Editor's Message

By Gail Pare

Welcome to June!

Did I say how happy I am to be able to return to New Hampshire for the summer. After a long drive north and a few minor issues along the way with our RV we have settled into our summer location in Lee, N.H. In February, I was asked to take over and manage the campground we were at last summer. So I have big shoes to fill this summer and my schedule has become quite busy, managing six workamping couples 7 days a week, keeping up with our grandchildren's sporting events, attending our granddaughter's college graduation in May and our twin grandchildren's high school graduations in June and continuing to do the newsletter for Forest Park, to name a few.

In this newsletter I'm sharing a few photos of my favorite places here in N.H. that I'm extremely fond of. I hope you enjoy the photos and hope that throughout the summer months some of you will share photos of your favorite places and they can be included in our newsletter.

Enjoy your month!

Gail

THE QUILT CLUB

By Renee Huck

Welcome to June, the beginning of summer.

As a lot of our quilters are busy with summer activities, gardens and lawns...that doesn't stop us from planning new quilting projects or finishing up some of those we have set aside. We still love to sew and create beautiful quilts for our friends in Forest Park.

It is a true joy to be caring and lift the spirits of the recipients of our "Friendship Quilts" and our Linus Project quilts.

We welcome donations of good quality cotton fabrics so that we may continue to be a blessing to our community. Many of our quilters use fabrics out of our own "stashes". We have been blessed in the past by families who have shared a "stash" of their loved ones cotton fabrics. We are so very grateful. As our resources can become low, any contributions to our group are greatly appreciated.

We love what we do and look forward to sharing our knowledge of quilting with anyone wanting to learn. Some may think we are crazy for cutting up fabric and sewing it back together again or "sew it seams"! When life gives you scraps, make a quilt! Happy summer and see you when the weather in Wisconsin turns cold again. Have a "pieceful" day!

In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States on June 14, 1777, by resolution of the Second Continental Congress.

What is the flag etiquette for Flag Day?

Raise the flag briskly and lower it ceremoniously. Never allow the flag to touch the ground or floor. The flag should never be transported flat or horizontally, but always aloft. Do not fly the flag in bad weather, unless you are 100% certain it is an all-weather flag.

FATHER'S DAY

Notes of Cheer

By Robyn Johnson

Remember, Heather Flavin is the new cheer person for Forest Park. Heather will send out cards to residents that have been ill, had surgery or has had a spouse pass away.

The Social Club provides the stamps, and they rely on residents to donate sympathy and get-well cards so if you have any to donate please let Heather know. Also, if you know of any resident needing Cheer, please reach out to Heather or myself so she can send a card. Including the person's address is appreciated.

You may email Heather at tokentrespasser@gmail.com or myself at drjohns85@gmail.com

NEWSLETTER ARTICLES

By Gail Pare

All articles, news or photographs should be submitted to this email fpsocialnews@gmail.com and are due by the 12th of each month for the following month's newsletter. You may also call me with any questions at 603-507-7572.

Remember, newsletters are printed year-round for all residents and always available for snowbirds online. Printed Newsletters usually arrive by the end of the month and are available in the Clubhouse or in the Activities building. They are always available online a few days later.

The Beach

Come to the beach
Where the sea is blue
And little white waves
Come running at you.

A wave comes splashing
Over your toes.
You just stand still
And away it goes.

We'll build a castle
Down by the sea
And look for shells
If you'll come with me.

FROM THE NIGHT PATROL

COORDINATOR:

By Valerie Trapp

A reminder to everyone who is leaving to go “north”, please sign out with the office. If you want to have a FREE summer house check, please complete the VOICE form. Please follow steps below:

Lee County Sheriff - V.O.I.C.E. www.sheriffleefl.org

Follow the links to the following:

- Public Interests
- Reports and Requests
- Request Vacation Home Check

I would like to send out a big “thank you” to everyone who has volunteered their time during the past season and those who have stepped up to support our night patrol during the coming summer months. If you are interested in helping, even if it is one evening, please contact me.

Your helping in this way gives our residents a feeling of peace and safety. Our patrolling in the evenings deters “invaders, mischief makers, and trespassers”, especially in the summer months when many of us are gone. So, let’s keep our community safe all year long with patrolling.

Some hints and reminders:

- Pick up the Patrol Bag in the Activities Building - back counter- and return it there by noon the following day.
- Choose your own time to patrol ~ any time after 11:00 PM. Just in case someone has been “casing the joint” - Park, we don’t want the same routine each evening.
- Sit for a bit at the Entrance. I hear there is lots of action in those wee hours out on Hart Rd. 😬.
- Ask someone to cover for you, if you can’t patrol your assigned evening.
- If there is an evening not covered on the schedule and you would like to Patrol, feel free to do so. I hear there are some wonderful ‘night owls’ living here.

There are several evenings that need patrolling this summer so feel free to step up if you can.

As a reminder, the Patrol Schedule for the 2024 Season will be ready in December and If you would like to volunteer get in touch with me. I will have an Informational ‘application’ ready soon. (Your preferences, arrival/ departure dates, etc).

Just drop me an email: valerieartlady@aol.com if interested or have any questions. Thank you once again for your help and giving of your time.

FAREWELL DEAR FRIENDS.....

**Ladora Belle Kin –
Passed 4/6/2023**

Ladora Belle Kin, 80, of Fort Myers, Florida, and formerly of Tiffin, passed away peacefully Thursday, April 6, 2023.

Ladora was born Jan. 18, 1943, in Fostoria. She graduated from Republic High School in 1962. Ladora resided in Fort Myers, Florida, since 2000. They moved to Forest Park in 2017.

She always loved spending time with her family and friends. Ladora loved cooking, playing cards, and being at all of her grandkids sporting events.

Ladora and her husband, Jim, spent their summers at Clinton Campground.

She is survived by her spouse, James H. Kin; son, Jason Kin; stepdaughter,

Lara Yarick Kin; grandchildren, Cadin Kin, Grayson Kin, Jake Yarick, and Dane Yarick; and siblings, Louis Smith, Duane Smith, and Ladona Bright.

Our condolences go out to Ladora's family and friends.

FOREST PARKS HOME CHURCH "THE LIGHT"

By Roberta Rizas

Forest Parks Home Church, "The Light", welcomes all to 457 Jacaramba Court at 6 pm every Sunday night. We look forward to meeting you and you are welcomed at any time.

Praying you all have a beautiful summer in our Park. Glad we have a nice pool to enjoy along with the summer heat. So many left us to go up North, we will miss them all, and look forward to their return.

Praying you all have a nice 4th of July, remembering Independence Day is a Federal holiday in the United States. This marks the day the United States officially became its own Nation. The Declaration of Independence was adopted on July 4th, 1776 and thus, America was born. We became a free Nation. Although the 4th of July has been celebrated each year since 1776, it didn't become a federal holiday until 1870. And it didn't become a paid holiday for federal employees until 1941. "Every heart beats true under RED WHITE and BLUE"! Wearing the colors of the American flag is another Fourth of July tradition. Praying you all have a wonderful time celebrating Independence Day and that you are grateful we became a free Nation in 1776.

RECYCLE BLUE BIN

FRIDAY is Recycle Day!!

The blue bin is used for all other types of recycling such as paper, metal, plastic, etc. This is a separate Program from our regular trash that is picked up on Tuesday's and Friday's.

ALUMINUM CAN RECYCLE

By Social Club

REMINDER Aluminum Cans are still being collected on **Monday evenings only**.

Please **DO NOT** use the can as an ashtray.

Beer Drinkers, please rinse out the can and turn it over to dry out. Please remember to put your aluminum cans in a bag and place **UNDER YOUR MAILBOX by 5:00 P.M. MONDAY EVENING** for pick up. **They will NO LONGER be picked up on Tuesday morning**. Please make sure your cans are rinsed **CLEAN** and **DRY**.

Please place it away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag, **aluminum cans only!** All others go in the blue recycle bins. Money collected from can recycling helps pay some of the costs of Social Club activities. It benefits all residents of Forest Park.

A couple went to breakfast at a restaurant where the "seniors" special" was 2 Eggs, Bacon, Hash Browns and Toast for \$2.99...

"Sounds good" the wife said..."but I don't want the eggs."

"Then, I'll have to charge you \$3.49 because you're ordering a la carte" ...the waiter warned her.

"You mean I'd have to pay for not taking the eggs?" ...the wife asked incredulously.

"YES!" ... stated the waiter.

"I'll take the special then" ...the wife said.

"Great...how do you want your eggs?" ...the waiter asked.

"Raw and in the shell" ...the wife replied.

She took the two eggs home and baked a cake.

DONT MESS WITH SENIORS!!!

WE'VE been around the block more than once!...

Be Red Cross Ready

Hurricane Safety Checklist

Hurricanes are strong storms that cause life- and property-threatening hazards such as flooding, storm surge, high winds and tornadoes.

Preparation is the best protection against the dangers of a hurricane.

Know the Difference

Hurricane Watch—Hurricane conditions are a threat within 48 hours. Review your hurricane plans, keep informed and be ready to act if a warning is issued.

Hurricane Warning—Hurricane conditions are expected within 36 hours. Complete your storm preparations and leave the area if directed to do so by authorities.

What should I do?

- Listen to a NOAA Weather Radio for critical information from the National Weather Service (NWS).
- Check your disaster supplies and replace or restock as needed.
- Bring in anything that can be picked up by the wind (bicycles, lawn furniture).
- Close windows, doors and hurricane shutters. If you do not have hurricane shutters, close and board up all windows and doors with plywood.
- Turn the refrigerator and freezer to the coldest setting and keep them closed as much as possible so that food will last longer if the power goes out.
- Turn off propane tanks and unplug small appliances.
- Fill your car's gas tank.
- Talk with members of your household and create an evacuation plan. Planning and practicing your evacuation plan minimizes confusion and fear during the event.
- Learn about your community's hurricane response plan. Plan routes to local shelters, register family members with special medical needs as required and make plans for your pets to be cared for.
- Evacuate if advised by authorities. Be careful to avoid flooded roads and washed out bridges.
- Because standard homeowners insurance doesn't cover flooding, it's important to have protection from the floods associated with hurricanes, tropical storms, heavy rains and other conditions that impact the U.S. For more information on flood insurance, please visit the National Flood Insurance Program Web site at www.FloodSmart.gov.

What supplies do I need?

- Water—at least a 3-day supply; one gallon per person per day
- Food—at least a 3-day supply of non-perishable, easy-to-prepare food
- Flashlight
- Battery-powered or hand-crank radio (NOAA Weather Radio, if possible)
- Extra batteries
- First aid kit
- Medications (7-day supply) and medical items (hearing aids with extra batteries, glasses, contact lenses, syringes, cane)
- Multi-purpose tool
- Sanitation and personal hygiene items
- Copies of personal documents (medication list and pertinent medical information, proof of address, deed/lease to home, passports, birth certificates, insurance policies)
- Cell phone with chargers
- Family and emergency contact information
- Extra cash
- Emergency blanket
- Map(s) of the area
- Baby supplies (bottles, formula, baby food, diapers)
- Pet supplies (collar, leash, ID, food, carrier, bowl)
- Tools/supplies for securing your home
- Extra set of car keys and house keys
- Extra clothing, hat and sturdy shoes
- Rain gear
- Insect repellent and sunscreen
- Camera for photos of damage

What do I do after a hurricane?

- Continue listening to a NOAA Weather Radio or the local news for the latest updates.
- Stay alert for extended rainfall and subsequent flooding even after the hurricane or tropical storm has ended.
- If you evacuated, return home only when officials say it is safe.
- Drive only if necessary and avoid flooded roads and washed-out bridges.
- Keep away from loose or dangling power lines and report them immediately to the power company.
- Stay out of any building that has water around it.
- Inspect your home for damage. Take pictures of damage, both of the building and its contents, for insurance purposes.
- Use flashlights in the dark. Do NOT use candles.
- Avoid drinking or preparing food with tap water until you are sure it's not contaminated.
- Check refrigerated food for spoilage. If in doubt, throw it out.
- Wear protective clothing and be cautious when cleaning up to avoid injury.
- Watch animals closely and keep them under your direct control.
- Use the telephone only for emergency calls.

Let Your Family Know You're Safe

If your community has experienced a hurricane, or any disaster, register on the American Red Cross Safe and Well Web site available through RedCross.org/SafeandWell to let your family and friends know about your welfare. If you don't have Internet access, call **1-866-GET-INFO** to register yourself and your family.

For more information on disaster and emergency preparedness, visit RedCross.org.

Be Red Cross Ready

Get a kit. Make a plan. Be informed.

It's important to prepare for possible disasters and other emergencies. Natural and human-caused disasters can strike suddenly, at any time and anywhere. There are three actions everyone can take that can help make a difference...Get a kit. Make a plan. Be informed.

Be Red Cross Ready Checklist

- I know what emergencies or disasters are most likely to occur in my community.
- I have a family disaster plan and have practiced it.
- I have an emergency preparedness kit.
- At least one member of my household is trained in CPR/AED use.
- I have taken action to help my community prepare.

Get a kit

At a minimum, have the basic supplies listed below.

Keep supplies in an easy-to-carry emergency preparedness kit that you can use at home or take with you in case you must evacuate.

- Water: one gallon per person, per day (3-day supply for evacuation, 2-week supply for home)
- Food: non-perishable, easy-to-prepare items (3-day supply for evacuation, 2-week supply for home)
- Flashlight
- Battery-powered or hand-crank radio (NOAA Weather Radio, if possible)
- Extra batteries
- First aid kit
- Medications (7-day supply) and medical items
- Multi-purpose tool
- Sanitation and personal hygiene items
- Copies of personal documents (medication list and pertinent medical information, proof of address, deed/lease to home, passports, birth certificates, insurance policies)
- Current digital photos of loved ones, updated every six months, especially for children
- Cell phone with chargers
- Family and emergency contact information
- Extra cash
- Emergency blanket
- Map(s) of the area

Consider the needs of all family members and add supplies to your kit. Suggested items to help meet additional needs are:

- Medical supplies (hearing aids with extra batteries, glasses, contact lenses, syringes, cane)
- Baby supplies (bottles, formula, baby food, diapers)
- Games and activities for children
- Pet supplies (collar, leash, ID, food, carrier, bowl)
- Two-way radios
- Extra set of car keys and house keys
- Manual can opener

Additional supplies to keep at home or in your kit based on the types of disasters common to your area:

- Whistle
- N95 or surgical masks
- Matches
- Rain gear
- Towels
- Work gloves
- Tools/supplies for securing your home
- Extra clothing, hat and sturdy shoes
- Plastic sheeting
- Duct tape
- Scissors
- Household liquid bleach
- Entertainment items
- Blankets or sleeping bags
- Sunscreen
- Insect Repellent

Make a plan

- Meet with your family or household members.
- Discuss how to prepare and respond to emergencies that are most likely to happen where you live, learn, work and play.
- Identify responsibilities for each member of your household and plan to work together as a team.
- If a family member is in the military or engages in extended business travel on a regular basis, plan how you would respond if they were away.
- If you or a member of your household is an individual with access or functional needs, including a disability, consider developing a comprehensive evacuation plan in advance with family, care providers and care attendants, as appropriate. Complete a personal assessment of functional abilities and possible needs during and after an emergency or disaster situation, and create a personal support network to assist.

Plan what to do in case you are separated during an emergency

- Choose two places to meet—
 1. Right outside your home in case of a sudden emergency, such as a fire.
 2. Outside your neighborhood, in case you cannot return home or are asked to evacuate.

Consider any transportation challenges that might be encountered by individuals that use mobility assistive equipment.

Hurricane Guidelines for Pets

- Keep current color photos of your pets with your emergency supplies.
- If you know that a disaster (such as a hurricane) is immediate, bring your pets inside. Lee County Ordinance prohibits pets from being tethered outside.
- Because of a greater threat of disease, it is important that your animals be up-to-date on their vaccinations.
- If you must evacuate, take your pets with you. Your pet's best protection is to be with you.
- Call ahead to make sure that hotels will accept your animals. Evacuation shelters will not accept pets of any kind unless designated an "Evacuation Pet Shelter." Find pet-friendly lodging in Florida and throughout the United States at www.petswelcome.com (Under "Instant Pet Friendly Search," select a state and city) or www.bringfido.com. You should pick a location outside of the area where the hurricane is projected to hit.
- Call boarding kennels or veterinarians with boarding facilities to see the possibility of housing them. Ask if someone will be there with the pets during the hurricane and if their boarding facility is structurally prepared to withstand hurricane-force winds.
- Ask friends or family to provide temporary foster care for your pets.
- Lee County's Evacuation Pet Shelter will be open for residents who live in areas that are under mandatory evacuation orders in the area where they live. This option should be your last resort if you are unable to execute your own personal evacuation plan for your family and pets. It should not be your "evacuation plan." [Get more information about the Evacuation Pet Shelter.](#)
- Acquire an impact resistant pet carrier or cage for each animal to use as protection if you are riding out the storm with your pets at home. Exceptions can be made to house more than one animal per carrier but do not mix different animal species together! Frightened animals may exhibit behavior changes. If you evacuate and must leave your pets behind, do not leave pets in carriers as they will not be able to get more food and water when needed. Remember, you may not be able to get back to your house for days or weeks. A carrier should permit a dog or cat to stand up and turn around in it. Help your pet to adjust to a carrier as part of routine training to reduce the stress of being confined. Place additional ID on the carrier. Birds should have a perch to grasp. (Birds, however, should be left in their cages for safety.)
- Survey your home to determine the safest location away from windows. Cover large openings of carrier or cage to protect from flying debris. Provide high areas when there is a risk of flooding.

Tips to Prepare Your Home for Summer Closing

Inside Your Home
