What is the beauty of the Spring season?

The beauty of this season **brings happiness and joy all around and makes our minds very creative and gives energy to the body to start work full of confidence.** People go out on short trips or long vacations during this season. Children enjoy picnics and play around. This season is perfect for hiking and nature walks.

It's spring again — a time of rebirth as the natural world wakes up and revives after going dormant in the winter months. In spring, **our days start getting longer, flowers begin to bloom, and warmer weather allows us to spend more time enjoying the outdoors.**

Of course, here in Forest Park, we have experienced much of this all year long. A time for making new friends, visiting new places, exploring.

As many of us return North to visit friends and family or go off on adventures, many residents stay here for the summer months. May everyone have a wonderful Spring season wherever you are as we prepare for the summer months. Happy Spring 2023!!! Be Safe, Be Happy, Be Healthy!!

~ Gail

FOREST PARK CRAFT CLUB

by JoEllen Gallant

As the season comes to an end we're preparing to say "See ya soon" to our Craft Club friends and Forest Park neighbors. It

was a wonderful season, we've made new friends, learned new skills and helped out wherever possible.

We are very thankful for the support by the residents of Forest Park. Your attendance at our Craft Club Dinners, Annual Craft Fair, Trash to Treasure Events and ongoing support of our Give Back Campaign means so very much to us. The final list of donations will be listed in the May Newsletter.

Our Summer Club meetings will continue with VP Dawn Gale at the helm. Please feel free to stop by and see what they have going on any Wednesday morning from 9 to 11 am in the Clubhouse.

We'll be back with vigor next season; we have a few new events and meals planned! A full list will be provided this Fall.

If you'd like to join us next season, membership is still just \$10.00 for the year, and we'd love to have you! Until then, enjoy your Summer months wherever you call home. Travel Safe and we'll "See ya Soon!" Back here in the sunshine of Forest Park!

Red Hatter's Luncheon

By Pam Salk

The Red Hat Ladies Farewell Luncheon will be held April 4 at 11am at **Cristof's On McGregor**. We will gather at the clubhouse at 10:15am to Caravan to the restaurant at 10231 McGregor Blvd. If your car is full, we will meet you at 11am at the restaurant. We cannot make reservations, but they know that we are coming. We will be their first guests of the day so we should not have a problem with seating and will hopefully be able to sit under the beautiful yellow umbrellas in the courtyard at individual tables. See you there.

TAI CHI CLASS

Lenann Crisci will continue her Tai Chi Class through the end of April. It is held Wednesdays from 1:30 to 2:30 in the Clubhouse. We're off to a good start and new participants are welcome to drop in.

LAUGH OFTEN

CALL THE POLICE -

George Phillips, an elderly man from Walled Lake, Michigan, was going up to bed, when his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window.

George opened the back door to turn off the light but saw that there were people in the shed stealing things.

He phoned the police, who asked "Is someone in your house?"

He said "No, but some people are breaking into my garden shed and stealing from me."

Then the police dispatcher said, "All patrols are busy, you should lock your doors and an officer will be along when one is available."

George said "Okay." He hung up the phone and counted to 30. Then he phoned the police again.

"Hello, I just called you a few seconds ago because there were people stealing things from my shed."

Well, you don't have to worry about them now because I just shot and killed them both; the dogs are eating them right now," and he hung up.

Within five minutes, six Police Cars, a SWAT Team, a Helicopter, two Fire Trucks, a Paramedic and an Ambulance showed up at the Phillips residence and caught the burglars red-handed.

One of the Policemen said to George "I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

(True Story)

Don't mess with old people

GETTING OLDER

• A distraught senior citizen phoned her doctor's office. "Is it true?" she wanted to know, "that the medication you prescribed has to be taken for the rest of my life?" "Yes, I'm afraid so" the doctor told her. There was a moment of silence before the senior lady replied, "I'm wondering, then, just how serious is my condition because this prescription is marked NO REFILLS".

• An older gentleman was on the operating table awaiting surgery and he insisted that his son, a renowned surgeon, perform the operation. As he was about to get the anesthesia, he asked to speak to his son. "Yes, Dad, what is it? Don't be nervous, son; do your best, and just remember, if it doesn't go well, if something happens to me, your mother is going to come and live with you and your wife"

AGING:

Eventually you will reach a point when you stop lying about your age and start bragging about it. This is so true. I love to hear them say "you don't look that old." The older we get, the fewer things seem worth waiting in line for. (Mostly because we forgot why we were waiting in line in the first place!!)

Some people try to turn back their odometers. Not me! I want people to know why I look this way. I've traveled a long way and some of the roads weren't paved. When you are dissatisfied and would like to go back to youth, think of Algebra. One of the many things no one tells you about aging is that it is such a nice change from being young. Ah, being young is beautiful, but being old is comfortable.

NIGHT PATROL

By Valerie Trapp

Thank you, Night Patrol Volunteers. Your helping in this way gives our residents a feeling of peace and safety. Our patrolling in the evenings deters "invaders, mischief makers, and trespassers".

Some hints and reminders:

- Pick up the Patrol Bag in the Activities Building - back counter- and return it there by noon the following day.
- Choose your own time to patrol ~ any time after 11:00 PM. Just in case someone has been "casing the joint" - Park, we don't want the same routine each evening.
- Sit for a bit at the Entrance. I hear there is lots of action in those wee hours out on Hart Rd. .

- Ask someone to cover for you, if you can't patrol your assigned evening.
- If there is an evening not covered on the schedule and you would like to Patrol, feel free to do so. I hear there are some wonderful 'night owls' living here. There are several evenings that need patrolling this summer.

The Patrol Schedule for the 2024 Season will be ready in December and If you would like to volunteer get in touch with me. I will have an Informational 'application' ready soon. (Your preferences, arrival/ departure dates, etc).

Just drop me an email: valerieartlady@aol.com if interested or have any questions. Thank you once again for your help and giving of your time.

Hello, Forest Park friends. Looks like we are heading right into Spring for another year. Love Spring, but unfortunately many of our friends in Forest Park start heading back up North. We will miss all of you and will pray for your safety traveling back to us this Fall.

The month of April is delightful as we have the opportunity on April 9th to celebrate Resurrection Sunday. We remember that Christ was resurrected from the dead, "death could not hold him in the tomb". He arose, gives everlasting life to all whom believe in Him and accept the salvation He offers them. We repent of our sins and ask Jesus to come into our lives. We choose either Heaven, or hell! I pray we all choose to live with Jesus and our creator, Father God. If you would like to learn more about "salvation", come visit us any Sunday at 6 pm at "The Light", our home church in Forest Park. It is at 457 Jacaramba Ct. Just walk right in, all are welcome.

Our church will be providing another special (drive over) service at our Pavilion on April 16th at 6 pm. Tom Treece will be honoring us with his music. Chairs will be provided, or you can just sit in your golf-carts.

We look forward to seeing you. Have a blessed month.

FOREST PARK LADIES BIBLE FELLOWSHIP

"Sisters in Christ" meet **Monday morning's from 10am-12pm** at the Home Church on 457 Jacaramba Court. We are an inter-denominational group of women who come together for fellowship and study the word of God. Come and experience the joy of the Lord with us! For further information, please call Laura Esters at 239-210-8010 or Roberta Rizas, group hostess at 732-604-2044.
