to all those who sustained damage to their homes and vehicles.

We realize that many of our neighbors' homes are not repairable, and simply must be cleared. Others are dealing with repairs and all that they entail.

The shock that accompanies the devastation left behind by Hurricane Ivan is widespread; plus, many of us have relatives and friends in other parts of Florida, and along the east coast who also were affected by this storm. We are truly thankful that no one in our park was injured. We want to remind everyone to be extremely cautious when gathering debris and making repairs.

Gratitude goes out to everyone that is reaching out to help friends and neighbors! There are too many names to begin to acknowledge individuals, but news of neighbors helping neighbors, people texting, emailing, and posting photos is greatly appreciated by those in the park, by those who evacuated, and by the snowbirds. A special thanks to our Board members who are updating all via meetings, postings, and emails! In the coming months there will be many "ups and downs" as the reality of the devastation continues to set in. More than ever, we will need to show consideration, patience, understanding and friendship.

Social Club is planning to go ahead with its upcoming scheduled events to give you, our residents, and some moments to escape and to provide opportunities for us to gather together.

Many of our activities will, of course, depend on power, water, availability of our entertainers, and Board approval. Information will be forwarded via email, blasts, the Newsletter, and at

Association Meetings. If you have any questions concerning our schedule, you may feel free to call one of your Social Club officers for clarification.

In conclusion, our thoughts and prayers go out to all in this unsettling time.

Your Social Club Officers

## HELPING HANDS

*By Ellen Heigham*

Every day in Forest Park you will find unsung “heroes” helping neighbors. It’s one of the reasons Forest Park is so special. It was suggested couple of years ago, by our President, Mary, that there might be a need for a group who could help match up people in the park who needed a little extra help with people who were willing and able to offer that assistance. Helping Hands of Forest Park was created.

Up to now, we have provided rides to doctors and hospitals, done grocery shopping, some weeding and yard pick, up. Handy people have built steps, railings, replaced locks and done some minor plumbing work.

Thanks to some generous donations from the Social club and individuals we have a kitty that we can tap into for materials especially those that are used for safety issues i.e. safety bars, locks, railings, grips.

Please call me if you know of someone in need who might not reach out themselves or if you would like to be added to our list of helpers.

Ellen Heigham. (618-448-1748)

## NOTES OF CHEER

*By Robyn Johnson*

Did you know that Social Club has a Cheer person?

JoAnne Monti is our Lady that sends out cards to residents that have been ill, had surgery or has had a loved one pass away.

Social Club pays for the stamps, and they rely on people to donate Sympathy and Get Well cards for JoAnne to send out.

If anyone has any of these cards you would like to donate, you may drop them off at her home. She resides at 557 Peace Lake Court.

Joanne, myself and the office rely on people to let us know about residents needing cheer. So if you hear of anyone, please reach out to any of us so she can send out a card. And if you have an address, that helps us out even more.

Thank you!

## FOREST PARK BOOK CLUB

By: Nancy Cooper

November 18th—1 PM—In the Clubhouse

Calling all who love to read to please join us. We meet for just an hour, discuss our book, enjoy a bit of refreshments and take home good suggestions of literature that piqued our interest. This first meeting will be a chance to hear about everyone's summer reading and to get a copy of the book we'll all read for the December meeting.

Ian has damaged so much in our Park and has caused

many a lot of heartache but we can't let it keep us down. Somehow we've got to find the strength to pick ourselves up, dust ourselves off and continue doing the things we enjoy. If reading is one of those things we'd love to have you become a member of our book club.

## EXERCISE CLASS

By: Jane Cullin

I will continue my plans to lead an exercise class on Monday (8:30-9:30 am).

The class will include cardio, weights, core and stretching.

Equipment needed would be some hand held weights and a yoga mat. I use a step for the cardio but that's optional.

A free class for anyone that would like to do it. You can set your own limits.

Any questions call Jane Cullin 330 242-2772

## HURRICANE IAN – October 2022

By: Ken Parsels

If any good can come from the suffering and devastation we have experienced from the destructive path of Hurricane Ian, it is the incredible outpouring of love, concern and giving from others to those less fortunate.

On behalf of our great Park, President Parsels and the Board of Directors wish to thank anyone and everyone who donated their time, money, gas, water, food and so much more to help in our ongoing recovery efforts.

Better days are most definitely ahead because of those efforts, and once again, thank you!

All donor names will be published in the next issue.

## FOREST PARK VISITORS WRISTBANDS

Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.).

The wristbands are normally available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along.

Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules & Regulations.

## HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, florescent bulbs and gas bottles at curbside.

Park employees will pick up these materials on Tuesday and Friday and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

The rules and regulations have been changed to reflect the process.

## GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the LEFT SIDE OF YOUR BACK WINDOW of your car. All residents with automobiles should have this highly visible authorization to be in the Park. This will help the safety patrol on their nightly rounds. If you are temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

## HOME CHURCH "THE LIGHT"

By Roberta Rizas

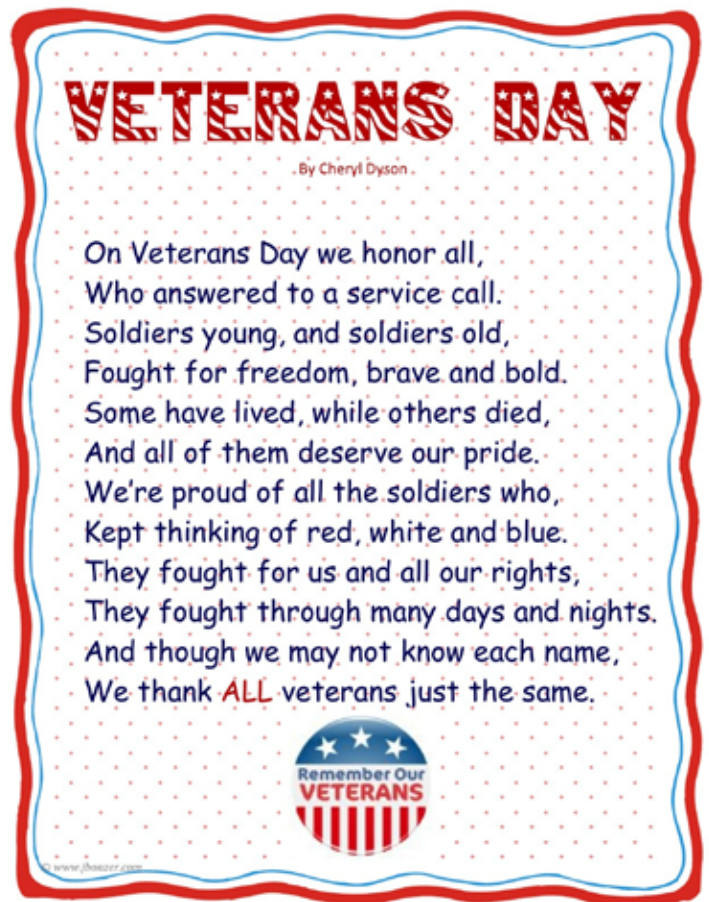

Welcome everyone to the month of November. Our month of "Thanksgiving". Which means "giving thanks".

After going through a horrendous time when Ian hit, we can still give thanks we are alive. God is our protector and he has sent Guardian Angels to watch over us. Many houses have been harmed, but thankfully we live in a community, Forest Park, where we all help one another. We give thanks for all the volunteers we have had in our Park and more thanks for the many helping hands. God bless each one.

If you need encouragement, or prayer, contact your Park's Home Church called "The Light" at 457 Jacaramba Court every Sunday at 6pm. All are welcome, we will be praying that everyone will have a blessed Thanksgiving Day on November 24th. Also, PLEASE, remember to go to your voting sites to vote on November 8th. So important for our Nation and its people.

God bless everyone.

Happy October to everyone.

## FOREST PARK LADIES BIBLE FELLOWSHIP

"Sisters in Christ" meet every Thursday morning at 10am at the Home Church on 457 Jacaramba Court. We are an inter-denominational group of women who come together to fellowship and study the word of God.

Come and experience the joy of the Lord with us! For further information, please call Laura Esters, at 239-210-8010, or Roberta Rizas, group hostess at, 732-604-2044
