VOLUNTEER SPOTLIGHT

By Heather Flavin

THANKS TO MARCOS PASSOS

Forest Park is very fortunate to have Marcos Passos. He is our resident beautification artist. He has done a fabulous job restoring and painting many of the park's statues. They can be found around the beautiful pool, Peace Lake dog park, mini golf course, and in front of the entry at the Activity Building.

Barbara Batson Passos recently shared some information about her husband. Marcos was born in Ponta Grossa, Brazil in 1959. He came to Brooklyn, NY with his family in 1979. He started a career as a Glazier (commercial installation of glass) which spanned over 40 years as a Union member. Marcos met his wife Barbara, in the 80's and they married in 1988. Barbara's grandfather lived in the park starting in 1975, and after he passed, his daughter Linda and her husband Paul, (Barb's parents) started to snowbird from New Jersey's harsh winters. Marcos and Barbara were frequent visitors and grew to love Forest Park. In 2023, they both retired and bought a home here.

Marcos started to paint some things at home, and realized not only did he love it, but he also discovered he had a hidden talent! Taking the bull by the horns, he volunteered to start making over some of the plain cement statues in and around the park. Marcos has even been hired by some residents to paint their statues and all have been thrilled. Your newsletter editor has had Marcos repair and repaint two statues and the results are beautiful.

As for the future, he hopes to have a long, happy retirement in Forest Park and keep doing what he loves as long as possible.

I for one, and so many others are grateful for his labor of love that is enhancing the beauty of our park. THANK YOU, MARCOS!!

COMPLIANCE COMMITTEE REPORT

We are happy to report that we are down to about 15 homes that have not responded or corrected issues for which have been contacted. It's so great to see everyone really putting an effort into getting their homes and properties back up to the standard that Forest Park is known for. We do have an abundance of palm trees in the park with dead limbs hanging from them. Please have your trees trimmed! This should be done at least once a year and is required by our governing documents. Not only is it unsightly- but limbs can be blown in high winds and possibly cause damage or injury. As winter residents and guests will be returning to the park soon, we urge you to please make sure you are aware of the rules of the Park. Here are SOME important ones.... All guests staying overnight or longer, must be registered in the office. Green wristbands must be worn by guests to access all common areas. Green wristbands are required at the pool for guests. No one without a driver's permit or license should be driving a golf cart. (Florida Law) All dogs need to be registered with the office and ALWAYS

on a leash. (8 ft max) Don't allow dogs on other residents' properties. (Florida Law) Children under 18 riding bikes need to be wearing helmets. (Florida Law) Quiet hours are between 10pm and 7 am. (Florida Law) Speed limit is 15 miles per hour and all Stop Signs must be obeyed. There are also new pool rules -so PLEASE read the sign. We are looking forward to everyone returning and having a fun filled winter season. As always, forms are available in the office for suggestions or complaints.

IN HONOR OF THE VETERANS IN FOREST PARK

November 11th is Veterans Day. At 11:00 am there will be an Honor Guard parade to the Veterans Memorial in the front of the Clubhouse. A short program will follow with music and speakers honoring the veterans who reside in our park. After the program, all veterans, their spouses, and surviving spouses of veterans are invited into the Clubhouse for a dinner to honor our veterans that reside here in Forest Park.

Freedom Isn't Free — Thank a Veteran

If you woke up this morning in the land of the free,
Thank a veteran.

If you slept peacefully through the night,
Without fear of bombs or tyranny,
Thank a veteran.

If you are able to speak your mind,
To write, to vote, to challenge,
Thank a veteran.

If you can attend the church of your choice,
Or choose not to attend at all,
Thank a veteran.

If you can peacefully protest,
March, rally, or stand for what you believe,
Thank a veteran.

If you can dream, build, and raise your family
Without fear of oppression,
Thank a veteran

If you see the flag flying high,
And know it stands for liberty,
Thank a veteran.

Because freedom isn't free—
It was earned, defended, and preserved
By those who served.

THOUGHTS ON THANKSGIVING SPECIAL MEMORIES AND WORDS OF GRATITUDE

By Heather Flavin, Thank you to the park members that made this an easy article to write.

Chris Tybor

I recall many years ago, a friend at work came to me and said, "let's go get a flu shot", they were giving them out at work, and I was hesitant about getting one. Thinking that if I got a flu shot, I might get sick, that was the mindset that I had and was refusing to go get one. Then, I remembered the 2 previous years I had the flu at Thanksgiving time and could not go to Thanksgiving dinner at my grandmother's, and she always had a great meal set up for Thanksgiving. Her stuffing was my favorite dish. So, after remembering how I felt for the last couple of years at Thanksgiving, I changed my mind about getting the flu shot and went with my friend and got one. I have been getting a flu shot ever since and I've not had the flu at Thanksgiving time, and I did thank my friend at work for bugging me enough to go get that shot.

Paula Batson

My fondest memories all come from our Thanksgiving Day dinner at my Nana Dot's house. She would cook for days, everything was homemade and so delicious. Typically, it was all my dad's side of the family for the holiday. The grown-ups would be at one table and children at another. She always had Paint by Numbers for us, and I treasured those so much. Today I am thankful to have both of my parents still here and all of us living in Forest Park. I watch my son Landon grow into a great young man and succeed in his program at FGCU. Florida has been a blessing for all my family.

Wendy Henderson Hafer

One Thanksgiving, my dad was saying grace and just as he was finishing, my little sister Lydia jumped in with her own prayer: "God, can you make it snow?" The whole table burst out laughing, and we teased her that it was too early in the season. But, sure enough, by the time we cleared the dishes, snowflakes were falling outside. It felt a little like magic. Lydia, who absolutely loved snow, was over the moon. That moment has stayed with me – not only because it made her so happy, but it was also her last Thanksgiving before she met God in heaven.

Moe Hesketh

In Massachusetts, we owned a log home and hosted many great Thanksgiving get-togethers. Every family member shared a favorite dish, and it was great to see how much the kids had grown. After dinner, the men went out for a walk to just shake off some of the extra pounds

Residents will again have a free meal. However, because we have so many new residents, proof of residency will be needed. If you have family members staying with you the price for attendance at the dinner is \$15 per person (no children under 16.) Payment for guest dinners will have to be paid by the cutoff date of November 10th. It will be served on Thanksgiving day at 1:00 PM in the clubhouse. Bring your own place setting and drink of choice. Hope we have a good turnout again this year.

and the women stocked the dishwasher and prepared the “leftovers” in Tupperware for their ride home. Pumpkin pie was served later, and everyone found just a bit more room for dessert. Miss the smell of all the majestic pine trees on our property. That just can’t be duplicated!!!

Heather Flavin

When I was little, the Wednesday before Thanksgiving, my dad and I would make the trip in the white Pontiac station wagon across the city of Worcester to pick up all the cooking my Nana prepared for our delicious Thanksgiving meal. The stuffed turkey, the extra dish of stuffing, (proper meat stuffing that is) minced meat, pumpkin and pecan pies. (Nana always made her pie crusts with lard). There would be extra crust left over, and she would make pinwheels for me. So, I headed right to the bread box where she kept them. The next day, Nana, “Gampy” and other family members came to our house. I can still hear my dad say, “company’s here” and that signaled the beginning of another special holiday together.

Al Corzine

Fondest memories would be eating Thanksgiving dinner with my mom and dad when they were still living. All the family together. Everyone helped prepare and clean up. My mom was an awesome cook; I think of her and miss her every day. I am thankful for every day I have and the great memories I have from the past.

Ken Parsels

I would like to thank all the gracious people in the park who helped get Forest Park cleaned up after Hurricane Ian. Thanks to everyone who helped during Covid. Joyce and I appreciate everyone who has helped us along the way. We have some very nice people in the park and that is what sets Forest Park apart from the others.

HAPPY THANKSGIVING

FROM THE PRESIDENT

By Chris Tybor

Happy November Forest Park, where has this year gone? They say time flies when you are having fun. So I’m either having a blast, or I’m too old to know better.

It's getting towards the end of the year and I'm hoping a couple of you will consider running for the President's position, or one of the Board positions. I took this position to let Kenny Parsells take care of his wife, and I think she's been getting better, with Kenny's help. It's a position, as are all the others that need to be filled, so our HOAs stay in check. It's a volunteer job, there is no pay, but there is some satisfaction that you get by volunteering, so please start giving it some thought.

We will soon start to see some old friends returning from up North in the next few months. Let's welcome them back and all enjoy each other's company. I hope everyone is doing well, and staying happy.

Until next month, I'll see you around the park.

EDITOR THOUGHTS

By Monte Johnson

To all the residents of Forest Park. Look up above this article to the open positions on our Board of Directors and committees that will need to be filled for 2026. This month a nominating committee will be formed to solicit association members to fill these positions. I've written in the past about the importance of **volunteering** for these board and committee positions. Forest Park could not operate without **volunteers** serving on the board or committees that support the BOD. Our governing documents restrict the association in the amount of money that may be charged to maintain our amenities. The mini golf, bocce, shuffle board, swimming pool, buildings, parks, ponds, streets, drains, and common areas, all require maintenance whose costs continue to increase at a higher rate than the monthly maintenance fees provided to our Operating and Reserves Budget.

Our Reserve Budget is established to provide the necessary funds needed to replace or complete a major upgrade to an amenity when the time comes. An example is the 2024 refurbishment of our swimming pool. This major upgrade was completed for \$180K. The estimate, in 2024 to replace the pool, with current code requirements for lighting, water volume, and capacity was over \$800K. Your BOD in the past has continued to maintain and improve our park on this shoe string budget. Now is the time for you, our residents, to step up and **volunteer** to run for a position on the board. There are financial decisions that need to be made which will affect all of us in the near and far term.

CHRISTMAS GIFTS OF CHEER

By Nancy Cooper

Nearly 20 years ago, Joan King, the President of the Northeast Club, wanted to do something to bring a bit of Holiday cheer to a few folks in Forest Park . That year 6 boxes of homemade goodies were passed out thus starting one of our Park's nicest Christmas traditions.

Over these two decades thousands of gifts of cookies, fruit and candy have been delivered by Santa's elves as well as bags of groceries and sympathy boxes given to folks who lost a child or spouse. During the Pandemic, knowing everyone needed some cheer, boxes of cookies were delivered to everyone at home in the Park. Following the devastation of Ian, it was important to bring folks together for a fun evening so the committee hosted a free pizza party.

All of this has been accomplished thanks to the countless volunteers and the generosity of many clubs and individuals. What was once just a sweet idea by a nice lady has been a wonderful gift for the folks in our community.

If you know of someone who might need a bit of cheer this holiday season please let me know. Call or text me, Nancy Cooper at (207) 632-7544.

WOOF, WAG, & WIGGLE

By Paula Batson

Milo, or as he is affectionately known 'Meathead,' is a 12 year old Brindle Old English Bulldog. Elaine Moller has been his mom since he was 6 weeks old. He was purchased from a breeder back in Elaine's home state of Iowa. This breed is very stubborn (lol) and very strong. They typically weigh between 50 to 80 lbs. This guy definitely tips the scales around the 80 plus and is a bit taller than the breed standard. These days Milo can be found lounging around his house and he loves to sleep on his back most of the time which, by the way, is a dog's way of showing his complete trust with his space.

Now, let's talk about treats haha. This heavyweight loves snacks and he loves his neighbor Connie. So if he is missing Elaine knows exactly where to find him: sitting at Connie's door high five-ing for Connie's special treats.

Milo shares his space with his feline brother. Although not the biggest fan he somehow makes it work. If you see Milo out and about in the park, he will be happy to meet you. He loves being petted, but mostly he hopes you will have a sweet treat for this sweet gentle boy.

NORTHEAST CLUB*By Lucinda King*

The Northeast Club was formerly known as the Northeastern States Club, back when Forest Park had the Three I Club (Iowa, Illinois, & Indiana), The Ohio Club, The Michigan Club, and The Canadian Club. These were all social clubs made up of members from their respective states or country. Times changed and as our residents changed, these clubs started to dwindle. Now the park has the Social Club, which everyone that resides in the park is a member, and The Northeast Club.

Everyone in Forest Park is welcome to become a member. You do not have to be from the Northeast. We would like to invite you to join us on **November 22nd at the Get To Know Your Park event from 9:00 to 11:00 at the Clubhouse.**

Mark your calendar: Our first meeting is Monday, December 8th– 5 PM in the Clubhouse

Come join us for a fun filled entertaining night (menu to be announced later). Bring your own place setting and drink of choice. The price for dinner is \$12.

All are welcome but you must become a member. Dues are \$5 per person.

Dues may be paid and tickets purchased in the box office in the Activities Building beginning Sunday November 2nd from 2-4.

**CARING HEARTS & HELPING HANDS CLUB***By Lenann Crisci*

CARING HEARTS & HELPING HANDS is a **new volunteer** organization being formed this fall. It is the off spring of the Helping Hands group that was formed by Ellen Heigham. Park residents help or assist our residents who are shut-in by just stopping by to visit, run an errand, take them to get groceries, or pick up a prescription. We are an arm of the Forest Park Social Club and we are in **dire need of volunteers** to join the Caring Hearts & Helping Hands. We have residents who are no longer able to drive, who are lonely and just want to visit or play cards, or just need a caring heart to give them a helping hand with their garbage or recycling. If you are willing to help out a neighbor, please contact me. If you need a helping hand with what I described, or just need someone to talk to, **please contact me, Lenann at 207-705-2256 Looking forward to seeing you this month.** We would like to invite you to join us on **November 22nd at the Get To Know Your Park event from 9:00 to 11:00 at the Clubhouse.**

PINE TREE KNOTS QUILT CLUB*By Cindy Trepanier*

The quilt club is asking for help. If you know of someone in the park that has cancer, an illness or surgery, please let the office know. We give quilts to let them know we are thinking of them and a quilt is like a warm hug during this trying time.

We will start back this month on **Thursdays at 9:00.** No matter the level, beginner to skilled, everyone is welcome. I always learn something new each week from the group. We discuss issues and techniques. We have fabric and machines to make Park quilts, so please join us. The Craft Club is looking forward to seeing everyone and doing some fun, interesting crafts.

The Craft Club meets on Wednesday mornings in the Clubhouse at 9 AM. Enjoy the fellowship while working on a variety of projects. This is an active group year-round. The club hosts homestyle dinners monthly in season. Profits from these dinners support park projects and many local charities. Our Craft Fairs draw many talented vendors held twice per year and our Trash to Treasure Sale is a great way for you to support our fund raising efforts while cleaning out some closets.

We welcome you to come by and see what projects we are working on! We really have a lot of fun! Dues are \$10 for the year. Come meet some new friends, have a snack and create some fun art! We would like to invite you to join us on **November 22nd at the Get To Know Your Park event from 9:00 to 11:00 at the Clubhouse.**

FOREST PARK TOOL CLUB

By Monte Johnson

The Forest Park Tool Club is planning a busy season of breakfasts, dinners, baked goodies, 50/50 raffles, accepting tool donations, and we will have some surprises this year. We are accepting new members and will be purchasing new tools for our members to borrow at no cost. We would like to invite you to join us on **November 22nd at the Get To Know Your Park event from 9:00 to 11:00 at the Clubhouse.** This season we hope to resolve the dilemma with our current, termite infested tool storage shed with a newer, more spacious, improved tool storage facility.

If you have any questions, wish to join, donate cash, or no longer used tools, please reach out to Bob Carson 607-857-0320, Jerry Waters 217-361-7736, Mark Snyder 716-939-0237, or Monte Johnson 319-415-2816.

NEWSLETTER ARTICLES

by Monte Johnson

All articles, news or photographs should be submitted to this email fpsocialnews@gmail.com and are due by the 12th of each month for the following month's newsletter.

Remember, newsletters are printed year-round for all residents and always available for snowbirds online at forestparkonline.com. Your Forest Park Newsletter is totally run by volunteers who gather the information and photos, write the articles, request articles from others, proofread, arrange the articles, proofread, work with the publisher, proofread, distribute the newsletter and put it online. IN MEMORIAM

Charlene M. Wash**August 24, 1943 — October 11, 2025**

Charlene Margaret Wash (nee Oehler), 82, passed away on October 11, 2025. Charlene was born on August 24, 1943 in Cincinnati, Ohio to Karl and Irene (Hungler) Oehler. She was a graduate of Our Lady of Angels High School, class of 1961. Charlene married the love of her life, James

K. Wash, on August 10, 1963, and shared 62 years of marriage together. She was preceded in death by her parents and stepfather Arthur Riley, and her grandson, Drew. Charlene is survived by her husband, James, her children Lisa (Steve) Ambach, Jim (Mary Beth) Wash, Doug, Jeff and Don Wash, her grandchildren Erin (Ryan) Cleary, Shannon (David) Flaherty, Katie (Alex) Baker, Stephanie Ambach, Maximus and Vivian Wash, Meghan Wabnitz, and her great-grandchildren Sloane, Henry and Maeve Cleary, Colin, Brinn and Reagan Flaherty and Harrison and Otto Baker. She is also survived by her siblings Edward (Carolyn) Oehler, Mary (late Lawrence) Freedberg, Paulette (Carl) Weigand, Karen (Charles) Trotter, Joseph (Gale) Oehler and Daniel (Patricia) Oehler, sisters-in-law Joan (Sanford) Hopkins and Jackie (late Gene) Isaacs, and 17 nieces and nephews.

She often spoke fondly of her childhood along with her siblings, and told stories about growing up above the family grocery store. As a resident of Price Hill, Ohio, Charlene was a parishioner at St. Williams Catholic Church for many years, and often enjoyed walking to and from mass on Sundays. She loved music and was an accomplished clarinetist, playing with various community groups over the years. Her greatest joy in life was being the most wonderful mother to her children, a role which she perfected and carried out year after year. The fact that her children, grandchildren, and great-grandchildren genuinely wanted to spend their free time with her is a testament to how deep her motherly love ran.

Her family will tell you that you rarely saw Charlene without her husband by her side. Their love and marriage was an everlasting example for us to look up to. After years of hard work raising children, they made the

most of their retirement years. Together, they enjoyed the outdoors and traveled the country with their pop-up camper. From camping with strangers in Alaska to sleeping with the mice on Mount Le Conte, there wasn't an adventure they shied away from, as long as they did it together. They created a family gathering place at their own campsite at Mineral Springs next to their daughter's site. For 20 years, they had the good fortune to spend winters in North Fort Myers, Florida, cultivating friendships with people from all over the country. She and Jim also visited their son's lake house on Cave Run Lake in Kentucky, having countless sleepovers with her children, grandchildren, and great-grandchildren.

She is responsible for so many of her family's core life memories. While several stand out, insisting that 13 people all share a very small house in Ludington, Michigan will always be a unanimous favorite. For the next 13 summers, those same family members, a few friends, new spouses, and babies continued to come together there.

Charlene must have had a few faults, but we can't think of them now. She lived her life with kindness at the forefront, demonstrating the degree of strength that could only exist in her petite 5'3" frame. She loved fiercely, but often did so quietly, her love made evident in rocking a baby to sleep, waking early to prepare breakfast, and doing so, so, so many dishes. She never missed a big life event and always showed up. We'll remember her for so many things, but most of all how much she loved us, and how much we will always love her in return.

A memorial gathering will take place at St. William Church on Monday October 20, 2025 from 11am until the time of the Mass of Christian Burial at 12pm.

In lieu of flowers, memorials may be made to one's charity of choice in Charlene's name.

Janet Gay Clear
March 1, 1933 – September 18, 2025

Janet was born March 1, 1933 in Anderson, Indiana to Harvey and Ethel Cobb. Janet grew up in Anderson and graduated from Anderson High School. She went to work for National Tile and met her future husband, Norman Clear. It was important to them that their beliefs aligned and she began bible studies with the Seventh Day Adventist Church. She was baptized into the church on May 31, 1952.

Janet and Norman married on June 8, 1952. Janet was a stay-at-home mom, while she raised her 4 children, as well as fostering a few boys for a time. Janet served the church in many ways. She gave the mission stories, was the church treasure, Pathfinder Leader and various other duties. She and their children accompanied her husband for a temporary government position, living in Okinawa for 2 ½ years. After raising her children, she began her civil service career and eventually worked at the Defense Finance & Accounting Service in Indianapolis, as a computer specialist for the travel programs. She enjoyed traveling for her job, going to many places including Japan, Europe, Saudia Arabia, Panama, the list goes on...

Janet enjoyed sharing the fact that her & Norm had 50 descendants, consisting of 4 children, 11 grand children, 25 great grandchildren and 10 great great grandchildren; 25 girls & 25 boys. She also enjoyed making quilts and made each of the descendants at least 1 quilt. She also made sure each descendant received a birthday card every year, as well as many friends & cousins. She had the gift of storytelling. She loved to play cards with her friends. Her and Norm would "snowbird" in North Fort Meyers, Florida every winter. Together with their friends they would gather every Sabbath for pitch-ins, fellowship and a rousing game of Hand & Foot after sunset. When in Indiana the ages of her card club was 88, 92, 95 and 101.

Janet passed away on September 18, 2025. She was preceded in death by her parents Harvey and Ethel; her siblings, Betty Van Horn and Floyd Curtis Cobb, her son Tony and her grandchildren Kristen and Tony Clear Jr.

Left to cherish her memories are her 3 daughters, Brenda Sales, Vicky (Larry) Russell and Penny Clear, 9 grandchildren, 25 great grandchildren and 10 great great grandchildren; 2 sisters Kathy (John) Sparks and Debby Trinkle.

As per their wishes, there will not be any memorial service.

We wish to acknowledge with deep appreciation the many comforting calls, messages, visits, prayers, and other expressions of kindness and concern.

FOREST PARKS HOME CHURCH "THE LIGHT"

By Roberta Rizas

Time has truly flown by, hard to believe we are into November already! We now can welcome back our travelers, they are just in time for our fantastic Thanksgiving dinner at the clubhouse, like we had last year. **HAPPY THANKSGIVING** to everyone! Also, let us remember, you are all invited to our home church called, **THE LIGHT**.

Services start at 6 PM. every Sunday. We meet at 457 Jacaramba Ct. Our Ladies Bible Study also starts up again on Thursday, Nov. 4th at 10 am at the same address. A lovely group of ladies meet every Thursday morning.

With much Thanksgiving, I would like to dedicate a poem honoring our beautiful Forest Park.

We dedicate our PARK to love and understanding:

May its joys and sorrows be shared;

May its doors open in hospitality,

And its windows look out with care for others.

We dedicate this PARK to work and leisure:

May its walls reflect affection and laughter;

May its duties be performed in love,

And its table reminds us that God works with us to supply our daily needs.

We dedicate this PARK to the appreciation of all things good and true:

May its books bring wisdom, the pictures beauty, its music joy and inspiration.

We dedicate this PARK to rest from the working world,

May it be a haven of relaxation and recuperation, forgiveness and happiness.

Dear God, bless our PARK, not for riches of material, nor beauty of design, but for welcome and warmth.

At our park, let steadiness replace haste and the Holy Spirit be with all. Amen
