FROM THE PRESIDENT

Ken Parsels

It is time for a pool refurbishment update. This month's letter is from the Pool Committee BOD liaison, Barry Simes.

Our pool has been functioning very well and has improved since the filters were changed. Please help us keep it that way by showering prior to entering the pool to remove sunscreen and lotion which is detrimental to the filters.

Our pool is checked every day for proper operation and water quality to comply with Department of

Health requirements. The pool and associated systems are maintained by a professional Certified Pool

Technician. Our goal is to maintain the pool to the highest standards and keep all systems functioning at peak performance. However, if you have any recommendations or questions on the pool operation, please notify the office as your input is greatly appreciated to support this mission.

The Pool Committee has been busy lately getting the refurbishment project kicked off. We have chosen our pool contractor from three reputable companies that quoted.

Advertising Policy: Advertising in this Newsletter is offered at the sole discretion of Community Media. Community Media reserves the right to refuse, limit, and/or reject advertising for any reason. Community Media, at its sole discretion, may restrict the number of advertisers in certain categories or offer exclusive/semi exclusive agreements as it sees fit.

Price negotiations have been successfully completed and costs are well within our budget at this point. Final contract review is expected to wrap up in time to kick the project off in June.

Pool Refurbishment Project Scope

- Refurbish coping, pool surface and tiles, drains, pool light and deck area with pavers.
- Pressure test all pool plumbing.
- Stabilize concrete deck area with polyurethane foam injection
- Upgrade chemical control system – New Cat 2000
- Replace one pool heater – New Built Right heater
- Six new table umbrellas
- New pool rules signage
- Repair Com Pac filtration cover
- Remove, modify and reinstall fence to support all work

In the meantime, we have been picking out color and style themes for the deck, pool interior and tiles on the coping around the perimeter of the pool. We are also working on an information board in the clubhouse where samples of the chosen materials will be on display along with details of the project plan.

Once the materials are ordered and we collaborate with the contactors, a detailed plan will be generated and followed up with periodic updates. The pool will need to be shut down for a period of time and we are working to plan this so it is the shortest time possible. The project is expected to be complete by the end of 2024.

Thank you to Bob Charles, Monte Johnson, Barbara Batson Passos, Toni Foote, Mary Neidhart and Nanette Gray for their work on this project.

THANK YOU!!

RESIDENTS NEED TO REMEMBER:

- **Speeding** – The park has many walkers and bike riders, please obey the speed limits. The speeding near the Pool, Pickle Ball and Clubhouse area has truly become a danger! Members pull in and out of the area regularly on golf carts and bicycles, they will have no protections against a speeding vehicle. **Throughout the Park our Posted Speed Limit is 15 MPH.**

BOARD OF DIRECTOR & GENERAL MEETING DATES

from the office

October 17, 2024 Board Meeting 9 AM

October 24, 2024 Membership Meeting 7 PM

General

Membership Meetings - We are a membership community. Monthly General Membership meetings are an important part of keeping our park a great place to live. Please make an effort to attend in person to help us meet our quorums for voting on issues large and small. If you can't make it in person, please join us by Zoom so your voice can be heard and so you have a full understanding of any issues. Zoom can be done on your Smartphone, computer, or tablet, it's very user friendly and it allows you to hear firsthand the strides made and challenges ahead to keep Forest Park a great place to live. Your expertise could be exactly what we need to turn a needed project into something great!!!

Volunteer – We need your help, please consider volunteering for the Board, a committee or just to lend a helping hand. It's the skills that people bring that make us a great place to be!

SHUFFLEBOARD

By Bill Madill

Shuffleboard completed a successful season with 18 active participants playing Monday and Thursday. Many thanks to Ellsworth's Heating and Cooling for their continued support for keeping Shuffleboard alive in Lee county. We do need more Park participation next season in the fun sport of shuffleboard. Just try it ! See you next season (God willing) thanks again Bill Madill!

- **Unattended Guests in the Pools** – Guests should have a **GREEN WRISTBAND** when using the pool, they should know your address when asked. Please be vigilant.

- **Unsightly Property** – Be proud of your home. Be courteous to your neighbors. Be safe with unexpected storms.

- **Forest Park Green Car Stickers** -We are still in session and have night patrol in place to keep you and your property under a watchful eye. Cars on property without a green Forest Park Sticker on the back of the vehicle will be noted by the team and sent to the office. Stickers are available for FREE in the office. Using the identifiers helps us know if we have strangers in the park.

- **Late Trash Set Outs** – All trash needs to be set out before 7am on Tuesday. Second rounds of trash pickup for late set outs are costly and really overworks our Maintenance Team if it gets too hot. Your trash can be put out the evening before if in a trash can.

- **Improper Use of Dumpsters** – Dumpsters are CLEARLY marked. It's dangerous for the Maintenance Team to climb into the dumpster to retrieve improperly dumped items. **Contractors working on your home are also required to take the debris with them off site.**

- **Late HOA Fees** – Please do your best to send your HOA fee in by the 1st of the month. It's also important to make your check payable for the **exact amount** of your HOA Fee rounding up or down adds additional work for our accounting team.

- **Quiet Time/Lawn Mowing** – Our rules for **In Season Quiet Time** is 11PM to 8AM. Please be respectful of your neighbors.

HELPING HANDS

By Ellen Heigham

Even though I'm not physically in Forest Park, I have names and phone numbers with me so don't hesitate to call. I apologize to some of the new people who have offered to help and I never reached out to you. I will have a meeting of interested helpers in the fall. We can create new lists and update the old. Until then, keep caring! God Bless!

Forest Park Craft Club

By Valerie Trapp

Summertime ☀️ is still craft time. Craft club still meets every Wednesday morning from 9:00 am-11:00 am. With the help of Dawn Gale, we have some fun art and craft projects planned.

Plans are also underway for the 2024-2025 season. In fact centerpieces for our Christmas dinner and Valentines dinner are ready to be created. Yes, I like planning ahead.

And speaking of planning we have a wish list of treasures. So be saving and searching for these.

List of treasures: 📝✅

Before

After

Doilies, wine corks (real cork is preferred 🍷), beads (large, glass, plastic, sparkly, old jewelry beads), glassware/ dishes- a little scratch or chipped will not matter (bowls, plates, platters, candlesticks, vases, cups,

saucers), Buttons, shells, knobs, glass globes, and tiles (we are making a mosaic house number plaque)

I also want to thank our fabulous residents for donating scrap lumber and cutting it for us to use for crafts and centerpieces. What a wonderful neighborhood we live in.

So, keep creating, have fun, and enjoy your June!

Valerie Trapp

HAZARDOUS WASTE

Lee County has very strict regulations regarding hazardous material disposal. The Board voted to approve the initiative to have all residents place paint, pesticides, chemicals, fluorescent bulbs and gas bottles at curbside. Park employees will pick up these materials on regular trash pickup days and log them in. These articles will be stored and disposed of in the appropriate manner by staff members.

NORTHEASTERN STATES CLUB

By Nancy Cooper

Plans are in the works for another great season next year. Be sure to read about it in the monthly Newsletter and be on the lookout for ticket sales next November.

NIGHT PATROL

By Valerie Trapp

Neighborhood Watch 🔍

All is Quiet here in Forest Park. Thank you so much to our volunteers that patrol each evening. If you are here and would like to volunteer, let me know, pick up the form in the office and give me a call or drop me an email. It's a simple job to drive up and down each street, check clubhouse and activity bldg doors, street lights, keep an eye

on strange cars or people walking around the park. Most evenings there are rabbits hopping through yards and frogs/toads having a pool party. But you never know what you might see at night around here 😊. During the off season, we can always use some extra “eyes” to patrol in the evenings. Your Volunteering gives us all a sense of security and peace each evening.

So whether you call this place home year around, visiting, or seasonal, the Neighborhood Watch volunteers are keeping an eye 👁️ on your home.

GREEN TREE STICKER

There is a little green tree sticker available in the office that goes on the **LEFT SIDE OF YOUR BACK WINDOW** on your car. All residents with automobiles should have this highly visible authorization to be in the park. This will help the safety patrol on their nightly rounds. If you are a temporary resident and don't want any stickers on your window, then scotch tape it there while you are here.

Have a great Spring Neighbors 🌸🌸🌸 Valerie Trapp

MARQUEE

Enjoy your Summer.

EDITOR THOUGHTS

As Father's Day is on June 16, I would like to reflect on my father. He was born on September 29, 1924, on the Johnson family farm North of Wadena, Iowa, which was homesteaded by his grandparents in the 1800's. He was part of the "Greatest Generation", as Tom Brokaw would say. The middle child of three, and the only boy. My dad walked to country school a mile through the timber along Mink Creek in NorthEast Iowa. He started school at the age of four because Grandma thought that his 5 year old sister shouldn't walk to school alone. Dad lived with two sets of parents. My grandpa and his brother farmed the homestead together. My dad always said he couldn't get in trouble with his Uncle and Aunt living in the same house. They farmed with mules back then. Dad was raking hay with a "dump rake" and a team of mules when he was 10. A single tree broke, swung around and hit the mule in the hind legs. This spooked the mules and they took off running while my father tried to hang on for dear life. He fell off and was caught in the tines of the dump rake, rolling along with the hay. He was not injured, but the windrow was quite large. Another time he had his index finger get caught in the hand crank corn sheller which mutilated his finger nail and the end of his finger.

My father graduated high school at the age of 16 in 1941 and two years later was drafted into the military. They discovered he had a punctured eardrum and was deferred. He continued farming with his uncle and my grandpa until he was twenty and then married my mother. He then moved in with her parents and began farming with his in-laws. Sharing another house, my parents lived upstairs in our 6 bedroom, no bath house, with a dumb waiter to bring food up from the cellar. Eight years later I was born, followed by my brother three years later, and at the age of forty one, my little sister came along. I remember getting an indoor toilet. My father taught me the meaning of hard work, how to hunt, and my love for the Chicago Cubs comes from going to Wrigley Field for a Sunday double header in 1961 and several years thereafter. Dad farmed his whole life, milking cows by hand before getting a milking machine. He had a "slipped disk" in his back, but still stacked hay bales, pitched manure, and scooped grain.

My father passed away at the age of 64 after a six

month battle with intestinal cancer. He never retired and was combining corn the night before he was to go into the hospital to have the cancer removed. Hardly a day goes by that I don't wish I could have one more visit!! If you still have your father, give them a call or visit this Fathers Day!!

QUILT CLUB

by Renee

The Quilt Club has now gone to summer mode and most of the members have left Forest Park for the season. There are some members who are Year round and will be here to distribute our Friendship Quilts to folks who are struggling with new health issues and could use a hug from a beautiful quilt. If you know of someone please inform the office because we have some members who will be delighted to deliver a special quilt to them.

In the coming season we hope to be doing more sewing at our Thursday morning meetings. This year was a learning year for me as I did my best to lead our group. My hope is next season to be ahead of the game rather than playing catch up. Less meeting time and more sewing, sharing time. Next season we will again meet on Thursday mornings at 9:30 at the clubhouse.

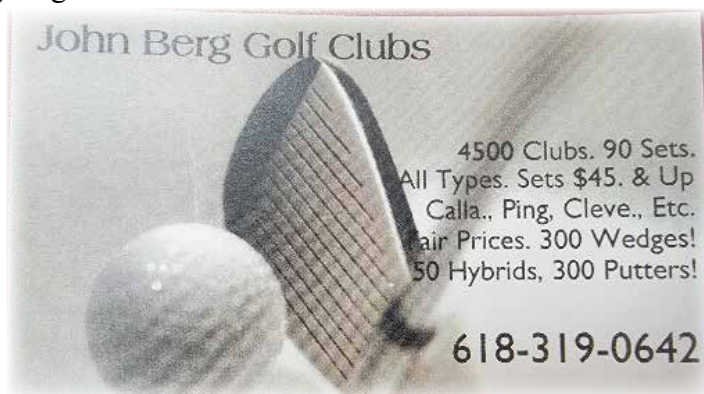

Peaceful days my friends,

Renee Huck

SCAM ALERT

consumer.ftc.gov/articles

Family Scams

Scammers are good at **pretending to be someone that they’re not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they’re your grandson and in trouble, they pressure you to quickly send them money. **But it’s all a scam.**

Your family member was never in trouble.

- The scammer will say it’s **urgent** and that you’re the only one who can help.
- The scammer might tell you it’s **important to keep it secret**. They don’t want you talking to other family members and friends and realizing it’s a scam.
- The scammers will **play with your emotions**. They’re counting on you to act quickly to help your family or friend. And they’re counting on you to pay without stopping to check out whether there’s really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!

FOREST PARK VISITORS WRISTBANDS

Remember - Visitors unaccompanied by Forest Park residents must wear wristbands when using park recreational facilities (pool, mini-golf, etc.). If you see something, say something, let's all be vigilant.

The wristbands are available in the park office (2 per family and additional bands may be requested). The bands stretch but if they are not large enough you may pin them to clothing, attach them to a key chain or just bring them along. Please remember that all owners are responsible for their visitors who must comply with all Forest Park Rules and Regulations.

TRASH PICKUP

Please note that our maintenance workers are now scheduled to work 6:00 am-2:00 pm rather than 7:00 am-3:00 pm. Trash pickup will be on **TUESDAY only throughout the summer.** Given that, please have your garbage ready for pick-up **before 6:00 am** to assure that it does not get missed. You can put it out after 6:00 pm the night before as long as it is in a barrel.

And, once again, please ensure that your garbage bags are not more than 30 pounds. Dumping kitty litter into a plastic grocery bag will not work. The bags break and leave the kitty litter on the street. Please use a **Hefty** enough bag so it doesn't break. If too heavy, the bags will be left. Be mindful that all the garbage that is picked up must be thrown into the compactor and the weight of the bags when too heavy creates a risk of injury. If you have any broken glass please **DO NOT** put it in a plastic garbage bag. Our workers have been punctured when picking up the bag. Put the glass in a **clearly marked cardboard box** and set it out.

BULK PICKUP – WEDNESDAY only

For large furniture items or appliances, please call the office on Tuesday between 9:00 am and 12:00 pm so the maintenance workers can plan on picking it up.

RECYCLING BLUE BIN WASTE PRO - FRIDAY is Recycle Day!!

The blue bin is used for all other types of recycling such as paper, metal, plastic, **CARDBOARD**, etc. This is a separate program from our regular trash that is picked up on Tuesday's. Recycling saves the park money from Waste-Pro.

ALUMINUM CAN RECYCLE - Monday By the Social Club

REMINDER Aluminum Cans are still being collected on **Monday evenings only.**

Please **DO NOT** use the can as an ashtray. Beer Drinkers, please rinse out the can and turn it over to dry out. Please remember to put your aluminum cans in a bag and place **UNDER YOUR MAILBOX by 5:00 P.M. MONDAY EVENING** for pick up. **They will NO LONGER be picked up on Tuesday morning.** Please make sure your cans are rinsed **CLEAN** and **DRY**.

Please place it away from trash bags. **DO NOT** place plastic, glass or metal cans in the bag, **aluminum cans only!** All the others go in the blue recycle bins. If you are putting your aluminum cans out on Friday for the recycle truck, **PLEASE** consider putting your cans in a bag on Monday evening for pickup. FOREST PARKS HOME CHURCH "THE LIGHT"

By Roberta Rizas

Hello, Forest Park neighbors. Welcome to June already. Our Park seems so quiet now, with all the snowbirds gone. More room at the pool now! lol For those of you that have a permanent residence, (and snowbirds as well), we welcome you to Forest Park's Home Church called, "The Light". We meet at 6 pm every Sunday, year round, at 457 Jacaramba Ct. All are welcomed, just walk right in and you will be greeted with a smile & you will meet some fellow believers. We look forward to meeting you.

I pray that everyone has a beautiful summer, stays healthy, shares with one another and remembers to pray for our snowbird neighbors when they travel back to our beautiful Park, and while they are away. Pray for their safety on the roads.

God bless one and all and remember how much your God (your Heavenly Father) loves you and protects you. He has promised in His Word that He will never let go of your hand. Remember your love for your own children, and you will know God loves you even more than that! We are His children. See you again in July.
